Basketball Report ASC Vultures 26/10/11

On Wednesday afternoon 26th October 2011 the Crunchie Munchies played our first game of basketball and versed the Eye of the Tigers. We had a good start but were a little rusty in the first half. We were leading going into the second half and by the end of the game the Tigers were catching up. In the last two minutes Catie Versed the Eye of the Tigers. We had a good start but were a little rusty in the first half. We were leading going into the second half and by the end of the game the Tigers were catching up. In the last two minutes Catie

Crunchie Munchies Basketball report

On Wednesday afternoon 26th October 2011 the Crunchie Munchies played our first game of basketball and versed the Eye of the Tigers. We had a good start but were a little rusty in the first half. We were leading going into the second half and by the end of the game the Tigers were catching up. In the last two minutes Catie was fouled off. At this time the opposition managed to sneak in a couple of goals and with just a few nail biting seconds left Tigers got one more goal just as the whistle blew. We won our first game 22-20. Yeah!!!
This week in Transition we have been very busy!! We have learnt lots of interesting things with Miss English!

Our sound is ‘ue’ We iced some biscuits with ‘blue’ icing! Delicious!!

We thought about halves and quarters and remembered all our numbers 1 to 10.

We are having fun practising for our Christmas concert and making decorations for our room!

We have had lots of fun painting, building tunnels in the sandpit and digging for buried treasure!!

It’s been a great week!!
EQUESTRIAN NEWS

EQUI-SKILLS PROGRAM IN 2012

Next year in terms 1 & 2 All Saints’ College will be offering the Equestrian Australia (EA) Equi-Skills program to students in Years 7 to 12.

The program covers Introductory Horse Management and Introductory Riding with both a theory and practical component. This course is also a pre-requisite for any further study in the EA program such as the Level 1 Coaching Certificate and is a nationally recognised certificate.

The course will be delivered by NCAS EA Level 2 Dressage and Level 2 General, Coach Educator and National Assessor, Megan Joerg.

There will be 10 x 3 hour sessions which will be held fortnightly in Terms 1 & 2, 2012. Depending on your level of experience and competence, the course may be finished in fewer sessions.

To enrol in the course, the cost is $60.00 which includes two workbooks and an Equi-Skills badge for the school saddlecloth. It is also recommended that the students purchase the ‘BHS complete Manual of Horse & Stable Management’ as a reference manual.

In addition to registration for the course, each face to face session will cost $30.00 per rider. Five sessions need to be paid in advance on enrolment. By undertaking the course through Equi-Skills there is a considerable saving on reference material.

Depending on numbers, any interested parents who would like to develop their knowledge can enrol and also participate.
Enrolment for adults is $140.00. You don’t have to own or have access to a horse to participate in the program.

Megan will be conducting a ‘Meet and Greet’ for interested parents and students on Wednesday the 16th November at 5pm at in the Junior School Library. At this time the program will be discussed in greater detail and any questions answered.

The program is also outlined on the Equestrian Australia website and can be accessed by ‘googling’ Equi-Skills.

To enable the course to commence as early as the second week of Term 1, 2012 an early commitment from interested parties is essential. This will enable the purchase of adequate resource material.

If you would like to be involved in this exciting new opportunity, please contact Nicole Stockman 0417324870.
