Junior School Assemblies – Term 3
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Performing Arts Centre. Assemblies begin at 9.00am.

Rugby Coaching Clinic
We will be visited by Mark DeBrincat from Central West Rugby next Thursday 1st August who will be running a skills clinic for our Junior School rugby boys. It will take place on the Junior School Oval at 3.30pm.

ICAS English Competition
On Wednesday 31st July some of our students in Years 3 to 6 will be participating in the ICAS English Competition. I wish them all the best.

Parent/Teacher Interviews
Everyone would have received their child’s Semester 1 Report at the end of last term. I encourage everyone to meet with their child’s teacher during week 3 to discuss their child’s progress. A note about these Parent/Teacher interviews will be coming home this week.

ICAS Science Competition
Congratulations to the following students for their great results in the 2013 ICAS Science Competition.

Trash & Treasure - Book Stalls
Don’t forget to have a good clean out of your cupboards and bring in your ‘treasures’ and books to be sold at the Spring Fair. All saleable items can be left on the verandah outside Warren Stocks, the Student Liaison Office. Just a small note for the Trash & Treasure. NO electrical items please.

SPEECH & DRAMA
We are busily preparing for the upcoming Bathurst Eisteddfod which will be held from the 1st September for speech & drama. Good luck to the following students performing in the Orange Eisteddfod in two weeks time:
- Claudia Cunningham, Adelaide Cunningham & Ruby Thorne will also be participating in the Central Coast Eisteddfod on the 10th & 11th August.

We wish them all the very best.
The children are glad to be back and are enjoying cooperative play activities with their friends once again. We welcome a new addition to the Cohen family, Logan. Logan is Catriona and Wayne’s third son and brother for Noah in PK3 and Ruadhán. We are also excited to announce our new Gap Student, Miss Niamh. Niamh is from England and is settling in very quickly. Our letter for the week is l. We have enjoyed many stories associated with the letter l and for craft the children carefully cut along lines to make a lantern. In Mathematics we have revisited 2D shapes and had fun printing with various 3D blocks. In our ‘Healthy Little Ears’ Program we have learnt about the importance of blowing our nose. We are getting very excited about our excursion to the fire station next week to learn about fire safety. On August 12th, Jennifer Arnold from Macquarie University will begin her 10 week internship in PK3. I would like to take this opportunity to compliment children for their hard work and amazing progress over the last semester. I’m looking forward to having the opportunity to chat to parents during interviews next week.

Kind regards,
Deb Porter

Poppy, Isabella, Emily and Paige with their colourful lanterns.

Blake has organised and hammered the geometric shapes to make a truck and road.

Annabelle has brought in a colourful crown she has decorated to show for news.

Welcome, Miss Niamh!

Welcome to the world sleepy baby, Logan!

The Power of a Simple Gift

“What does the Lord require of you but to do justice, and to love kindness and to walk humbly with your God” (Micah 6:8, NRSV)

Last week I mentioned that our Chapel Giving Program for Term 3 would be something different. This week we launched the Operation Christmas Child program to the school which is our focus for Term 3. This program was selected by our prefects as the international program that we would support.

Operation Christmas Child is a program run by the international relief and support organisation, Samaritan’s Purse. It has been running since 1993 and has delivered over 68 million gifts to needy children in over 130 countries. The program is simple; people like us pack a shoebox with gifts for a child.

These shoeboxes are gathered together and sent to countries around the world (in our case somewhere in the Asia-Pacific region) and are given to children in selected communities. The impact of these simple gifts cannot be underestimated. They show the love of Christ to the children and their families immediately. They are described by many local churches in these countries as ‘ministry tools’ as they help to build up trust and break down barriers in the community. This allows Samaritan’s Purse to support these communities with other services, e.g. clean water, education, health, and disaster relief programs, resulting in a tangible change in the living conditions and health of these communities.

Our entire school community is encouraged to support this program. We have information brochures that are being given to students, and fold up shoe boxes for those who don’t have any at home to use, (special thanks to the Pullinen Family for bringing these up from Canberra). We expect over 500 boxes to be packed and brought into chapel. Of course, I am available to answer any questions that you may have Operation Christmas Child.

Netball

It was amazing that netball went ahead on Saturday. I hope everyone enjoyed the games.

Thank you to all the Twinkles’ parents who were prepared to do duty on Saturday. I and, I’m sure, all the other parents would like to say an extra special Thank you to all the Twinkles’ parents who were prepared to do duty on the games.

It was amazing that netball went ahead on Saturday. I hope everyone enjoyed

ASC Twinkles

The ASC Twinkles team completed another dominant display during very cold wet conditions to beat the Eglinton Mermaids by 7 goals to 2.

The team was constantly on attack putting pressure on the Mermaids from all parts of the court.

Collette Lydon and Kate Edwards scored all of the goals for the Twinkles after excellent ball movement at times involving the whole team.

Olivia Brabham, Grace Carroll, Zoe Cunningham, Alexis Dusan – Muir, Maayan Leibenson, Lucy O’Sullivan and Charlee Theobald had excellent games in both attack and defence presenting both Collette and Kate with opportunities to score the winning goals. Our newest team member Rhiannon Jarret played a fantastic first game.

The girls continue to show great improvement week after week which so far has led to a very successful season.

Special mention must be made to the Twinkles most vocal supporter Graham Cunningham who will surely lose his voice before seasons end. Great game girls and well done to the player of the match Charlee Theobald! Alexis Dusan-Muir

ASC Hot Shots

On a cold, windy and bleak Saturday All Saints Hot Shots played the Out of Touch Kookaburras. It was a very even match with most of the game being played in the mid court. Kate, Charlotte R and Breahna played well together allowing the ball to move freely up and down the court. Our defence, Aria and Megan were excellent disallowing the Kookaburras many shots at goal. While our shooters Phoebe, Georgie and Lauren had an exceptional game. The game was very even and the score was 2-1 to the Kookaburras. Player of the Match went to Phoebe. We would like to thank all the parents that came to support us and to Mrs Cant and Sophie for coaching us.

ASC Under 11s V Souths 20th July

A Nil all draw was the result of a well-played game against South’s on Saturday. Both teams fought hard to defend their goals. The team welcomed the new with the return of Gappies Ryan, who coached the girls in the second half, and Annie, who will mentor one player each game. Player of the match was awarded to Emma Harrison for her good defense in the second half, especially when in the circle, and for her improvement in the game. By Maddie Johnson

Please note

I will be away playing hockey on July 27th in Parkes. Gap student, Annie and Mr Porter will be helping out during the game. I will also be at parent teacher interviews on Monday July 29th when the U11s have a scheduled game. Mr Greg Jones has kindly offered to transport the team out to the Cooke Hockey Complex. Players are reminded to bring hockey gear to school on Monday and get changed at lunchtime. The bus will be departing from the Junior School car park at 3.30pm sharp! Mrs Deb Porter
Congratulations to Izac Chirgwin who was selected for the Under 13’s NSW Country State Representative team to play in the Indoor Cricket National Tournament which was held in Sydney/Liverpool during the holidays. Well done Izac!

**PEER SUPPORT**

During Peer Support this week the children will look at qualities their friends may have and the concept that we choose friends based on the qualities we admire in them. They will also explore the skills of friendship, specifically those of cooperating and listening. During the week encourage your child to show they are interested in the person they are talking to by being an active listener.

Seven riders from All Saints’ College competed in the equestrian discipline of Showjumping a few weeks ago held at the beautiful and historic Bathurst Showground in the annual State Titles.

Alice Woodlock competed in the Associates arena for 17-25 year olds; Maddy Harley, Catie and Libby Crampton in the 13 to under 15 years; Jakiya Whitfeld, Isabel Hamer and Ruby Woodlock in the under 13 years age groups.

One hundred and seventy riders ranging in ages from 10 to 25, their athletic mounts and willing support crews travelled from Queensland, Victoria and other parts of the state of NSW to battle it out for the ultimate prize of highest zone point score at this annual event. Each competitor had to ride four different courses over the week with those jumping clear or not knocking a pole riding seven rounds in total. Clear rounds were a rare occurrence as International Course Designer and Builder John Vallance tested each competitor’s skills to the limit with his technical layouts.

Despite this, the standard of showjumping was outstanding and over and above expectations with jumps rising in height to 1.3 metres in some arenas. Local identity Mr Wyatt “Bunty” Thompson, one of the first Australian eventing team members at the 1956 Olympic Games in Stockholm, as well as an inductee of the Equestrian Hall of Fame, was a guest presenter on the Sunday afternoon as well as our Deputy Mayor Ian North. Bunty is also Grandfather to Old Girls, Skye, Amy and Kate Loneragan, and Miliana and Olivia Thompson who attended Transition in the last 2 years.

Congratulations to our ASC students who performed extremely well taking home multiple ribbons across all age groups. Ruth Crampton

Dear parents

Kindergarten and Year 2 are running this year’s basket stall at the Spring Fair – and we need your help!

We are not sending home baskets – but ask that you please send in donations that we can use to create gift baskets.

Baskets will be grouped for sale in $5, $10, $20 and $35 categories.

What type of things should I send in?

Some ideas for baskets that we would like to make up are listed below. Of course, we also welcome your creative ideas and would very much appreciate anything you can send in.

It is also fine if you would prefer to put your items in your own basket and wrap with cellophane before you bring them in.

<td>Stationery</td>
</tr>
</tbody>
</table>

Where do I leave my goodies?

Please place your items in bags and bring them into the Kindergarten classroom.

When do you need them by?

You can start bringing things in as soon as you have them ready. We will be creating the baskets the week before Spring Fair so we do need them by Monday 9 September please.

Thank you for your help.
