2014 Equestrian Dinner Extraordinaire

The annual equestrian dinner held last Friday night was arguably the most enjoyable one of its kind to date. The student focused concept and organisation was the result of a collaborative effort between Mr Mark Whifeld, Mr Ian Redpath and Mrs Nicole Stockman. The vision we had all dreamt up came true on the night and the Britten House garden looked incredible draped with fairy lights and glowing under the lantern lights.

The classy atmosphere was created by the velvet tones of the string ensemble and the charming vocals of Bronte Gosper, providing high quality live entertainment. Yet this enchanted garden didn’t eventuate without the hard work of Mr Mark Whitfeld, Mr Ian Redpath, Mrs Nicole Stockman, the All Saints’ groundsmen and the student helpers from the Agriculture classes. Special thanks also goes to our three handsome and extremely talented waiters - Cameron Redpath, Dylan Boyd and Felix McClymont - who served the delicious three course meal that was catered for by our very own All Saints’ College kitchen staff. The night was hugely successful and enjoyed by all who attended, including our wonderful regular coaches, Megan Joerg and John Kinghorn. It was very special for the team to be awarded their trophies in the presence of our coaches, along with Dr Miller and Mr Ross who presented each award.

Most Improved – Adelaide Cunningham
Highest Inter-school Point Score – Megan Redpath
Junior Equestrian of the Year – Megan Redpath
Participation and Sportsmanship Award – Indiana Whitfeld and Millicent Cupples

Congratulations to all the 2014 award recipients!

The ASC equestrian enthusiasts are looking forward to another great year of horsing-around in 2015.

The year is moving on at warp speed and we are up to our eyeballs in Christmas preparations, craft, singing, performances, decorations and gift making.

Our Thankful theme this term has been embraced so well. Together we have raised $57 by doing jobs at home and bringing a gold coin for our dress up day. We went onto the TEAR website and chose from the Useful Gifts catalogue. Together we decided to buy 2 chickens, send 2 children to pre-school for a year and to buy a Tippey Tap. This gift gives the community education, resources and training to build Tippey Taps which has a rope that pulls a bucket down to promote handwashing and good hygiene. This supports our learning about the single biggest health initiative for survival in many countries handwashing with soap. We have also noticed our soap dispensers needs more frequent refilling. YAY.

We are thankful for so many things that we take for granted. Our Thankful Window includes family, friends, soap, clean water, food, toilets, holidays and play. Things that not everyone in the world has access to. We are looking forward to our concerts next week. PK5 Tuesday, PK3 Wednesday and PK2 Thursday. We hope you can all make it to help celebrate our wonderful year.

4. PK5 worked together to choose the 'Useful Gifts' on the Activeboard to send overseas.

5. What amazing dress ups today.

6. Sequencing and fine threading make for beautiful decorations

7. Clowning around. The kids said “Let’s take a selfie”.

8. Making decorations for our beautiful Christmas tree.

9. Group games are very popular in our class. Shuffles is our favourite at the moment.

11. We bought 2 chickens.

12. We are sending 2 children to preschool too.

13. We chose a Tippey Tap that promotes handwashing and helping them to learn about hygiene and keeping healthy.

14. We all had fun dressing up.
FROM THE
CHAPLAIN
Rev. Tony Card

‘Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.’ (Matthew 25:40, NRSV)

Jesus is clear that we should care for the welfare of others. His ministry was predominantly to the poor and dispossessed and we are to follow in his footsteps. With Christmas approaching it is a good time for us to reconsider how we do this. Most of our homes will be filled with family, presents and copious amounts of food on Christmas Day but there are many in our communities who won’t enjoy the same bounty and for whom Christmas Day is a reminder of the pain and suffering of ‘one of the least of these’.

In everything that we do to others as you would have them do to you.’ (Matthew 7:12, NRSV)

With every blessing, Rev. Tony Card

THOUGHT FOR THE WEEK:

“With every blessing, Rev. Tony Card”

10 YEARS CRICKET

The Under 10’s cricket team played on their home ground this week against St Pat’s team. All Saints’ decided to field first and did an excellent job with bowling closer to the wicket. A large score was put on the board by St Pats and our boys chased it well. An excellent game for all the boys, however special mention to James Burgess our wicket keeper and James Edwards for some excellent batting.
