From the Head of Junior School
Mr Chris Jackman

Bathurst Eisteddfod
We have a great number of children participating in the Bathurst Eisteddfod in both music and speech and drama items. I wish them all the best for their performances.

Rugby Gala Day
Good luck to our Under 11 Rugby Team who will be playing in the Kinross Wolaroi Gala Day on Sunday 24th August. Participation in these Gala Days provides the team with fantastic experience and the improvement they have displayed throughout the year as a result of their extra games is fantastic.

Junior School Assemblies
All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

SPRING FAIR WRISTBANDS
Just a reminder the Spring Fair is coming up, and you will find all details in flyers included in this newsletter.
We are excited to confirm that wrist bands for children’s rides will be available for $30 on the day, or can be purchased from Leonie Keogh’s office for Junior School and Deanne Wade’s office for Senior School from Monday, 18th August. This will give your child unlimited access to all rides on the day, excluding the climbing wall. The climbing wall will be $4 per ride.
We have some fantastic new rides and there will be lots of excitement for the children! We are looking forward to a great event!

PEER SUPPORT LESSONS
During Peer Support this week the children will look at the notion that what they choose to spend their time on often reflects the values they have. The activities will also assist them in identifying ways they care for themselves and others, developing their understanding that you are caring when you notice the feelings and needs of others, their understanding that they care for themselves and others, developing their understanding that you are caring when you notice the feelings and needs of others, their understanding that you are caring when you notice the feelings and needs of others, their understanding that you are caring when you notice the feelings and needs of others, their understanding that you are caring when you notice the feelings and needs of others.
During the week encourage your child to demonstrate they are caring by doing something helpful or displaying kindness around the home.

If you had walked into PK 2 last Thursday you might be excused for thinking we had all forgotten to get dressed that morning. In fact we were enjoying P.J day with cornflakes for lunch and cookies made by Chontelle and Buddy bear for a special treat. We are all feeling very lucky to have so much wonderful new interactive technology for our learning, both in the classroom and Library. It is great to see some new friendships developing and the children’s confidence in their work growing. Everyday in Pk 2 is special to the teachers and students.

Maggie Walsh Pre-K 2 Teacher
As we read through the account of the Fall in Genesis 3 we see the catastrophic result of sin. The blame game began: the man blamed the woman and the woman blamed the serpent. Neither accepted responsibility for their own actions. Not much has changed. We only need to watch one news broadcast to see that it’s much easier to blame someone else for the problem rather than accepting responsibility. The other consequences of this sin are also still apparent; increased pain in childbirth, difficulties in growing food, a life of toil and pain instead of a life of perfection.

For many, the first sin is seen as the eating of the fruit but it actually goes back further than that. The first sin was doubting God. The Woman was encouraged to doubt and accepted the invitation. The Man followed. The thing that shattered God’s image in humankind was doubt. We won’t always understand God’s plan for us. We will question our life and our circumstances. We will even run away from God because we don’t like what is happening to us and blame him for it. But we are encouraged throughout the Bible to put our trust in him with all that we have and all that we are. It is only then that we can begin to regain his image.

With every blessing.

HOCKEY REPORTS

Under 7’s Minkey Hockey Report
A great morning of Hockey against St Pats. It was a high scoring game on both sides with excellent ASC defence and striking. Harry’s defence skills credited him with the Player of the Match. Natalie and Sian has some great tackling opportunities. This together with some well practiced team passing, lead to some sensational goals. A big thanks to Gappy Josh and Mrs Porter for helping organise the games. Leanne Hornery * A huge thank you must also go to the amazing Leanne Hornery (From Miss Hanigan).

Hockey Report Mixed U13s Friday, 15th August
Last Friday our under 13s mixed team played against St Pats Imprezas. Imprezas were down a few players but it was still a good match. In the first half it was fairly even. We had play at both ends of the field. 20 minutes into the game there was a breakthrough with a pass from Claire to Nick who scored the goal. After that we took the lead with a goal from Jakiya. Soon after Imprezas got a run and scored a goal with 2 min to go to half time. In the second half Imprezas scored early to equalise the game to 2-2. With 10 min to go, Grace and Jakiya each scored goals to make it 4-2 when the buzzer went off. Imogen Murphy

Hockey Report U13s Saturday, 16th August
Our team played amazingly well last Saturday to win 2-0 against very strong opponents. Great games were had by all, especially Indy and Ailee, with goals also to Ailee and Grace. Darcie did very well to stop a high scorcher. Claire attacked the ball and drew penalties off the feet. Sami played well as always, with Lucy and Rachel helping people and passing well to each other, while Jakiya showed tremendous speed. Georgia trapped and controlled well, Ella’s and Nat’s defence was incredible. Matilda was in all the right spots at the right times. Thanks to Josh and Mrs Porter for training us and encouraging us in week out. Well done everybody. Portia

Match Reports - Saturday Aug 16
ASC Seahorses
On Saturday the ASC Seahorses versed the Bulldog Shooters. Unfortunately Milla and Charlotte J were unable to play, so the Bulldogs lent us one of their players. If spirit and determination won matches, our girls would be top of the table. Zoe had a nasty fall, but brushed it off and kept on going. Olivia was matched against people twice her height (it seemed) but she kept passing it out to Shanlei. Lottie was always there waiting for the pass, and for this won player of the match. Charlee was looking for the gaps and Maayan tried her best to get our first goal! We are still waiting for that magic first goal, and I am sure the celebrations will be huge when it finally arrives. Thank you to everyone who helped on clubhouse duty, we got it done in record time. Mrs Brabham and Olivia

ASC Stingrays
On Saturday the ASC Stingrays played against the Eglinton Smurfettes. The girls were eager to retain their third place ranking on the ladder. In the first half we played with enthusiasm but the Smurfettes managed to get ahead. Sophie and Georgie did a good job in centre court but we didn’t manage to get the ball down to them. Lauren and Collie were great in the defence but halftime saw us trailing by three goals. The Stingrays regrouped and came out firing. Lucy in centre with the help of Sophie and the awesome twosome of Hannah and Georgie saw us equalise at three goals. Wonderful defence from Jorja, Kate and Lauren saw the Smurfettes struggle to score. The last quarter was a nail biter and everyone pulled together, then Georgie scored a magnificent goal. The Stingrays had won! Four goals vs three to Eglinton Smurfettes. Well done girls! Collette Lyons

ASC Prawns
As we all arrived at the netball courts we were eager to play. We got off to a great start. In GA and GS Gena played amazingly as she shot lots off great goals. Kate M was also fantastic as she ran around the court in GA, GS and WA. Megan played awesomely in WA and C as she helped get the ball down the court. Kate D was also amazing in C, WA and WD and was always where she needed to be. Charlotte played well in WD as she stopped the WA getting the ball. In GA and GD Lauren was superb and had lots of great goals and intercepts. Sass was fabulous in GD and GK and got loads of hard rebounds. Eliza was a life saver in GD and GK as she intercepted lots of lobs from the other team. At the end of the game we tied 13 all. Charlotte Russell

ASC Prawns
On Saturday, the Prawns played an excellent game against their very strong opponents. Well done to Gena and Kate Mc for shooting with precision and determination. Fantastic job to Sara and Lauren in the Goal Defence positions who held so tight. Mel and Lauren in Gk were amazing and it’s always fun to watch one news broadcast to see that it’s much easier to blame someone else for the problem rather than accepting responsibility. The other consequences of this sin are also still apparent; increased pain in childbirth, difficulties in growing food, a life of toil and pain instead of a life of perfection.

With every blessing.

FROM THE REGISTRAR

Mr Michael Hissey

The season of community contact across the state continues and Saturday, 2nd August saw Head of College Dr Miller at the annual Nyngan Ag Expo. This was a great opportunity for many of our boarding families from the district to have an informal conversation with Dr Miller. As usual a number of past students and families dropped by to reminisce about old times. It may be of interest to note that over the past year, we have been upgrading the standard of our College displays and promotional materials for this type of event. The total effect is now one of the finest amongst the schools who attend.

Looking ahead:
- Friday, 29 August from 7.00pm: Mr Stewart Ross Head of Senior School will host an informal social gathering at the Railway Hotel at Condobolin.

If you or your family and friends would like to attend this event at Condo, please contact Kathryn Parnell on 6332 7309 or email kath.parnell@ saints.nsw.edu.au

A note about College enrolments:
All Saints’ College is continuing to attract strong enrolments across the school and many of our year groups are currently at or approaching wait-listing. This trend is now occurring earlier in the academic year. If you or your family and friends are interested in enrolling a child at the school in the near future (from PreK to Year 11) I strongly advise an early submission of the enrolment form which is available from this office or the College website. Applications can be submitted at no cost and will be date-stamped and treated in strict order of receipt. Applications will also secure a place on the wait-list should the chosen year group become fully subscribed. Limited places still remain in Pre-Kindergarten and Kindergarten 2015.

Scholarships 2016:
Applications for scholarships for 2016 will open on the College website on Tuesday 9 September. Scholarships are available to prospective or current students who will be entering Years 5, 7, 9, 10 and 11 in 2016.

Michael Hissey

MEN’S SHED

An appeal headed by Geoff Higgins from Dubbo Community Men’s Shed.

A few months ago the island of Leyte, in the Philippines, was devastated by typhoon Yolanda. As a result of the typhoon many people in Leyte have lost their livelihood. This is particularly true of coconut growers, because all the coconuts have been stripped from the trees.

An organization called Livelihood Integrated Support Organization, based in the city of Ormoc, headed up by Roberto Martinez, is trying to get typhoon victims back on their feet and provide them with a means of supporting themselves. (Roberto is a personal friend of Geoff Higgins). Sewing machines would be of great value to the organisation, and they will take as many sewing machines as they can get.

As well as distributing sewing machines, Roberto is already holding classes to instruct people in the use or sewing machines.

Dubbo Community Men’s shed is inviting people to donate sewing machines. In Bathurst machines can be left at All Saints College.

Two men from Dubbo Community Men’s Shed, Colin Brown and Allan Parker, will be checking the donated machines to make sure they are in good working order before they are dispatched.

UNDER 9 ASTEROIDS

The Under 9 Asteroids played a terrific game against Eglinton on Saturday. The boys tried to play very well as a team. Well done to Todd Nelson, James Burgess and Noah Newman who all scored great goals. Ryan White and Toby Gough both played well in goals. Congratulations to our Player of the Match, Noah Siede who did a lot of running and seemed to be everywhere throughout the game. Thank you to Noah Newman from Under 8 and Lachlan White from Under 7 who played for the Asteroids. You both did an outstanding job!

Dear parents,

Years 3 and 4 are running this year’s garden stall at the Spring Fair – and we need your help! This year we would love to source **Pots of Colour** – they’re a great seller.

**There are a few things you can do to help**

1. For those with a green thumb, we would love you to **pot up some cuttings** ready to sell at the Fair.
2. You could **purchase a large punnet of flowering annuals very soon**, and re-pot each individual plant **into a small pot**. Pansies and petunias are especially good and inexpensive.
3. You might like to **purchase cheap, low quality stock from the nurseries**. A quick trim back and a dose of seasol will bring them back to life.
4. If your thumb isn’t so green, you can make a **monetary donation** and we will purchase punnets of flowers and pot them up (please send in money in an envelope and mark it Attention: Sarah O’Neill).

**What do I do with the plants?**

Please bring them to the Fair on the day, OR bring them in to the Year 3 or 4 classrooms as soon as you have them ready - we will take them home and tend to them.

Thank you for your support.

If you have any question please contact one of us.
