This week we have rugged up and braved the cold mornings only to be rewarded with beautiful warm sunny days. Our class work has been associated with the letter 'r', the number 5 as well as decorating our elephant masks to wear for simultaneous story time at Bathurst City Library. Mrs Rivett and I were very impressed with the children on their very first excursion! In Mathematics we will be completing hands-on activities to help children to identify, name and write the number 5. We have learnt about responsibility in the stories, 'Shutting the Chooks in' by Libby Gleeson and 'Milly, Molly and Taffy Bogle' by Gill Pittar. Responsibility is also our news topic for the week. It has been interesting hearing about each child's responsibilities. I look forward to seeing Pre-Kinder 3 bright and early on Friday morning for our class photo.

Kind Regards, Deb Porter
FROM THE CHAPLAIN
Rev. Tony Card

Thomas said to the disciples, ‘Unless I see the mark of the nails in his hands, and put my finger in the mark of the nails and my hand in his side, I will not believe.’ (John 20:25, NRSV)

We have to feel for Thomas. One comment and he is known forever as “Doubting Thomas”. Many even apply the term to anyone who doubts anything that they see as the truth. Thomas expressed the same feelings that the other disciples had. This news that Jesus was alive was too fantastic, too good to be true, it was unbelievable. Thomas, like many still today, required proof that Jesus was alive.

Doubt is a normal feeling for us and one that we shouldn’t be afraid or ashamed of. When something is too good or too bad our first reaction is to disbelieve. It is only when we see the proof that we believe. This proof can come to us in many different ways. It may be that we are a witness to the event and so believe because we, like Thomas eventually did, have seen it with our own eyes. It may be that we hear from a witness and so believe. It may be that we are told by someone that we can trust that the event occurred and so we feel comfortable to believe.

When it comes to Jesus we obviously can’t take the perspective of a witness as none of us were there. But we do have the account of witnesses recorded inside and outside the Bible. We also have people we can trust who can testify to the living Christ. Luke’s Gospel is written by one who was essentially an investigative journalist, not someone who had a vested interest in perpetuating a myth. We have countless numbers of people who can testify to changes in their life through an encounter or their relationship with Jesus.

The proof is there if we want to accept it. We don’t have to doubt.

With all the blessings of Christ, Rev. Tony Card.

Thought for the week: Jesus said to him, ‘Have you believed because you have seen me? Blessed are those who have not seen and yet have come to believe.’ (John 20:29, NRSV)

HOCKEY REPORTS

Minkey Hockey Report Saturday 17th May 2014

What a beautiful morning for hockey it was when, the Under 7 Kookas played against a very strong South’s team. I was very impressed by our improvement since last week. We rarely had more than one player on the ball, and we pushed some great balls out to our wings. Player of the Match went to Aston for his outstanding defence. I would also like to mention Harry who was his partner in protection. They did an amazing job at the back. Once again, thank you to our loyal supporters. I look forward to our game next Saturday where we will have to dig deep, being short 3 players. Well done to the Under 9 Kangas, who all had a fantastic game against Pats. A special mention must go to Sarah and Ava, who were great all round players. As well as Mia, who was a superstar in defence, always getting back to protect the ball. Sophie also deserves to be congratulated on a great first game ever! Well done to Fergus who received Player of the Match. Sophie Hanigan, (Coach Under 7s Kookas)

U13s Mixed Captains Report

On Friday night unfortunately we went down with a loss to St Pats. CRVs 4-1 but when they scored the first goal no one in the team gave up and I was very proud of them. Some players, new to the game of hockey are learning that if they put both hands on their stick they have more strength and control. We had a great defence line and were unlucky to let a goal in past our STAR goalie, Fintan. The goal was scored by Grace Schumacher, who was also awarded player of the week. The Under 11 Galaxy also deserves to be congratulated on a great first game ever! Well done to Harry who was his partner in protection. They did an amazing job at the back. Once again, thank you to our loyal supporters. I look forward to our game next Saturday where we will have to dig deep, being short 3 players. UNDER 9 ASTEROIDS

The Under 9 Asteroids had another great game last weekend, defeating Bathurst 75 Ninjas 4-1. All of the boys played very well and are really trying hard to play as a team. Congratulations to Player of the Week, Toby Gough for his fearless efforts in goals. Thank you to Noah Newman and Ollie Roach from the Under 8s side for playing for us.

UNDER 8 METEORITES

This proved to be another exciting game by the ASC Meteorites with another excellent victory. The team are starting to pass well and support each other in both attack and defence. The Medal of Honour was won by Charlie Rendall who scored thrilling goals and inspired the team with his impressive general play. Congratulations Charlie and well-done all Meteorites. Mr Hines

ASC Seahorses
Wow...weren't the girls great. Whilst we may not have won I believe that there were a few things that were outstanding, firstly sportsmanship and secondly teamwork....Maayan’s skills have increased tenfold, she was in there and attacking the ball. Luckily Shanlei did not take a big tumble like last week, but, in Wing Attack she was awesome. Milla was like a little dynamo in all the positions she played, zipping here and zipping there. Charlotte J played her first game for the year and was awesome. Milla was like a little dynamo in all the positions she played, zipping here and zipping there. Charlotte J played her first game for the year and was awesome. Haha, Jorja, Lauren, Hannah, Collette, Kate, Phoebe, Sophie. In spirit our other valued team members: Georgie, Lucy and Rhiannon. Support Staff: Orange girl- Chontelle Burgess and all the parents and friends. Congratulations Stingrays! Player of the game went to Jorja Dickie.

ASC Stingrays
ASC Stingrays floated out onto the court looking confident to play the Mermaids, a battle of oceanic proportions was about to take place. A healthy crowd of ASC army onlookers consisting of parents and friends had gathered for the viewing pleasure of a lifetime. The Stingrays played as one, the fluency and regularity of their attacking tyrades on the Mermaids goal was comparible to, and as constant as waves rolling in and crashing on the shore of a deserted beach. The Mermaids had no answers to our ASC Stingrays, the girls played for one another, they played with purpose. The passing game was quick and direct from one end of the court to the other allowing our bulls-ar (cross between bullseye and radar) GA and GS throughout the game to have many and successful shots. The skill level shown by all Stingrays left the crowd in awe, there was much ahhhh-ing and awwwwww-ing and applause as the girls threw lob passes, bounce passes, direct passes. In defence....we had never seen such grittiness and guts shown as we did this day. They were almost on impenitrable fortress, a rock conceding only one goal all game while scoring a multitude. Whispers from the sideline were comparing this team to our great national team the Aussie Diamonds and rightly so, they were bright, clear and sparkled in the morning sun like the little gems they are. Our SMASHIN and DASHING STINGRAYS: Coaches- Jen Dickie & Liz Moller. Team- Cap: Breahna, Jorja, Lauren, Hannah, Collette, Kate, Phoebe, Sophie. In spirit our other valued team members: Georgie, Lucy and Rhiannon. Support Staff: Orange girl-Chontelle Burgess and all the parents and friends. Congratulations Stingrays! Player of the game went to Jorja Dickie.

ASC Prawns
ASC Prawns vs Collegians Diamonds
It was a cold and sunny morning when we arrived at the netball courts. We were all ready to go and play our best. In GA and GS Gena was amazing. She shot lots of great goals. Lauren played fabulously in GA, GA, GK and GD. In WA and WD Kate and Sophie Porter played a super game and it was great to have Sophie play up with us. I also had a good game in GA, WA and GD. Sass was awesome in GD and GK and stopped lots of goals. Eliza also was terrific in GK, GD and C. Lauren received player of the week because of her fantastic netball skills. Sadly we lost 8-11 but we all tried our best and had a great time.

May is National Family Reading Month. Have your days of reading with your children been and gone? There are many reasons why family reading is a time to be encouraged in every home, no matter how old your “child” is.

Number one on the list is uninterrupted family time. Set aside some time to be with your kids without distractions and establish a family tradition you can all enjoy. Family reading time also provides families with shared experiences and can even provide teaching moments for topics that can be difficult to discuss. Of course reading together will also promote vocabulary, punctuation and a love of life-long learning!

Why not try some of these ideas?

- Turn off the TV, computers, and all other electronic devices and everyone grab a book for some silent reading time together (maybe even with some tempting snacks!).
- Family Book Groups can include both parents and older kids or teens; it can also include extended family members. It’s a fantastic way to connect with grandparents.
- Make a book-and-film club. Find classic books that have been made into films; read the book first, then watch the movie together (served with plenty of popcorn!).
- Don’t limit reading aloud to younger children, even teens can love being read to. Add whatever embellishments you’d like a warm beverage, a specific setting and lots of cuddling, to ensure a prominent place in your child’s memory.
- Revisit characters you loved as a child. Reading these books to your own children will offer as much enjoyment to you as to them.
Join WIRES and make a REAL difference in YOUR local environment.
