The Inter-House Athletics Carnival will begin at 9.00am on Friday 6th June. All parents are welcome to come and support their children.

**Semester One Reports**

A comprehensive written report will be mailed home in the last week of this term. There will be Parent/Teacher Interviews early in Term 3 which provide an opportunity for parents to discuss their child’s progress.

**CWA Public Speaking**

Congratulations to Justin Settree (Year 3) and Jonah Siede (Year 5) for winning their section at the CWA Public Speaking Competition last week held at All Saints’ College. At last week’s assembly both boys presented Dr Miller with a book for the school library that they received as a prize.

**Junior School Assemblies**

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

**Student Medical Information**

Parents will soon receive a letter regarding a new medical information system called CareMonkey. CareMonkey is an electronic system that allows parents to securely provide excursion medical and contact information directly to teachers. The system is accessed using your computer or a free app on your tablet or smartphone. You simply log in and complete the electronic medical form. Once the system is rolled out you will receive excursion and camp permission notes electronically via the CareMonkey. Students will be able to respond to the requests with the push of a button. No more filling out excursion medical forms!!! The only exceptions to this will be the Lands Edge camps in Years 7, 8, and 9 as they are outsourced to an external provider. Please don’t hesitate to contact Felicity Brown or Kerryl Tobin in the clinic or Felicity Challita in Dr Miller’s office if you have any questions. We will be in touch with more information shortly.

**Minkey Hockey Photos**

Just a reminder that the Minkey Hockey team photos are next Wednesday the 11th of June. The photos will be taken near the old flagpole from 3.30pm. We will then have our training session as normal. Players are to wear their white sports polo shirt, blue school sports shorts and long navy and red school sports socks.

**Milkshakes and Dinosaurs in PK 2**

We have been using all our senses to learn about our phonemes over the last few weeks. Making milkshakes using marshmallows, making a mess and listening to music. What a marvellous time we have had. The children have been very busy with their writing and love having Miss Tamara Mitchell our Prac student from CSU to do their Maths scrapbooks with. This week we have been learning the letter “D” with Dragons, Dinosaur Digs and Dolphins. The children were very clever learning how Dolphins “talk” and what a scientist who studies dinosaurs is called-Palaeontologist. Whilst the term is short it is packed with fun and learning. We are looking forward to our next town Library visit on the 12th.

FROM THE CHAPLAIN
Rev. Tony Card

“All of them were filled with the Holy Spirit.” (Acts 2:4, NRSV)

This Sunday is the day of Pentecost. It will be celebrated around the world as the day that the Holy Spirit came and gave birth to what we now call the Church. We read about this in the Book of Acts, chapter 2. So what is the Holy Spirit?

The real questions is not ‘what’ but ‘who’. The Holy Spirit is God. The Holy Spirit is not a divine influence, a fleecy white cloud, a ghost, or a concept. He is a person possessing a will, intellect, and emotions. He is God -- with all the attributes of deity. He is the third person of the Trinity -- co-equal with God the Father and God the Son. The Holy Spirit has always existed. The opening verse of Genesis tells us that ‘the Spirit of God was hovering over the waters.’ It was the Holy Spirit who inspired the writers of the Scriptures. We often read in the Old Testament that the Holy Spirit rested on selected men and women who were chosen for a special purpose in God’s great plan of salvation.

The coming of the Holy Spirit on the day of Pentecost began a new chapter in the relationship between God and his people. Rather than being available to a select few the Holy Spirit was now available to everyone who recognised and accepted Jesus Christ as Lord and Saviour. The Holy Spirit gives us insight as we read the Bible, opening up our hearts and minds to its truth. The Holy Spirit gives us wisdom as we make decisions in our daily lives. The Holy Spirit gives us the strength and courage we need to live the life to which we have been called.

The Apostle Paul talks of the fruit of the Spirit; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. When we are walking with God, in relationship with Jesus, and with the Holy Spirit living within us we will show these attributes. Others will see the Holy Spirit at work in us.

Many churches will celebrate the coming of the Holy Spirit in a special way this Sunday. Why not go along and see what the Spirit will do with you? If you can’t make it to church on Sunday then please feel free to join the College community as we celebrate Pentecost with a whole school chapel in the Bickerdike from 10.20am. With all the blessings of Christ, Rev. Tony Card.

Thought for the week: “Those who accepted his message were baptized, and about three thousand were added to their number that day.” (Acts 2:41, NRSV)

**HOCKEY REPORTS**

Minkey Hockey Report Saturday 31st May 2014

Saturday saw another great day of hockey for the Kookas and Kangas Minkey Hockey teams. The Kookas played two Pat’s teams and did a wonderful job against far more experienced players. I was once again very pleased with our one player on the ball (despite the other team having about six) and our free hits, which have been mostly going out to the wing. Player of the Match went to Lily for her enthusiasm and ability to constantly ensure that she was in the thick of all the action.

The Under 9 Kangas had yet another great game. Mia and Fergus were wonderful in defence whilst Sarah, Ava and Nick showed terrific skills in attack. Player of the Match went to Sophie for her fantastic improvement all round.

Friday Night Hockey 30th May 2014

This week we were short some of our key players. We came up against St Pats Imprezzas that included Chris McEwen and goalie, Darcie Campbell. We began with 9 players while Pats had 6. We started well with some good defence and counter attack but Pats managed to score.

We soon hit back with a great goal from Nick Anderson after making a break through the Pats defence. We were then in a deadlock with no team scoring again before half time. After half time, our defence slackened slightly and we conceded 2 more goals making the score 3-1. Then, we managed to stop the flow of goals with some great saves by goalkeeper, Fintan Sinclair. Pats managed to score again making the final score 4-1. Congratulations to Fintan for having a great game and getting player of the match.

Jock Sutton

ASC U 13’s VS St Pats White.

On Saturday 31st of May ASC ran out on the field determined to give it our all in the absence of Jakiya and Grace. The first half was action packed with Samantha and Ailee doing a great job to attack and to get back and defend when needed. Claire and Matilda our superstar wings were always in a great position ready to trap the super amazing hits from Lucy and Rachel and take the ball down the line, Indi and Georgia were speedy to travel the ball down the other end with Ella and Natalia there for help. Darcie and Portia stopped some hard balls and in the end it was Ailee scoring the goal and sealing the win for saints 1-0.

Ella Hobbs.

Enjoy your Long Weekend!

**Soccer Draw for Saturday 7th June 2014**

There is no soccer on the long weekend.

**UNDER 6 STARS**

On a cool but clear morning, the U6 Stars were hot to go. With an early goal to Mia, we were excited and pumped. But with an equally eager and tough opposition we were forced to defend well too. There were amazing sliding saves from Kosema and Oscar showed great dribbling skills. Eliza was on the ball and keen to get involved as was Rose who has the biggest smile and followed the ball all over the park - be it at a distance. Mia displayed some trick back-passes and showed great control all over the park but the Player of the Week went to Lachie who made space when his team mates had the ball, showed great concentration when dribbling and passed the ball well. Well done *Super Stars*. Sally Parsons

**UNDER 9 ASTEROIDS**

The Under 9 Asteroids had a very close game with Collegians on Saturday. All of the boys tried very hard and played their best throughout the match.

Congratulations to our Player of the Week, Ryan White for his tremendous effort in the midfield. Thank you to Noah Newman from the Under 8s team for playing for us last weekend. Jodie Sharmer

There is no netball this Saturday. I hope everyone has a very enjoyable and relaxing long weekend.

Game Reports: Saturday, May 31

ASC Seahorses

What a game these girls played….. Whilst we started with an obvious height and reach disadvantage the girls did not care, they gave it their all. In the first quarter as centre Zoe covered the court with agility and prowess, for this she won the medal. As wing attack Charlee was incredible, her speed and passing of the ball cannot be understated. Olivia played with such grace she was like a gazelle on the court. Whilst we were not able to win, if it were not for both of the Charlottes as goal defender and goal keeper, the loss would have been greater. Due to the ability of our opponents Milla’s chances as goal attack and goal shooter were limited, but as wing attack she was awesome. No matter how good the players are they need a leader, as the captain, Maayan rose to the job. GIRLS, you have been playing great, it won’t be long before you have a well deserved win.  

Maayan Leibenson

ASC Stingrays

Last Saturday we played the Bulldog Beauties. It was a beautiful day for a netball game. Our team is improving every week. The first quarter both teams played very well with strong defence, resulting in no goals being made. ASC Stingrays played amazingly well, our quick passes, intercepts and excellent shooting skills led us to a victory with the score 7-5. Well done to ASC Stingrays players, and congratulations to Lauren for being the player of the match.

Kate Edwards

ASC Prawns

On Saturday the ASC Prawns had a big battle against the Bulldogs Blaze. This experienced team is unbeaten so far and the Prawns knew it was going to be tough! In the first quarter we managed to keep the score close, two goals, one each from Gena and Kate. Great defence from Sass and Lauren kept the Bulldogs from scoring. In the second quarter Lauren scored a couple of goals but the Bulldogs proved too strong and the gap widened. Our defence was great with Sass, Eliza and Charlotte constantly intercepting the ball. Kate Dowd gave her all & Kate McEwen played with gusto. Megan was energetic in centre & WA. Gena tried a few different positions and proved she is a versatile player. In the end the girls conceded defeat and had a fun final quarter playing out of normal positions and just having a laugh! Megan scored a goal to the delight of her teammates. A fun morning of good sportsmanship and Netball! Player of the match went to Kate McEwen, well done. Keep up the hard work and better luck next round.  

Lauren Lyons.

The Challenges of the STRONG WILLED CHILD

A 6 Session Program for Parents of Two to Six Year Olds

The program aims to give parents (fathers and mothers) extra skills and information to deal with their child's strong-willed behaviour. It will also be an opportunity for parents to share some of their parenting ideas and ways they deal with the everyday challenges of parenting.

This group starts on the 22nd of July 2014 and runs for six weeks.

Day: Tuesday

Dates: 22nd and 29th of July
      5th, 12th, 19th and 26th of August

Time: 10.00am to 12.00noon

Venue: Community Health Centre,
       Level 3, Bathurst Health Service.

Cost: $10 per family

Please contact Alicia or Elizabeth at Bathurst Community Health Centre (Ph. 6330 5677) for more information.
15-17 August 2014

Plenty of time as usual will be given to fellowship, food and fun for all ages.

Talks, discussion, worship, free time, Saturday Night Spectacular, great meals and stunning surrounds makes for a great weekend.

Living as the family of Faith is the theme for this year’s camp with talks from Colossians by the Rev Dr Matt Brain.

No matter your age, there will be something for you. The youth and children will be wonderfully looked after by Soul Survivor this year.

EVERYONE WELCOME!
