Grand Finals

Good luck to our Under 11 netball team who will play in their Grand Final this weekend.

Parking in the School

When picking up your child from After School Care parents are to park either in the Senior School car park or the Junior School car park. Parent should not drive in to the Junior School area next to the Infants classrooms as there are still children around the school at that time and this area is out of bounds to vehicles.

Junior School Assemblies – Term 4

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Performing Arts Centre. Assemblies begin at 9.00am.

Week 1
1. 19 October Year 5
2. 25 October Year 4
3. 1 November Year 3

BATHURST EISTEDDFOD - SPEECH & DRAMA

A big congratulations to all of the speech & drama students who performed over the past two weeks at the Bathurst Eisteddfod.

There were some terrific results across the board and all students were fantastic on stage.

A special mention goes to Toby Gough who won the 7/8 yrs pointscore trophy and Georgie Geyer who was awarded with the Val Malone Memorial trophy for excellence in all areas.

The children were all very well behaved and represented the school with pride.

Well done!  Kristie Thorne
Children in PK3 this week will be well and truly ready for a rest during the school holidays. They have been very interested in learning the names of the days of the week and have been using The Very Hungry Caterpillar to help.

Our Jolly Phonics sound this week is 'X' so we have explored some X-Ray pictures and had a go at painting an x-ray of our own hands. It was lovely to watch the children feeling all the bones in their hands, realising there were so many!

On Wednesday morning we stayed outside playing for a little longer as there was some beautiful co-operative play happening in the wet sand of the sandpit. The hill, moat and fences were built by many hands in both the pre-kindergarten classes and it was a wonderful example of the imagination of children.

We hope you all have a lovely break with your children and pray that you stay safe while travelling. The pre-kinder classes resume next term on Tuesday 15th September, we will see you then.

Regards, Mrs Jennifer Arnold
NETBALL REPORTS

Congratulations to the U12 All Stars who played a magnificent game in the finals last Saturday and will play in the Grand Final this Saturday. Please come along and cheer them on. Good Luck, All Stars!

ASC All Stars Report: Sept 24

Last Saturday saw the All Stars play a focused and determined game against Collegians. Our opposition scored the first goal but that was the only time all game they were in front. Sara and Emma played a really important game in the goal defence positions and seemed to have sticky fingers when scooping the ball from the opposition, helped by a slight height advantage over the other team. Lauren Cant was in Wing Defence and with no height advantage used her zippyness to play a strong game. Isabel helped out whenever the ball went her way and Kate, as always, worked hard and was a safe pair of hands. Lauren and Isabella got better and better as the game went on and made sure we made the Grand Final next Saturday. Go All Stars! Thanks to our coaches for helping us make it to the Grand Final.

6 YEARS AUDIS

For the last game of the season the ASC Audis took on Collegians White. They were a tough opponent being a whole age group older and nearly twice as tall as our little pocket rockets Evie and Natalie! Despite our disadvantage we managed to keep Collegians on their toes and out of their goal on many occasions thanks to the great effort in defence by Wilson. Koby and Banjo made numerous breaks to just miss the goal under the pressure of the other team’s defences. Great effort and passing skills boys! The ever present Natalie and Evie both played well also. Getting involved in the play at crucial times backing up the rest of their team.

6 YEARS ALFAS

Well the Alfas took to the pitch for the last game of the season against some classmates in the All Saints Beamers in what was a very entertaining match. All the boys were on deck for the match and all boys tried hard knowing that this was the last match for the season. Individually and as a team all the boys have improved and this was evident on Saturday. I would like to thank all the boys for their efforts both at training and on game day. To all the Mums, Dads and Family, thankyou for your encouragement to all the boys each and every week. Thanks for a great season and thanks to Woolworths for having a supply of snakes on hand each week.

Small Steps is an Anxiety Awareness Program that provides FREE presentations for primary school teachers and parents in NSW. It is funded by NSW Health with presenters from the mental health association of NSW. These presentations are run as an early intervention strategy to provide information across the community to increase awareness of anxiety.

Anxiety fast facts:

- An anxiety disorder affects one in ten children
- Anxiety impacts on a child’s social, family and school life
- Early intervention may assist in preventing the onset of more serious problems including depression and substance abuse in adolescence
- Children with anxiety are generally not disruptive in class or at home
- Anxiety disorders can be resolved with timely information, care, treatment and support

During October Bathurst is hosting a series of presentations for parents as well as one for teachers/professionals and a public forum for the community. All sessions are free.

Registrations are required; please contact relevant venue to secure your booking or call Annette at Centacare on 6331 8944 or Julie on 9339 6003 for more information.

Please see schedule below for session details in Bathurst.
