FESTIVAL OF ART MEETING

Thursday March 15th

5.30 in the Library

Everybody welcome!
This week in Transition we are thinking about rhyme. Mary Mary quite contrary has a beautiful garden! We have become very excited about gardens and what we find in them.

We made a beautiful slider web and spiders to put in it.

We planted some flowers together and must remember to water them and give them plenty of sun.

We have found praying mantis in the playground and Mrs Rofle found a dragon fly at home. We are looking at life cycles and enjoying reading the very hungry caterpillar!!

Our shape this week is an oval and our colour purple. We have made a juicy bunch of grapes in our number books and iced an oval biscuit with purple icing! Yum!!

Music, library, Christian studies and PE have been lots of fun too!!

If the rain stays away come and join us on Saturday at 1.30 in the Transition plaintiff to help put up our new vegetable garden!!
7 YEARS KANGA CRICKET

It was a damp Saturday morning at All Saint’s for the Under 7’s game with St Pats with everyone keen to have another game and get some momentum going again in the second half of the season. Batting first in tricky conditions All Saint’s showed good improvement from last week which saw some sensible play. In the field it was pleasing at times to see lots of players getting after the ball. Some determined batting, nice fielding and a terrific run-out from Adelaide Cunningham saw her earn the player of the week. Looking forward and fingers crossed for some more games and practice coming up. Good work Under 7’s.

Mr Saint

10 YEARS CRICKET

The 10 Years team played against Rugby Union Gold last Saturday. The match was played in beautiful sunny conditions and after winning the toss our boys fielded first against an experienced opposition. Our team bowled extremely well and managed to take 4 opposition wickets in the innings. Our fielding was also terrific and even though we dropped a number of catches the boys made a positive attempt to catch these difficult chances and got their bodies behind the ball. The boys also batted well when it was our turn at the crease. We scored 60 runs, but unfortunately we were dismissed too many times to challenge Rugby Union’s average. At the conclusion of the match the boys gave three cheers for their opponents and despite being beaten left the ground with their heads held high. The Player of the Match was awarded to Ben Cant for his hard hitting batting and wicket taking bowling.

FROM THE REGISTRAR

Mr Michael Hissey

We welcome new student Jack Kiernan to our Year 3 class this week and wish him a very happy time at the College. Last week proved to be a very busy week in the Registrar’s office culminating in the beautiful Grandparents’ Day on Friday last which was followed on Saturday by the ACER Scholarship Examinations for 2013 prospective scholars. All Saints was privileged to host well over 60 students sitting for the various levels of the tests at junior and senior levels. A gruelling round of tests occupied the girls and boys for over 3 hours. The examinations were followed by a very successful group tour of the campus. My sincere thanks to Mr Ross, Mr Jackman and Ms Thompson for their invaluable assistance with the supervision and organisation of the day.

The first of the informal ‘meet and greet’ evenings will take place next week at Lithgow “Workies Club” at 7pm on the evening of March 7. This will be followed by the Sydney Independent Schools’ Expo at Sydney University in the McLauren Hall on the weekend of March 10 and 11. Prospective families considering joining our great community highly value meeting our current extended ‘family’ members and we would very much like to encourage you to attend any of these events. Please remember that the Registrar’s Office is always open for you to pop in (or you could call me on 6332 7313).
