From the Head of Junior School
Mr Chris Jackman

Driving and Parking on School Grounds
The safety of our students is our highest priority and I need the support of all parents and visitors when driving on the school grounds. On all parts of the school grounds the speed limit is 20 km/h. We also have allocated parking areas for the pick-up and delivery of children. Could everyone please ensure that they adhere to these rules in order to make the school grounds as safe as possible.

WAS Chess Tournament
On Thursday 8th August our chess teams will be travelling to Orange Anglican Grammar School to compete in the annual Western Associated Schools Chess Tournament. I wish them the best of luck.

Skins
There are a number of students wearing compression shorts (Skins) under their shorts for sports activities. It is acceptable for them to bring them to school in their bag and put them on for the activity/lesson but it is not appropriate for them to wear these garments all day as part of their school uniform.

Junior School Assemblies – Term 3
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Performing Arts Centre. Assemblies begin at 9.00am.

Important Dates for the Calendar
21/8/13 WAS Athletics Carnival
26-27/8/13 Year 5 and 6 Canberra Excursion
3/9/13 HICES Athletics Carnival
19/9/13 Benefactor’s Service
19/9/13 Last day of classes for Term 3

Trash & Treasure - Book Stalls
Don’t forget to have a good clean out of your cupboards and bring in your ‘treasures’ and books to be sold at the Spring Fair. All saleable items can be left on the verandah outside Warren Stocks, the Student Liaison Office. Just a small note for the Trash & Treasure. NO electrical items please.

PEER SUPPORT
‘Types of friends’ is the focus in Peer Support this week. Children will explore what encourages them to form friendships with different people. (common interests, admirable qualities etc). Through various activities children will identify that their friends can fall into the categories of ‘best friends’, ‘friends’ and ‘people we know’. Children will also discuss the fact that friendships can change over time for various reasons. Discuss with your child the different friends they have in their lives and how friendship may change. Some friends may be more important at different times in their lives.

We have had a Fabulous week in Pre Kinder! Our letter is ‘F’. We have had fun listening to the story of the ‘Rainbow Fish’ and making glittery, sparkly fish with Miss Ackary. We have also made pictures with the fuzzy felt and played fish games. We are very excited about our excursion to the Fire station! In our Number lessons we are learning about 2D lines. We thought of all sorts of lines we can draw! Straight, swirly, zig zag, spiral and wavy! We are continuing our ‘Healthy Little Ears’ program. Miss Ackary taught us a funny song about ears and helped us to blow our nose effectively. This will help us say goodbye to coughs and colds!! Please come and visit us in our rooms and see all the exciting things we are doing!
What is it to be rich?
Jesus said to them, “Take care! Be on your guard against all kinds of greed; for one’s life does not consist in the abundance of possessions.” (Luke 12:15, NRSV)

What is it to be rich? Is it money, property, cars, investments? Over the last thirty years or so our society has certainly pushed us in this direction. I can remember a time when television was without shows dedicated to money, home renovations, and buying and selling property. Now we have regular programs and even whole channels dedicated to these subjects. We are constantly encouraged to focus our working life on building wealth with the alluring promise that life will be better and we will all be happier.

But will be be happier?
On Tuesday night SBS re-ran their successful “Go back to where you came from” series from 2012. This show took a group of prominent Australians, both opponents and supporters of refugees, on a journey to Somalia and Afghanistan to learn first-hand what life was like for those seeking asylum in Australia. One scene involving radio ‘shock-jock’ Michael Smith clearly demonstrates that we don’t need wealth for happiness. Smith was astonished at the plight of a twenty-year-old Somali boy who had nothing; he had lost his entire family, had no possessions, and no home. Yet he was happy. His happiness in just being alive with the hope of a better future was abundantly evident. When asked what he wanted to be when he grew up his answer was “I just want to be able to write.” Jesus makes it clear to us that wealth doesn’t bring happiness on its own. His teaching also makes it clear that wealth is not a bad thing. This may sound contradictory, but Jesus tells us that it is what we do with our wealth that makes the difference. If we use our wealth to support others then we will find true happiness and fulfillment. If we keep it to ourselves then it will be a curse.

Challenging stuff… but that’s what Jesus is about.
God bless you,
Rev. Tony Card.

Thought for the week:
Jesus said, “For where your treasure is, there your heart will be also.” (Luke 12:34, NRSV)

ASC supports Anglicare
Over term two our Chapel Giving Program focused on supporting the Anglicare Winter Pantry Appeal. We
excellent defender along with Aria Maclean and Georgie Geyer. Megan Redpath was a fantastic centre she got the ball up to the GS and GA and defended the other team well. Sophie Porter caught the rebounds well and didn’t let the other team get the ball. The ball was her new best friend! Jorja Dickie got in front of the other team very well and held on to the ball tightly! Breanna Burgess gave people somewhere to pass to! She was also great at getting the ball to the shooters. It was a great game we all had a great time. The score was 8-16 very close game. Player of the match went to Charlotte Whittaker. Special thanks to Sophie Cant and Mrs Cant for coaching us, and to the parents for coming and cheering us on. Georgie Geyer

ASC All Stars
It was only week 2 after our three week break and the ASC All Stars had a great second game. This week we were versus Collegians Titanium and we managed to win with a final score of 18 to 7. It was a very close match but the girls played hard especially in the last quarter which gave us the lead. We had a fantastic line of defence with Emma and Sass working hard to save many goals. The centre court was strong this week with Isabel, Eliza and Madi intercepting many passes and moving quickly around the court. Our goal shooters also worked hard with Kate, Lauren and Isabella taking many tricky shots.

In the end Madi earned Player of the Week because she was working really hard to get the ball and she showed the coaches everything she had learnt on Wednesday at training. Well done Madi and the All Stars. Isabella Siegent

NETBALL REPORTS

What a beautiful day we had for netball on Saturday. It was a pleasure to be there and thank you to all the supporters. Congratulations to Megan Redpath who was chosen Player of the Match out of her team and the opposing team by the umpires of that game. Well done, Megan! I would also like to commend Kate Edwards for her great sportsmanship and generosity as a player in her game on Saturday. She is a totally committed player and very generous in the goal circle which gave a younger player the opportunity to score her first goal of the season. Well done to both girls, not only for your skills, but the wonderful manner in which you play the game and represent the school.

HOCKEY REPORTS

ASC Under 11s v St Pats White 27th July
The weather was nice and sunny and we warmed up with some practice before the game on turf one. We played St Pats Blue, and they were a very strong team. St Pats Blue have practiced a lot and were good at passing. Our team was very strong in defence and Darcie must have saved about ten goals. Matilda did great on the wing. Sami helped us with some on field coaching. A highlight was the run from Indy from half way. She ran all the way to score our goal. Though we lost 4/1 I think our defence was very strong and we should be proud of our effort. Claire was player of the week.

6 YEARS AUDIS
What a great day for a game of soccer! The sun was shining and the whole team was in great spirits. This week we played Collegians White. Even thought it was a very one sided game all team members kept their team spirits high. The last 10 minutes of the game was the highlight as all players took the field to play and have a giggle. Lachlan and Koby made some fantastic tackles and breaks. With the support of Wilson, Natalie and Evie the Audis managed to keep the Collegians on their toes. The medal this week went to Banjo for his excellent defensive play. A special mention must also go to Charlie Rendall who was our goal scorer on the day.

6 YEARS ALFAS
Well the sun was shining and yet again the Alfás had a healthy crowd on hand to cheer the boys on as they took on Collegians Yellow in what was a very entertaining game of soccer. Blake Van Yzendoom had his power boots on with some long clearing kicks getting the Alfás out of trouble. Jake Pezzuto and David Laniya cleaned up a lot of loose ball and as always turned their defence into attack. Blake Harris, Hayden Simm and Aston Hornery were all full of running with all boys finding their teammates with some accurate passing. This week David Laniya took out the coaches training award for his efforts at training which has shown on the playing field. Aston Hornery took out the player of the week award with an excellent running game. All the team hope Josh McNamara gets well soon and we see him back out the player of the week award with an excellent running game. All at training which has shown on the playing field. Aston Hornery took out the coaches training award for his efforts at training which has shown on the playing field. Aston Hornery took out the player of the week award with an excellent running game. All the team hope Josh McNamara gets well soon and we see him back on the field with his usual enthusiasm. Coach Trevor Simm

8 YEARS BENTLEYS
After missing a game last week due to the wet weather, the boys were extremely eager to play. The weather was beautiful, the field in good order and we had a fantastic game against the Churches who were very strong (especially in goal). Well done to all of the boys who had possibly their best game of the season so far. I was especially impressed with the players who were starting to call for the ball and passing to their team mates. A big congratulations to Oliver Roach who won Player of the Week for his endless running, numerous shots at goal and tireless hard work. A special mention must also go to Charlie Rendall who was our goal scorer on the day. Miss Hanigan

10 YEARS HUMMERS
In our first match back after the holidays the Hummers were on fire, dominating one of the better teams in the competition the Bathurst 75 Barnson Bullets. The final score of Hummers 6 Bullets 3 was a true reflection of the game. The Hummers were dominant for most of the time but the Bullets had some talented players who were hard to stop once they got a roll on. The defence of the Hummers in the second half was outstanding and was well supported with some excellent attacking play up front. The Player of the Match was awarded to Mitchell Nelson for his fantastic defensive play. A special mention was also made of Patrick Walker who displayed a great deal of courage as goalie.

Dear parents

Kindergarten and Year 2 are running this year’s basket stall at the Spring Fair – and we need your help!

We are not sending home baskets – but ask that you please send in donations that we can use to create gift baskets.

Baskets will be grouped for sale in $5, $10, $20 and $35 categories.

**What type of things should I send in?**

Some ideas for baskets that we would like to make up are listed below. Of course, we also welcome your creative ideas and would very much appreciate anything you can send in.

It is also fine if you would prefer to put your items in your own basket and wrap with cellophane before you bring them in.

**Where do I leave my goodies?**

Please place your items in bags and bring them into the Kindergarten classroom.

**When do you need them by?**

You can start bringing things in as soon as you have them ready. We will be creating the baskets the week before Spring Fair so we do need them by Monday 9 September please.

Thank you for your help.
