HICES Cross Country Carnival
On Wednesday 21st May our Junior School Cross-Country team will be travelling to Orange again but this time to participate in the Heads of Independent Co-Educational Schools (HICES) Carnival. The course will be run over the same track that the WAS Carnival was held on last week. Good luck runners!

Equestrian Showjumping Day
Last Sunday the ASC Equestrian Showjumping Day was held on Edgell Oval. It was fantastic to see so many Junior School students competing and enjoying the event. The Saturday evening before the event a ceremony took place at the back of the school to officially open the new equestrian facilities. I encourage everyone to go up and have a look at all of the work that has been done. It has significantly improved the quality and safety of the facilities for the horse riders.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9:00am.

Book Club is due by Friday 16th May. No late forms will be accepted. Thanks Lizzy Moller
This week Pre-K 5 have been exploring, including Hh, number 4, weather watching, and the virtue of consideration. We have experimented with lots of hand and finger painting. The detail and work put into their 3D houses are amazing and we had a special visit from Charlotte in PK2 with her very tame hen and 2 chicks. From that experience we read the Little Red Hen and also Brown Bread and Honey by Pamela Allen. Today we are making our own brown bread (from scratch) that we can spread independently with butter and honey (if we choose). We have made and flown helicopter on hills and the children have also been ‘caught’ doing special little acts of consideration for each other all week. We also had a special helper, Nick, who has been a big hit with the class. No wonder we are so happy!!!

We would like to yarn bomb our tree in the Pre-Kindergarten fairy garden. If you can knit, know someone who does or have wool to share please let us know.

We need the width to be between 40 or 50cm wide and in stripes of block colour between 5-20 rows high. 8 ply minimum preferred and in bright colours.

Please drop in any knitting before the end of Term 2 to Pre-K 5. It doesn’t matter if you have done 2 or 12 stripes. All knitting is appreciated and mistakes welcome.

Pre-Kindergarten would love to know if you are able to help.

FROM THE

Rev. Tony Card

"...in their joy they were disbelieving and still wondering..." (Luke 24:41, NRSV)

The Bible records four appearances of Jesus to his followers on the day of his resurrection; he appeared to Mary Magdalene near the tomb, to the two men on the Emmaus Road, to Simon, and to the gathered Disciples including the two who had run the seven miles back from Emmaus (Luke 24:36-49). We might reasonably think that they would be in no doubt that he had indeed risen as he said he would, but instead we find that they were still disbelieving and wondering if it was true. Perhaps it is because the news sounds too good to be true. We often have trouble believing the most joyful and surprising news, pinching ourselves to make sure we are not dreaming. I can only imagine what it would be like to wake up this Sunday to the news that I had won the $21 million Lotto jackpot. My mind would be swimming with the impact of this news; the opportunities it would bring, the challenges and relief, and ramifications of the change to my life. I can imagine that in my joy I would be disbelieving and still wondering. Could it really be true?

The news of the resurrection of Jesus was a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event. The world was no longer the same. Now there was hope, a history changing event.

The challenge today is to believe in the news of Jesus’ resurrection. If Jesus is alive, then nothing is the same any longer. I can imagine the Disciples were there at the time, so it is little wonder than we too can have difficulty understanding this all about. Just like the Disciples, we are called to trust Jesus, and to believe that this is true. And just like the Disciples we too will receive the promise of a new life with Jesus, driven by the power of the Holy Spirit.

With all the blessings of Christ, Rev. Tony Card.

Through for the week: “And see, I am sending upon you what my Father promised; so stay here in the city until you have been clothed with power from on high.” (Luke 24:49, NRSV)

HOCKEY REPORTS

FRIDAY MIXED HOCKEY TEAM - May 10

Despite having players missing due to being hurt, we had a very strong side. This was proven by our very strong attack. Many of our players scored goals and with strong defence managed to keep the other team scoreless. This week I think we worked well as a team and it was the teamwork that allowed us to win. It was also good that we have a number of players that we can use to substitute and give each person a rest when needed. We were very good at passing the ball and getting the ball to our best strikers. I want to thank all the team for their effort. Claire Pickard.

MINKEY HOCKEY

Last Saturday morning the 10th of May, the mighty Under 7 Kookas took on St. Pat’s in what was, for most of our players, their very first game of hockey. Besides learning how to play a real game of hockey, we also learnt how to run on, shake hands and give three cheers to our opposition. After much calling out from Miss Hanigan, towards the end of the game we had one player on the ball at a time (most of the time) ☺️ This is a huge achievement and all players should be very proud of their efforts. Although we were didn’t score a goal, both teams were winners on the day. Player of the Match went to Samuel for his incredible enthusiasm and teamwork that allowed us to win. It was also good that we have a number of players that we can use to substitute and give each person a rest when needed. We were very good at passing the ball and getting the ball to our best strikers. I want to thank all the team for their effort. Claire Pickard.

NSW CIS Hockey Representatives

Congratulations, Samantha Porter and Darcie Campbell for making the NSW Combined Independent Schools Hockey Team! Only 13 girls were selected for the team from a possible 52 players, Darcie being the only goalie selected from 6! Samantha and Darcie will head to the Macarthur Hockey Centre, Narellan on June, 16th to train and familiarise themselves with the newly formed team before playing in the NSW PSSA Carnival that runs from June, 17th to June, 19th. Best of luck girls!

Game Reports : Saturday, May 10

ASC Seahorses

What a fantastic effort for the first game of the season! The Seahorses played an awesome game of defence against Bulldogs Sparkles. Charlee and new comers Milla and Shanlei defended brilliantly and showed great passing skills amongst each other keeping the ball from the Bulldogs Sparkles goal circle. Lottie, also a new comer, was ever so keen and played fantastically. Zoe, Olivia and Mayaan waited ready and enthused for the ball at our goal end. It was a great start to the season and the girls have shown us what a fun game is all about. Can’t wait until next weeks game!

Charlee Theobald

ASC Stingrays

We were all very happy that the rain held off for our first game of netball this season against the Collegians Magic. The first quarter saw the ball moving very quickly from one end of the court to the other. We went very close to scoring in the first quarter with some great play by Sophie, Breahna, Phoebe and Jorja. The second quarter saw the Magic scoring lots of goals. Our defensive players, Georgie, Kate and Rhiannon worked at 120% to try & stop them from scoring.

After half time our defence, Collette, Breahna & Rhiannon had to work very hard again as the Magic continued to score goals. The last quarter saw us with some more possession, and with some great play by our attacking players, Kate, Sophie and Lucy, Georgie scored our first goal. On the scoreboard we lost the game but we all had fun and it was good to play a great friendly game with the Magic. Our player of the week was Sophie. Congratulations Sophie and well done to everyone.

Jorja Dickie

ASC Prawns

The U12 ASC Prawns had a fantastic start to the season with a 17-3 win against the Collegian Little G G’s. Charlotte showed great versatility playing in defence, shooting and centre court positions. Gena proved that after a year off netball she can still shoot amazingly. Lauren’s shooting was super as she popped one in after another. Kate D and Megan made some great breaks in the centre court and moved the ball quickly to our shooters. Sara got many intercepts as she played excellently in defence. Eliza played fantastically in both defence and centre. Kate M played great in centre court and enjoyed playing shooter for a change. Thanks to our amazing coaches for their work and lollies!!!

UNDER 6 MARTIANS

The Under 6’s All Saints Martians had a brilliant first game for the 2014 season. All team members worked well together scoring many goals. Our player of the week is Callum Munns who scored goals and skillfully defended many goals as well.

UNDER 9 ASTEROIDS

The Under 9 Asteroids had a great start to the season in a tight game with Bathurst 75s Dodgers. The boys all played very well throughout the tough match. Congratulations to our Player of the Week, Noah Siede for his outstanding goalkeeping. Thank you to Charlie Rendall and Noah Newman from the Under 8s side for helping us out.

UNDER 11 SOCCER

After having the first round of soccer cancelled due to poor weather, the Under 11 teams began their season with a match against each other. The Rockets started strongly with two quick goals but the Galaxy came back with some fantastic team play making the score 2 all at half time. All of the players put in a massive effort and displayed a great deal of sportsmanship towards one another. The final score of Rockets 3 to Galaxy 2 is a good indication of how close the context really was. I look forward to seeing the teams progress with their soccer skills over the season. Chris Jackman

May is National Family Reading Month.

Have your days of reading with your children been and gone? There are many reasons why family reading is a time to be encouraged in every home, no matter how old your “child” is.

Number one on the list is uninterrupted family time. Set aside some time to be with your kids without distractions and establish a family tradition you can all enjoy. Family reading time also provides families with shared experiences and can even provide teaching moments for topics that can be difficult to discuss. Of course reading together will also promote vocabulary, punctuation and a love of life-long learning!

Why not try some of these ideas?

- Turn off the TV, computers, and all other electronic devices and everyone grab a book for some silent reading time together (maybe even with some tempting snacks!).
- Family Book Groups can include both parents and older kids or teens; it can also include extended family members. It’s a fantastic way to connect with grandparents.
- Make a book-and-film club. Find classic books that have been made into films; read the book first, then watch the movie together (served with plenty of popcorn!).
- Don’t limit reading aloud to younger children, even teens can love being read to. Add whatever embellishments you’d like a warm beverage, a specific setting and lots of cuddling, to ensure a prominent place in your child’s memory.
- Revisit characters you loved as a child. Reading these books to your own children will offer as much enjoyment to you as to them.

Showjumping Day

a huge success

The Equestrian Group would like to thank everyone involved in last Sunday’s Showjumping Day. A great turn out saw our team members competing over all age groups and levels with special mention to the following riders.

- Claudia Cunningham: Reserve Champion 45cm
- Megan Redpath: Champion 60cm
- Catie Crampston: Champion 75cm
- Ruby Woodlock: Reserve Champion 75cm, Reserve Champion 90cm
- Teagan Miller: Champion 90cm
- Madi Harley: Reserve Champion 1.05m
- Maddi Sinderberry: Reserve Champion 1.15m

With over 70 students representing schools around the Central West, to have one of our team members take our Champion or Reserve rider over every grade is a testament to the quality and dedication of our riders. A fantastic result!

Check out the school website for a full report and photo’s.

The girls are currently preparing for the upcoming Coona Expo and the State Interschool Championships and are excited to host Olympic Gold Medallist Stuart Tinney & Dressage Specialist Megan Joerg for a training clinic next week. Keep an eye out for the girls being put through their paces on Stiles Oval next Wednesday and Thursday. Nicole Stockman

The Positive Partnerships initiatives have been developed and delivered by Partnerships between Education and the Autism Community (PEAC) and funded by the Australian Government Department of Education, through the Helping Children with Autism package.

What will you learn?
As a result of participating in the workshops and information sessions as parents/carers you will gain:

- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child’s participation at school
  - develop an awareness of ongoing learning needs
- information about your local school system’s processes
- opportunities to network and share strategies with other parents/carers and key community members
- opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families living with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.
