Term 4 begins!
Welcome back to all of our students and a very warm welcome to our new students. This week we have had Alexander Brown (Year 2), William Townsend (Year 3), Nicholas Fogo (Year 3), Angus Fogo (Year 4) join us in the Junior School.
I look forward to an action packed term beginning with our Year 6 Fun Day this Friday and the Year 5 and Outdoor Education Camp next week. On Friday 1st November we have our Cinema Under the Stars which is a wonderful community event for the Junior School that I encourage everyone to attend.

Welcome back everyone! We hope you have had a refreshing holiday and are ready for a busy term 4! It’s wonderful to see the children again and they are very excited to be back at school. This week we are exploring the phoneme ‘ch’. We have had fun making paper chains, drawing with chalk, cooking Chinese fried rice and using chopsticks! We have built some fabulous train tracks and sung songs about trains chuffing and chugging along.

We are very excited about the year 6 Fun Day on Friday! The children are looking forward to wearing their casual clothes and joining in lots of exciting activities!

Have a wonderful term everyone!
Operation Christmas Child a HUGE success!

It was wing mirrors only for rear vision as the Prado was packed tight from floor to roof to transport 213 Christmas boxes to the Sydney sorting centre over the holidays. Rev T & Mrs Card drove down and saw the workings of the sorting centre which had just packed a container with 10,000 boxes in their first week of operation for this year. The container was destined for Vietnam to bring joy and hope to children and their families.

Operation Christmas Child NSW State Manager, Craig Jennings, was on hand to help with the unloading and explained that they were hoping to process well over 100,000 boxes in Sydney this year. While we were there another car arrived with more boxes, helping OCC to get closer to this target.

Each box is carefully checked by a team of volunteers to make sure that there is nothing in the box that shouldn’t be there and that everything in the box is acceptable. Anything that can’t go is taken out and if anything else is needed to fill it up then it is added in. The boxes are then sealed, packed into cartons of 50 by age group and gender, and stored on pallets until the next container arrives.

Craig congratulated All Saints’ on a fantastic effort, which is estimated to see the number of boxes from Bathurst double from past years.

Well done everyone!

2BS/Bathurst Lions Club Christmas Miracle Appeal

As we continue to follow God’s command to show justice, love mercy and walk humbly with him, we will be concentrating or chapel giving this term on the Christmas Miracle Appeal. There are two ways that we can do this; first, by bringing in cash to chapel; second, by bring in items of non-perishable food that will make up the hampers. Please give as generously as you are able.

Get your animals blessed!

Some of you may have attended the Blessing of the Animals Service at the Cathedral over the holidays but I know that many were unable to do so due to holiday commitments, so we are holding a Blessing of the Animals Service at the College on Sunday 27th October from 5pm.

Animals of all shapes and sizes are welcome...along with their humans. Following the service there will be a BBQ which will operate by donation with the money going to the Bathurst RSPCA.

Please come along with your family and animals and share in this special event.

God bless you, Rev. Tony Card.

FREE two day workshop and information sessions for PARENTS/CARERS of school age students on the autism spectrum

Workshop: 2013NSWPC15  Location: Bathurst

The Positive Partnerships initiatives have been developed and delivered by Partnerships between Education and the Autism Community (PEAC) and funded by the Australian Government Department of Education, Employment and Workplace Relations through the Helping Children with Autism package.

What will you learn?
As a result of participating in the workshops and information sessions as parents/carers you will gain:
- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child’s participation at school
  - develop an awareness of ongoing learning needs
- information about your local school system’s processes
- opportunities to network and share strategies with other parents/carers and key community members
- opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families living with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.
