We are commencing our Peer Support lessons this week. The whole school participates in Peer Support for 30 minutes each week. Two Year 6 leaders facilitate a small group of 8-10 students from Kindergarten to Year 5, who work together through a number of structured activities. Each teacher will supervise 2-3 groups in their classroom. We are working on a module called Promoting Harmony helping us define individual and community values, build relationships and improve decision making skills. The module runs for 8 sessions. Our first session enables the children to get to know everyone in their group, agreeing on how they will work together and interact cooperatively with others. They will also begin to think about what is a value and something they value in themselves. We recommend you talk to your children about Peer Support every week, as it will help to reinforce the concepts learned in each session.

PK5 have had a jolly good week learning about nutrition, the letter j and 3D shapes. The children read stories and saw a video clip about where our food comes from. We sorted our food onto a healthy eating pyramid and played a food sorting relay race. It’s great to see such nutritious choices the children have in their lunch boxes. We also read about Jersey and discovered that some foods that are right for us may not be good for others who may have allergies. We made jet planes, jellyfish, multi-layered jelly, jewelled play dough and glued jewels on a j page. We played a 3D sorting game on the Electronic whiteboard and learnt the difference between flat shapes (2D) and fat shapes (3D). We went on a 3D shapes hunt outside and found spheres, cylinders, cubes and pyramids all around us. Thursday we wore our PJ’s all day for a jolly fun time.

Sian and Grace completed a 60 piece puzzle.

Sian, Fynn and Lily decorated their play dough with beautiful jewels.

Hannah made a great drawing on the whiteboard.

Charlie and Chaise put their Morning Tea on the healthy food pyramid. What great nutritious choices.

Eliza loved sticking jewels on her j page.

Eliza and Chaise modeled their jets from our jet book. They look fantastic.

Hannah, Phoenix and Eliza found cylinder poles in our 3D hunt outside.

Archie enthusiastically showed his light saber during free choice news.

Everyone loves balancing on our new logs.

Chaise and Phoenix used great care to make sure the jumping sticks didn’t move.

Hannah, Phoenix and Eliza found cylinder poles in our 3D hunt outside.

*Rev. Tony Card*

*‘Where can I go from your spirit? Or where can I flee from your presence?’ (Psalm 139:7 NRSV)*

Like many I was shocked this week to hear of the death of Robin Williams. I was even more shocked to hear that he took his own life. I don’t spend much of my time reading entertainment news so I didn’t know about his battles with substance abuse and depression – I only saw the funny man, the highly talented actor who could make everyone laugh. He seemed to have it all but something was obviously missing.

Events like this can leave us questioning our own lives. Have we been successful? What about our failures? Have we realised the dreams of our youth? In our darkest moments we can feel alone, questioning everything that we have done and everything that we are.

Psalm 139, written by King David, speaks to these times. David was not just for his successes but for his abject failures. As we read through the account of his life in 1 & 2 Samuel and his own writings in the Psalms we see a man who knew the heady heights of success but also knew the deepest, darkest depression. In verses 1-18 of Psalm 139 David reminds us of the attributes of God that can help us through the dark times; God knows who we are (v. 1-6), God pursues us (v. 7-12), God made us (v. 13), God knows the days of our lives (v. 16a), and God has plans for us (v. 16b-18).

I encourage you to read and meditate on these verses and I am sure that you will come to the same conclusion that David did – that in God we find a loving Father who will be with us always – no matter what.

With every blessing, Rev. Tony Card

**Operation Christmas Child – Are you in business?**

Do you own a retail business or work in a business that is given or gives away promotional items? Then perhaps you could assist our Operation Christmas Child appeal. We need items like school items, solar powered calculators, children’s clothing, small toys, hygiene items, water bottles, sunglasses, craft kits, stickers and the like to help bring God’s love to a child.

If you have stock that is being written off due to its age or damaged packaging, or promotional items like pens, water bottles etc then perhaps you would consider donating them. The more we get the more joy we bring.

Minkey Hockey Under 7s Report Saturday, 9th August 2014

On Saturday, 9th August, the Under 7 Kookas were lucky enough to play two games of hockey. Our first game was against Souths, where we were outnumbered considerably but still managed to be the better team on the day. Everyone had a brilliant game, Well done to Aston who scored a very exciting goal.

Our second game was against Kelso. I was very impressed with the way that the team called out to each other during the game. A huge congratulations must go to our Player of the Match Lily, who kept her knees bent and was always in the hockey position ready to make some great tackles.

Sophie Hanigan, (Coach Under 7s Kookas)

Minkey Hockey Under 9s Report Saturday, 9th August 2014

On Saturday the 9th August, the Under 9 Kangas played a fantastic game against St Pats. All players have shown great improvement in their game. They are working well as a team and passing the ball between each other. Mia and Dakota were great in defence, while Charlotte, Fergus, Ava and Sarah played a great all round game. The Player of the Match went to Nick for wonderful commitment to his team and great enthusiasm.

Mr Chris Willard, (Under 9 Kangas Hockey Coach)

Friday Night Mixed Hockey Report Friday, 8th August 2014

We were up against a tough team on Friday night. Despite the very strong attack from our opposition, our team played some great defense.

Our backs saved a LOT of goals. If they didn’t stop them, then Fintan was ready. In fact, everyone else also stepped up to defend. There were too many great efforts to mention everyone. Yes, a few goals got past us, but without the teamwork and skills we have been learning, it could have been a very one sided game.

I want to thank all the team for their effort and really look forward to our next game.

Claire Pickard

Under 13s Hockey Report Saturday, 9th August

Last Saturday, the under 13 hockey girls played a tight game against Souths. Knowing we had to work hard, we started the game beautifully. With strong passes and tackles we managed to keep the ball in their half. An excellent effort from Natalia, whose defensive skills were shown with security. Half time approach and the score was 2-0 yet the score still remained nil all. Hot, tired and sweaty we fought on. Sami and Rachel did an excellent job supporting the team and pushing the ball up. Finally, with 8 minutes to go Jakiya sprinted up with the ball, with a clear run and the help of Ella Hobbs, All Saints scored. A special mention to Darcie Campbell, who saved the last penalty corner and led us to victory.

**Match Report – Friday August 8 ASC V BMG**

The ASC U12 Netball Team – The Prawns - had a friendly match against visiting school Blue Mountains Grammar on Friday afternoon. Bathurst turned on a perfect winter’s afternoon for our visitors, no wind and lovely sunshine. The girls were in fine form and after a relaxed start they played like superstars. Sara and Eliza showed their skills in defence with many great intercepts. Megan, Kate D and Charlotte have definitely grown in confidence and it showed with accurate passes and great teamwork. Kate Mc showed her versatility playing all over centre court and in goal. Gena and Lauren, with the help of Kate managed to score a total of 23 goals vs 11 for BMG. Both teams enjoyed the game and showed great sportsmanship. Captain Lauren Lyons.

**Match Reports - Saturday Aug 9**

**ASC Seahorses**

Another exciting game for the All Saints Seahorses. Whilst we are still not victorious for the season our skills set is improving week by week.

Many parents believe that the “half goals” shot by both Shanlei and Lottie should count as one goal... however we doubt the netball association would agree.

The defence shown by Charlotte and Charlee was outstanding. You would have thought that Mayyan and Olivia were playing for the Australian Diamonds with the agility and speed shown on the wing positions. The whole of our great team was proudly captained by Zoe.

Zoe Cunningham

**ASC Stingrays**

Once the sun shone, so did the All Saints Stingrays with an impressive victory over the Competitive Bulldogs team. Georgie and Jorja started the attacking game with consistent shooting and both scoring. Then the Year 3 combination of Hannah and Kate continued the run. The Stingray defence was outstanding with Breahna and Lauren intercepting many passes, backed up beautifully by Phoebe in centre. Congratulations to Hannah for receiving Player of the week.

Hannah Stanmore
The Under 9 Asteroids had a very tough game against City Red Tops. The boys tried hard throughout the game particularly Player of the Match, James Burgess who was very solid in defence. Noah Siede and Todd Nelson both played very well in goals. Thank you to Oliver Roach and Noah Newman for playing for the Asteroids on the weekend. Without these Under 8 players who willingly help us out, the Under 9s would not be able to field a full team each week.

An appeal headed by Geoff Higgins from Dubbo Community Men’s Shed.

A few months ago the island of Leyte, in the Philippines, was devastated by typhoon Yolanda. As a result of the typhoon many people in Leyte have lost their livelihood. This is particularly true of coconut growers, because all the coconuts have been stripped from the trees.

An organization called Livelihood Integrated Support Organization, based in the city of Ormoc, headed up by Roberto Martinez, is trying to get typhoon victims back on their feet and provide them with a means of supporting themselves. (Roberto is a personal friend of Geoff Higgins). Sewing machines would be of great value to the organisation, and they will take as many sewing machines as they can get.

As well as distributing sewing machines, Roberto is already holding classes to instruct people in the use or sewing machines.

Dubbo Community Men’s shed is inviting people to donate sewing machines. In Bathurst machines can be left at All Saints College.

Two men from Dubbo Community Men’s Shed, Colin Brown and Allan Parker, will be checking the donated machines to make sure they are in good working order before they are dispatched.
2014 Annual Spring Fair

Sunday
14th September 2014
10am-3pm
Dear parents

Years 3 and 4 are running this year’s garden stall at the Spring Fair – and we need your help! This year we would love to source **Pots of Colour** – they’re a great seller.

**There are a few things you can do to help**

1. For those with a green thumb, we would love you to **pot up some cuttings** ready to sell at the Fair.
2. You could **purchase a large punnet of flowering annuals very soon**, and **re-pot each individual plant into a small pot**. Pansies and petunias are especially good and inexpensive.
3. You might like to **purchase cheap, low quality stock from the nurseries**. A quick trim back and a dose of seasol will bring them back to life.
4. If your thumb isn’t so green, you can make a **monetary donation** and we will purchase punnets of flowers and pot them up (please send in money in an envelope and mark it Attention: Sarah O’Neill).

**What do I do with the plants?**

Please bring them to the Fair on the day, OR bring them in to the Year 3 or 4 classrooms as soon as you have them ready - we will take them home and tend to them.

Thank you for your support.

If you have any question please contact one of us.

Please ... 
Jump to it and volunteer your time on **Sunday 14 September**.
