iPads in the Junior School

This week we took possession of 28 new iPad Air tablets which will be used across all classes in the Junior School. A special thank you to the Junior School Sub-Committee of the Parents’ and Friends’ Association who have provided funds for lockable storage cabinets for these iPads as well as Apple TV Boxes which enable the iPads to synch with the Interactive Whiteboards.

The excitement level was high as Pre K2 headed over to visit Healthy Harold in the Life Education Van this week. They were super clever at identifying all the healthy fruit and vegetables and enjoyed lying back and watching the twinkly lights on the roof. The children learnt a lot about keeping healthy and how important it is to keep their bodies safe. The highlight of the visit was a pat and cuddle of Healthy Harold, he is indeed a well loved Giraffe. Later this week we will start preparing for our Christmas concert. The year is flying fast.

The souls of the dead were supposed to revisit their homes on this day and the festival acquired sinister significance with ghosts, witches, goblins, black cats, fairies and demons of all kinds said to be roaming about. It was the time to appease the supernatural powers that the pagans believed were controlling the processes of nature. In addition, Halloween was thought to be the most favourable time for divinations concerning marriage, luck, health, and death. It was the only day on which the help of the devil was invoked for such purposes. Clearly this has no place in the Christian life. So how do we react to the inevitable knock on the door and the demand to trick or treat? Rather than being tricked into the myth that this is only harmless fun we should instead look to treat those at our door with the good news of Jesus. We can consider some of the following ideas:

- Put signs on your door like, “No Trick! God’s Treat is Jesus”, “Let Jesus Fill the Hollow”
- Carve a single letter in enough pumpkins to create a small phrase like “Jesus is Lord” or use Christmas lights to make a similar message.

KANGA CRICKET
The All Saints’ College Kanga team faced up to Blayney on a beautiful, sunny Saturday morning on the Junior School Oval. Captain Sagi Leibenson lost the toss and Blayney elected to bat first. Despite Connor Stahl taking a wicket on the second ball of the game, Blayney went on to score an impressive total. Fielding highlights this week included Charlie Gibbons bowling 3/10 and Lachlan Munns taking an athletic catch on the second ball of the game. Blayney went on to score an impressive total. 10 YEARS CRICKET
The Under 10’s boys played a well-matched game on Saturday against St Pats 2 at Raglan. It was obvious that practice at training had paid off as there some excellent fielding and bowling throughout the day. Charlie and Nick stopped many balls and all the boys are certainly learning to work together as team. Special mention to Thomas Martin’s Dad for scoring two runs in two weeks in a row!! Thank you, this is a skill in itself. I look forward to another great game this weekend.

11 YEARS CRICKET
We had a wonderful game of cricket on Saturday against St Pat’s Blues. We started off to a very unlucky first ball of the game, with Hugo Goodlet getting out. Angus Rendall came in to replace him and we ended up with a great total of 3/90. In our fielding innings, the first two batsmen got a lot of runs, but finally we got them out. Wickets were taken by Hugo Goodlet (bowling); Dylan James (run-out); and Jono Gardiner (catch). St Pat’s finished with a total of 4/82, so All Saints are winning at present, with the second day to be played this Saturday. Hugo Goodlet

The Match
The Match was awarded to All Saints’ as the wickets fell here at a rate. Well done to Cooper Tribolet, Will Helms and Connor Stahl who improved this week which helped the team increase their overall run-rate. Charlie Gibbons bowling 3/10 and Lachlan Munns taking an athletic catch on the second ball of the game.
