Discuss with your child a situation you were in that was potentially difficult or awkward and explain the decision you made and why it was the right thing to do.

We had a wonderful time last week at our Father’s Day breakfast. It was great to have so many dads, poppys and uncles join with us. A big thank you to Bernardi’s SUPA IGA and Harris Farm Markets who generously helped us cater for the lovely breakfast.

This week as we explore the letter y we have folded and decorated yachts and ‘yarn-wrapped’ the letter y. We have had lots of fun exploring day and night in maths and exercise and sleep in our Healthy Living unit.

We have painted fireworks pictures, made black scratch art, painted daytime pictures of things we love to do and played many games. We learnt sleeping games (dead ants) and active games (eggs in the nest, duck duck goose and parachute play). We sorted community helpers cards into those that work in the day/night or both. The children came up with the idea of crossing the hoops over (self made Venn diagram) to show the workers could work in the day or night. So proud!!

Hannah enjoyed seeing the colours come through her scratch art.

Charlie showed his lantern and pictures from his weekend celebrating the moon festival.

Sorting out people who work in the day, night or both was challenging and produced great ideas and discussions.

Eliza and Grace love watching their beanstalks grow.

Why are our y’s so beautiful. Because we yarn bombed them.

Dead ants (a teachers favourite game).

Archie, Harry, Hayden and Charlie loved building with the window blocks.

Harry, Hannah, Archie and Fynn loving the parachute.

Sian cleverly matched each worker with their tools.

Chaise and Grace printed wonderful fireworks.

Fynn loves working on the interactive whiteboard.
FROM THE CHAPLAIN

Rev. Tony Card

"I say to the Lord, "You are my Lord; I have no good apart from you." (Psalm 16:2, NRSV)

Next week we farewell our Year 12 students as they come to the end of their secondary school life. As we gather at the Cathedral we will be reading from Psalm 16 and from Romans 8:28-39. Both of these readings have been chosen to give encouragement to our departing students. They contain lessons for them and for all of us.

The first lesson is that none of us can truly fulfill our potential without God in our life. The Psalmist recognised this and, speaking from experience, I can wholeheartedly agree. When I consider how my life looked before and after coming to faith I see a life in two distinct parts. The first part was a constant struggle with little to offer. The second, whilst not without struggle, has been far more rewarding. I firmly believe that the success of my business before I was ordained was due entirely to God’s blessing and my commitment to Jesus, which was lived out in the way I allocated my money, my gifts and my time to serve God’s people first.

The second lesson is that nothing will keep us apart from God if we want to be with him. As I said, since becoming a Christian my life has not been without struggles and challenges but these have given me opportunities to draw nearer to God. By doing so I have found the peace that comes from realising that He has my back and will support me through whatever challenges I face.

I pray that our students recognise, understand and accept these truths and that they will give themselves wholeheartedly to God as they leave this place and take their place in the world. I am confident that many will do this. With every blessing,

Rev. Tony Card

Thought for the week: ‘For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.’ (Romans 8:38-39, NRSV)

Operation Christmas Child freight costs... getting closer.

Thank you to everyone who has contributed to the freight costs for Operation Christmas Child. We have drawn closer to our target of raising a little over $1800, having raised a total of $398.35 after Wednesday’s chapels. We can’t send the boxes off without the freight costs covered so we will continue our appeal until we reach the goal. As chapels have now concluded for the term any contributions can be given directly to Rev Tony or Junior School class teachers. Your contributions to our gifts of unconditional love will be greatly appreciated.

Confirmation Reminder.

A reminder that the Dean of All Saints’ Cathedral, the Very Reverend Anne Wentzel has invited ASC students to make their Confirmation at the Cathedral on Sunday 30th November. Preparation classes will be held at the Cathedral commencing on Saturday 11th October at 3pm. Enquiries should be directed to Rev. Tony on 6332 7370 or tony.card@saints.nsw.edu.au

Registrations need to be completed by Wednesday 8th October.

UNDER 6 MARTIANS

Yesterday the Martians played their competition game against the Eclipse during training. It was a tight match displaying amazing skill and determination from all players. There was a large crowd cheering them on and everyone showed wonderful sportsmanship. Immediately following the game, all players in the three under 6 teams were presented with trophies and we finished with a party. The season has shown all children growing in confidence, skill and a love for the game. Eclipse and Stars have their last game this Saturday at 1pm and 2pm respectively on Gala day. Well done everyone.

UNDER 9 ASTEROIDS

The Under 9 Asteroids played in a very tight tussle against the Bathurst 75 Dodgers last weekend. James Burgess scored a spectacular goal, while Ryan White and Toby Gough both played very well in goals. Congratulations to our Player of the Match, Todd Nelson who never stopped running and seemed to be everywhere! Thank you to Lachlan White (Under 7a) for playing for the team. One game to go boys! It’s been a great season. Well done, Asteroids!!
