DONATIONS OF CAKES AND SLICES
In Pre-Kindergarten this week we are continuing our theme of relationships and sharing how we care for our pets. We have been making our own pet rocks as well (that don’t take as much care). While learning about the letter Mm and number 6, we have been making monsters from the outline of our name and from blob paintings. We have been playing dice games and counting on up to 6 each roll. Our magnificent clothes shop has been popular all week. The ‘shoppers’ are loving their new looks and have the dancing moves to prove it. We also loved making muffins and milkshakes. Mmmmm!

FROM THE CHAPLAIN
Rev. Tony Card

Jesus said to them, ‘Come and have breakfast.’ (John 21:12, NRSV)

We continue looking at the post-resurrection appearances of Jesus, this week in John 21:1-14.

Jesus had told the disciples to meet him in Galilee. While they waited for him, Peter and the other disciples got into a boat and off they went. They spend the whole night fishing yet caught nothing.

Have you ever tried to do anything apart from Jesus, in your own strength? It often turns out to be a disaster. Peter and the disciples were learning a valuable lesson. They couldn’t do anything without Jesus. Earlier in John’s gospel, when speaking about himself as the true vine, Jesus said, “apart from me you can do nothing” (John 15:5). How true that is. We need Jesus’ help and blessing upon everything we do for it to go just right. When we don’t include Jesus, or ask Him if a decision we make is okay then things often don’t run smoothly. The disciples learnt the hard way that without Jesus we can do nothing, however we can do all things through Christ.

After the disciples had fished all night and caught nothing Jesus knew they had a need; they had no food. Jesus met their need and told them where they would catch fish. The disciples had tried all night to accomplish things on their own but as soon as they had Jesus’ word they had success. We too can try to accomplish things in our own power but we will never know true success until we are doing what Jesus wants us to do. We can do all things through Christ.

Another interesting aspect of this story is that they were doing what they knew best. Peter had been a fisherman his entire life, so he should have been an expert. How difficult it must have been for him to take instruction from an amateur when he is an expert? Sometimes our pride gets in the way of the things God wants to do in our lives. But for us to really learn valuable spiritual lessons we need to experience humility.

Jesus showed that despite their lack of faith he still accepted the disciples by asking them to eat with him. He was ready to forgive them and include them in his ministry. Even though we may turn away or ignore him, Jesus is always ready and willing to take us back and include us in his plans.

We need to trust God’s word and know that what he says is going to happen will indeed happen. When Jesus asks us to do something we need to be confident that he will give us whatever we need to do it. We can do all things through Christ.

With all the blessings of Christ, Rev. Tony Card.

Thought for the week: “For I can do everything through Christ, who gives me strength…” (Philippians 4:13, NLT)

HOECKEY REPORTS

Minkey Hockey Report Saturday, 24th May 2014

Saturday saw another beautiful morning of hockey for the Kookas and Kangs Minkey Hockey teams. The Kookas played a different Souths team and did a great job (especially considering we were down a few players). I was very pleased with our one player on the ball as well as our ability to keep the ball on our stick when dribbling. Player of the Match went to Sian for her fantastic attitude and great short bursts of play down the sideline. I would like to once again mention Harry and Aston who continue to do a wonderful job in defence. Well done also to Lily, who had her first ever game of hockey. What a champion!!!

The Under 9 Kangs once again had a fantastic game against Souths. Charlotte, Dakota and Ava made some great tackles while Fergus showed wonderful ball control. The whole team must be commended on using the skills that they have been practising in training. Well done to Nick who received Player of the Match for his outstanding sportsmanship, congratulating the opposition when they scored. The rest of the team followed his lead and should feel proud about the great way that they represent ASC every Saturday. Sophie Hanigan

Captain’s Report Friday, 23rd May 2014

On Friday 23rd of May All Saints’ 13’s Mixed team faced St Pats Vitaras. Unfortunately All Saints’ were defeated 9-2 but over all played a very good game. Congratulations to Grace Schumacher and Nicholas Anderson on scoring two amazing goals between them. Another congratulations to Isaac Chirgwin for stepping up to goalkeeper in Fintan Sinclair’s absence. Well done Grace Schumacher and Isaac Chirgwin for receiving players player. Thank you to all players, coaches and parents. Samantha Porter

Saturday’s game saw us up against a very strong St Pats Blue side. The game was very physical, and the ice bucket was emptied through the many injuries suffered by both sides. Although we eventually went down 5-0, the girls didn’t give up until the hooter sounded. Everyone showed a great spirit and work ethic. It was a very fast paced game with a few near misses and some great penetrating runs and positioning from Jakiya, Grace, Ailee and Rachael. In the midfield, Sami, Georgia, Portia, Indi and Claire did their best to find goalkeeper in Fintan Sinclair’s absence. Well done Grace Schumacher and Isaac Chirgwin for receiving players player. Thank you to all players, coaches and parents. Samantha Porter

UNDER 6 ECLIPSE

ASC team Eclipse members are James, Abbey, Riley, Evie, Leo and Andie and we have had a great start to the season, enjoying every game we have had so far. Week 1 was sadly a wash out however, Week 2 resulted in Evie being awarded Player of the Week and Week 3 was James. Last week was Leo and very special thanks to Callum and Banjo from the other Under 6 teams who played on our team for part of the game to make up numbers. See you all at the next game! UNDER 8 METEORITES
Another excellent game played by the Meteorites last Saturday with a thrilling 3:1 victory. Once again the team showed pleasing skill development. There were numerous shots a goal and all players contributed to this pleasing display of tackling and passing. The Medal of Honour was awarded to Jackson this week. He had a strong forward game placing the team in a strong position to score the winning goals. Well done Jackson and all members of the team.

HICES Cross-Country report 2014
The HICES Cross-Country carnival was a fantastic event. Orange was blessed with beautiful weather and the 41 members of our team were as keen and determined as ever to perform their very best around a very well groomed track. As a result of last year’s success in Division 2, All Saints’ this year were promoted to Division 1. A tough ask against much larger schools than ours, but a great challenge for our runners. Did the All Saints’ team handle their promotion? Of course they did! By the end of the day we walked away with the percentage shield, and amazingly All Saints’ placed 3rd overall in the aggregate point score. This is an admirable team effort, every runner contributed to this outstanding result.

This year 8 of our students will be representing HICES at the CIS carnival on the 12th of June. We also had a number of students narrowly missing out on selection, just placing outside the top ten, they are on the reserve list awaiting a call. We can’t all be in the top ten, but should feel pleased to be involved in such a great day of healthy competition representing the school.

Congratulations to our two cross-country captains Ben Cant and Indiana Whitfeld who encouraged and led the team at both the WAS and HICES carnivals, they are both fine runners and terrific role models for the younger members in the team.

Good luck to the following students who will be representing HICES at the CIS carnival on the 12th of June at Eastern Creek.

NETBALL REPORTS
ASC Stingrays

The stingrays were ready and enthusiastic to start the game. We chose to have first centre and we used it very well. The shooters, Lauren, Lucy, Rhiannon and Hannah were accurate and worked well as a team. They were fabulous. They ran down the court to intercept the ball so that they could score for the Stingrays. The sporty centre court players Sophie, Collette and Breehna were eager for the ball and kept possession for the Stingrays. After half time it was 9-0 which everyone was happy about. Our defence players, Phoebe and Jorja played a significant role with lots of intercepts. The final score was 11-0 to the Stingrays. At the end there were lots of cheers and screams from the sideline and the players. We all worked so well as a team and we couldn’t have done it without our kind, friendly coaches Jenny and Lizzie. Congratulations Collette for receiving the Player of the Week medal. We will welcome Georgie and Kate back next week after their rostered week off.

ASC Prawns

On Saturday 24th May, the All Saints Prawns won a convincing match against the Out-of-Touch Eagles with a score of 16-8. The prawns worked fantastically together intercepting and attacking the ball when passes were tough to control. Well done to Megan Redpath and Kate Dowd who worked amazingly in centre and wing-defence, constantly getting into the perfect positions for people to pass to them. Fantastic shooting, Gena and Lauren, you were getting the goals in before the other team even knew you had the ball. Sara played a great game in goal keeper and goal defence, catching the ball when the passing was difficult to intercept and passing it to another team member quickly. Amazing playing, Charlotte and Kate in wing-attack and wing-defence zipping around the court looking to help in so many ways, you played a massive part in our success in the match. Congratulations to Lauren for winning player of the match. I hope we can play as well in the next match.
