**CIS Swimming Carnival**
Good luck to our champion swimmers who will be representing HICES at the Combined Independent Schools (CIS) Swimming Carnival at Homebush on Wednesday 20th March.

**Year 3 and 4 Camp**
As I write this the Year 3 and 4 student are busy preparing for their annual camp at Lake Canobolas Scout Centre. I look forward to an enjoyable three days at camp and can’t wait for the damper around the campfire.

**Year 5 and 6 Visit Mt Piper Power Station**
Our Year 5 and 6 students travelled to Mt Piper Power Station, near Portland, on Monday 18th March and had a very informative tour of the facility. The massive scale of the turbines and buildings were a surprise for the children and there was a great deal of knowledge to gain from the experience.

**Junior School Assemblies**
All parents are welcome to attend.

**HEAD LICE**
We have had a reported case of Head Lice in the school. Could you check your child’s hair tonight and if the child has an infestation, please treat it before your child returns to school. **We request that girls shoulder length hair be tied back and that you also wash all bed linen, clothes, towels, combs, brushes and hair accessories and hats.** It is also necessary to vacuum floors, curtains etc, thoroughly. If we work together on this issue we can solve the problem.

Please also note that your child must be sent home if head lice are discovered.

By now, as you read this note, you will probably start scratching so it is advisable for the whole family to be treated as well.

Pre-Kinder 3 Day had an enjoyable nature walk on Monday afternoon. We saw many plants, cows and a sheep in the Agricultural Plot as well as the new chickens. Behind the Year 3 & 4 classrooms, we are well into our Jolly Phonics and THRASS Programs and have focused on the letter t as in tap and letter this week. One major highlight for the week was our Teddy Bear’s Picnic on Wednesday.

The children enjoyed incorporating their Teddy into the various activities in the classroom and having a furry companion in the playground. For music and movement, we did the ‘Twist’ and dramatised being on a train and visiting exciting lands. To help reinforce the sounds and the way each letter is formed, children have been drawing pictures and writing letters and words in their Sound Books at home. On Wednesday we also visited Mr Pike at the Japanese Centre.

We investigated the Japanese Dolls Festival display, pronounced the many colours in Japanese and learnt some simple Japanese greetings! On Friday, we will investigate colour brown (chairo in Japanese) and learn more about octagons. We thank all our specialist teachers for their interesting and stimulating lessons. A huge thanks goes to all the families that have contributed in some way towards All Saints’ College fundraising challenge in the Relay for Life last weekend. All Saints’ College has already exceeded our goal of $2500 and has raised over $2700. Donations are still welcome via the following website: relay.cancercouncil.com.au/2013/bathurst_district_2013/

Kind Regards, Deb Porter

Last weekend saw another jam packed two days of riding for the Equestrian Team.

Saturday saw visiting Equestrian Australia Coach, Charlie Brister work with the girls on their showjumping on Stiles Oval. The clinic was an invaluable preparation for Sunday’s Interschool Showjumping Competition at The Scots School.

It is fantastic to see the level of improvement in all the girls, especially the Junior Riders who through consistent training and development are all moving up the ranks safely.

Sunday’s event saw a program consisting of three separate Showjumping events over varying heights, starting at 45cm and working up to a metre, five.

All Saints’ fielded the largest team at the event with the girls riding some picture perfect rounds and gaining numerous placings throughout the day.

Special mention to Georgia Butt who won the 45cm Championship, Maddi Harley who was awarded Reserve Champion in the 85cm Classes and Team Captain Alice Woodlock was back on song, taking out the 85cm Championship.

The Equestrian Team would also like to congratulate Charlotte Trounson who competed in her first event, taking home a ribbon also. Well done Charlotte, it’s great to have you and ‘Wilbur’ on board!

“Blessed is the king who comes in the name of the Lord! Peace in heaven and glory to God.” (Luke 19:38, CEV).

Jesus is entering Jerusalem for the last time. The triumphant king riding on a donkey. The crowds have gathered, laying down palm fronds and their cloaks, the equivalent of the red carpet. They’re cheering Jesus on, welcoming him with all the pomp and pageantry that we would associate with a grand final winning footy team. Excitement reigns. It’s a huge spectacle.

Of course there are detractors. The leaders of the temple are there, always observing what is going on, feeling more and more threatened by the following that this lowly peasant is getting. He has challenged and criticised them for their rules and lack of care for the people and they don’t like it. They demand that Jesus tell his followers to be quiet, but he answers, “If they keep quiet, these stones will start shouting.”

God is reaching out to his people but not everyone is happy by this. Even the crowds who are welcoming him in triumph will turn on him within the week, shouting “Crucify him!”

Not much has changed really. God is still reaching out to us. He never gives up. That’s why we remember and celebrate Easter every year, because we all need to be reminded that God loves us and wants a relationship with us.

Why not accept his invitation?

God bless you,
Rev. Tony Card.

Thought for the week: Jesus said, “Listen! I am standing and knocking at your door. If you hear my voice and open the door, I will come in and we will eat together.” (Revelation 3:20, CEV)
