Junior School Cross Country Carnival

On Friday 4th April all students in the Junior School took part in the annual Inter-House Cross Country Carnival.

Congratulations to Esrom House for finishing the carnival on top with 523 points.

Well done to all of the students for putting in a huge effort on the day.

A huge congratulation must be extended to the Junior School students who attended the CIS swimming carnival last week at SOPAC. There were some fantastic results and I am very proud of each and every participant. All Saints’ had a great representation this year which demonstrates the talent we currently have amongst our student body. A further congratulations to Collette Lyons who is now a CIS representative. Collette has gained entry for the 9 Yrs 50m Freestyle event and will attend the NSWPSJA swimming championships next week. Collette has worked incredibly hard to get to this level. To be in the top three swimmers at NSWPSSA, where a lot of the finest swimmers in the state are participating, is an outstanding achievement! Congratulations Collette and we wish you the best of luck next week at NSWPSJA.

In each age group there are up to 30 competitors. Lauren Lyons 4th overall in 11 yrs 50m Freestyle, 7th overall 50m Breaststroke, 14th 50m Backstroke, 15th 50m Butterfly.

HEAD LICE

We have had a reported case of Head Lice in the school. Would you check your child’s hair tonight and if the child has an infestation, please treat it before your child returns to school. We request that girls shoulder length hair be tied back and that you also wash all bed linen, clothes, towels, combs, brushes and hair accessories and hats. It is also necessary to vacuum thoroughly. If we work together on this issue we can solve the problem. By now, as you read this note, you will probably start scratching so it is advisable for the whole family to be treated as well.

Asthma Management Plans

Students with Asthma or Anaphylaxis need to return the management plans that were sent home recently to the clinic ASAP.

If parents have been advised by the family doctor that an asthma action plan is not necessary could parents please email the clinic on sister@saints.nsw.edu.au to advise.
The Pre-Kinder children have had an extremely busy few weeks leading up to the holidays. We had a fun time dressing up as princesses or pirates last Wednesday and made our way around the BIG oval for the Cross Country race on Friday. This week we went to the library for the literature festival and met a real author, Nicki Greenberg. We enjoyed painting some egg-shaped paintings, dictated a descriptive story about our Easter collages and made some cute Easter cards. The children enjoyed sharing their Easter traditions and experiences with the class for news and visited the chapel for Christian studies with Father Tony. I value the opportunity to chat with parents at the parent teacher interviews. Jacinta and I are very impressed with their many achievements this term. We would like to thank parents for helping children with their sound books and various news presentations. We wish you a happy Easter and a safe and restful break and look forward to seeing you all next term.

Regards, Deb Porter

“The crowds that went ahead of him and that followed were shouting, ‘Hosanna to the Son of David! Blessed is the one who comes in the name of the Lord!’ Hosanna in the highest heaven!” (Matthew 21:9 NRSV)

The Christian Church enters its most important time of the year this weekend. Aptly called Holy Week, we begin by remembering the triumphal entry of Jesus into Jerusalem. In company with the disciples we journey with Jesus through the events of that week, building up to Jesus’ betrayal, crucifixion and resurrection. We see the jubilant crowd turn change their tune from ‘Hosanna’ to ‘Crucify’ in just a few short days.

We reflect on the crowd I am reminded of Jesus’ parable of the soils, where Jesus describes four types of soil and how they react to the seed. The seed that falls on the path is snatched up by the birds before it germinates. The seed that falls on the rocky ground sprouts and grows, but soon withers under the challenge of a tough existence. The seed falling on thorny ground also sprouts and grows but is choked out by the weeds. But the seed that falls on the good soil sprouts, grows, and produces an abundant crop. Like all of the parables of Jesus there is a metaphor for humankind. The seed is the Word of God, Jesus himself. The path is those who refuse to listen to the Good News. The rocky ground is those who respond positively at first but turn away when they encounter opposition to their beliefs. The thorny ground is those who respond positively but find the pressures and temptations of everyday life too much to refuse. The good soil is those who respond positively, grow in faith and spread the Good News.

The crowd can be categorised as the rocky ground. They have welcomed Jesus as their King. They are looking forward to a new tomorrow. But when he doesn’t deliver in the way that they want they turn on him. Their opportunity to be the good soil has passed.

The challenge that faced the crowd then faces us now, especially as we approach Easter. We have all heard about Jesus. We have heard what he has done. We have heard his claims. His seed has been planted in us - will we let it grow?

With all the blessings of Christ,
Rev. Tony Card.

Thought for the week: “Let anyone with ears listen!” (Matthew 13:43, NRSV)

Reminder - Whole School Easter Chapel.
Our Whole School Easter Chapel will be held in the Bickerdike Centre tomorrow, beginning at 10.20am. This will also conclude our collection for the Mark & Demanuel families as we assist them in their recovery from house fires in January. Parents and friends are welcome to attend.

HICES Netball

Last Thursday the 3rd of April, myself, Mr Jackman, Mrs Russell, Mrs Reynolds, Mrs Redpath and 8 eager Year 5 and 6 girls travelled to Hills Grammar at Kenthurst for the HICES Netball Tryouts. There were ten teams from nine different Independent schools with a total of more than one hundred girls trialling for a spot in the HICES team. All of our girls played brilliantly in their four Pool B Round Games and then had an outstanding performance in an extremely tough Semi-Final against the top team of the day from Pool A. Considering our 4.30am start and the hot and humid weather on the day, a score of 6-2 was exceptional. We were then able to cheer our team on five of our girls who were picked to play again in Possibles/Probables game. Taking into account that only thirty girls were selected to take the court again, this is an outstanding achievement. The girls are all to be commended on their fantastic sportsmanship and attitude on the day as well as their excellent display of netball skills. It was a pleasure to take them and they were wonderful ambassadors for ASC. I would also like to take this opportunity to thank Mr Jackman for driving the bus, as well as Mrs Russell, Mrs Reynolds and Mrs Redpath who were a wonderful support to the team on the day.

Hidden Gems Golf Day

The Sanfilippo Children’s Foundation was founded last year following the shock diagnosis of Isla (4) and Jude (2) Donnell—two siblings who BOTH tragically have the disease. Their mother, Megan Donnell (nee Maack) and aunt, Ingrid Maack, are organising a charity golf day in their hometown of Bathurst, to raise funds and awareness.

Sanfilippo is a serious, rare and fatal condition. There is currently no treatment or cure available to Sanfilippo children. Unless a cure is found soon, Isla and Jude are not expected to live past their teens.
