**Changes to All Saints’ College P&F**

The Head of College has issued an information letter to all All Saints’ College parents via email and the College Website regarding the changes to the All Saints’ College P&F.

If you have not received this email, please visit the college website:

Should you have any questions in regard to this letter, please do not hesitate to contact Dr Miller.
Pre-Kindy is always an exciting place to be especially, with eager, bright new students in new, fabulous-looking uniforms. (Mr Jackman - Fashion Designer... who would have thought?)

In Pre-K 2 we are starting the term with Nursery Rhymes and this week we have changed a few things around. Humpty Dumpty also ..."runs around playing hide and seek all through the town, but we can’t find Humpty Dumpty." When we do find him, we use our directional language to describe where he is hiding. We have a classical as well as the classic twinkle twinkle and many new songs as well.

We were detectives looking for circles around the room and watch out for the Japanese colour names that will start to come home. (A hint - red this week is aka.)

We all loved Library with Mrs Wells especially Patrick who even gets to take the library teacher home each night. And music with Ms Sargeant is fabulous. And this is why I have the ‘best job in the world.’

Thank you to Bill for making the wonderful tables for our Pre-Kindergarten children.

What a great way to start the year. Happy Birthday

Anna, Sieanna, Anneque and Fraser sort out shells and rocks displaying them in rows.

Tools were very popular this week

Alexia, Natalie, Sarah and Anneque had fun being horses and riders.

The tent was the place to be.
One of the exciting things about moving to a new town or starting a new job is getting to know the new community and to learn how it works, and, hopefully, how it comes together. I am doubly blessed coming to Saints' as Chaplain as I get to experience both aspects.

Living on campus is a lot like moving to a new town – or in this case a new village. It is a village that has suddenly had a major increase in population with the commencement of school. It is an exciting and vibrant village with activity of some sort all day.

I have been impressed by the way in which the school comes together as a community. It doesn’t matter if a child is in the Junior School or the Senior School, they are treated with love and respect by all students and staff. Today’s commencement service was also a wonderful example of the school coming together as one community, sharing our common unity. This is how we should live, working together to make a better place to share, helping those who are in need (I saw a great example of this at lunchtime today with a student getting lunch for another who was on crutches), and seeking to achieve a better outcome for all, regardless of our position. This is the life to which Jesus calls us, a life where we love each other as we love ourselves, and a life where our greatest success is measured not by our own achievements but by the achievements of the community to which we belong.

As I have been speaking with parents at Junior School information nights, I have been reminding them that as Chaplain I am not just here for the students but am chaplain to the entire school community. I am always willing to help any member of the community, student, staff, parent, or supporter with any spiritual matters. Please feel free to call or email me if I can help you.

May we continue to grow with the spirit of community burning within us.

God bless you, Rev. Tony Card.

Thought for the week: “In Christ’s family there can be no division into Jew and non-Jew, slave and free, male and female. Among us you are all equal. That is, we are all in a common relationship with Jesus Christ.” (Galatians 3:28, The Message)
It’s been a busy start to 2013 for the Equestrian Team with working bees, instructional clinics and fundraising all taking place in the past week.

The team is currently preparing for the upcoming season which kicks off with the Stannies Dressage Competition on the 17th February then followed by the Equestrian Australia State Interschool Championships.

A huge welcome to our newest team members, Molly Gorman (Year 11), Skye Ramsay (year 10), Maddison Harley (Year 7), Ruby Woodlock (Year 7), Georgia Butt (Year 7), Isabel Hamer (Year 6) and Indy Whitfeld (Year 5).

For a full report and photos of what we’ve been up to, check out the school website!!
