Haphazardly Ever After

Our biennial Junior School play will be on 27 and 28 November in the Bickerdike Centre. Doors open at 6.45pm and food and drinks will be available before the play and during the intermission. Please get your tickets from Mrs Keogh in the Junior School Office.

Pre-Kindergarten Christmas Concerts

Next week all of our Pre-Kindergarten students will be participating in their Christmas Concert. This is always one of the highlights of the year for these children and I know they have been busy preparing.

Speech and Drama Night

On Monday 24th November all of the Junior School students who participate in Speech and Drama lessons with Kristie Thorne will be performing in the Kemmis Building. I look forward to an entertaining night.

Junior School Assemblies

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

The annual equestrian dinner held last Friday night was arguably the most enjoyable one of its kind to date. The student focused concept and organisation was the result of a collaborative effort between Mr Mark Whifeld, Mr Ian Redpath and Mrs Nicole Stockman. The vision we had all dreamt up came true on the night and the Britten House garden looked incredible draped with fairy lights and glowing under the lantern lights.

The classy atmosphere was created by the velvet tones of the string ensemble and the charming vocals of Bronte Gosper, providing high quality live entertainment. Yet this enchanted garden didn’t eventuate without the hard work of Mr Mark Whitfeld, Mr Ian Redpath, Mrs Nicole Stockman, the All Saints’ groundsmen and the student helpers from the Agriculture classes. Special thanks also goes to our three handsome and extremely talented waiters - Cameron Redpath, Dylan Boyd and Felix McClymont - who served the delicious three course meal that was catered for by our very own All Saints’ College kitchen staff. The night was hugely successful and enjoyed by all who attended, including our wonderful regular coaches, Megan Joerg and John Kinghorn. It was very special for the team to be awarded their trophies in the presence of our coaches, along with Dr Miller and Mr Ross who presented each award.

Most Improved – Adelaide Cunningham
Highest Inter-school Point Score – Megan Redpath
Junior Equestrian of the Year – Megan Redpath
Participation and Sportsmanship Award – Indiana Whitfeld and Millicent Cupples

Congratulations to all the 2014 award recipients!

The ASC equestrian enthusiasts are looking forward to another great year of horsing-around in 2015.

The year is moving on at warp speed and we are up to our eyeballs in Christmas preparations, craft, singing, performances, decorations and gift making.

Our Thankful theme this term has been embraced so well. Together we have raised $57 by doing jobs at home and bringing a gold coin for our dress up day. We went onto the TEAR website and chose from the Useful Gifts catalogue. Together we decided to buy 2 chickens, send 2 children to pre-school for a year and to buy a Tippey Tap. This gift gives the community education, resources and training to build Tippey Taps which has a rope that pulls a bucket down to promotes handwashing and good hygiene. This supports our learning about the single biggest health initiative for survival in many countries - handwashing with soap. We have also noticed our soap dispensers needs more frequent refilling. YAY.

We are thankful for so many things that we take for granted. Our Thankful Window includes family, friends, soap, clean water, food, toilets, holidays and play. Things that not everyone in the world has access to. We are looking forward to our concerts next week. PK5 Tuesday, PK3 Wednesday and PK2 Thursday. We hope you can all make it to help celebrate our wonderful year.

We chose a Tippey Tap that promotes handwashing and helping them to learn about hygiene and keeping healthy.

Clowning around. The kids said “Let’s take a selfie”.

Happy birthday Phoenix.

Making decorations for our beautiful Christmas tree.

We bought 2 chickens.

We are sending 2 children to preschool too.

What amazing dress ups today.

Group games are very popular in our class. Shuffles is our favourite at the moment.

PK5 worked together to choose the ‘Useful Gifts’ on the Activeboard to send overseas.

Sequencing and fine threading make for beautiful decorations
FROM THE CHAPLAIN
Rev. Tony Card

‘Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.’ (Matthew 25:40, NRSV)

Jesus is clear that we should care for the welfare of others. His ministry was predominantly to the poor and dispossessed and we are to follow in his footsteps. With Christmas approaching it is a good time for us to reconsider how we do this. Most of our homes will be filled with family, presents and copious amounts of food on Christmas Day but there are many in our communities who won’t enjoy the same bounty and for whom Christmas Day is a reminder that they are among the ‘have-nots’. So what can we do for them if we are following Jesus?

There are many ways that we can show Jesus’ love and our College is participating in three of these. Our Prefects are selling gift cards for TEAR. The money from these cards goes directly to supporting people in developing countries and we get a gift card to give to a friend or loved one. These gifts start from just $5 so we can probably all buy at least one. These are being sold at school and will also be available at the end of year Carols Service.

The Junior School has been collecting toys for distribution to local children. These toys will be presented and blessed at tomorrow’s Infant’s Thanksgiving Service that the students and teachers have been working so hard on. As a whole school we are collecting non-perishable food items for the Bathurst Christmas Miracle Appeal. These items will go into hampers that a small army will pack and deliver on the weekend before Christmas. This collection is being made through our student chapels.

These three initiatives are just a small number of ways that we can love others. I encourage you to support them. Every little thing that we can do makes a difference. Jesus reminds us in Chapter 10 of Matthew that even a cup of cold water given in his name is of enormous benefit.

With every blessing, Rev. Tony Card

Thought for the week: ‘In everything do to others as you would have them do to you.’ (Matthew 7:12, NRSV)

HOCKEY GRASS ROOTS & DISTRICT CLINICS

10 YEARS CRICKET

The Under 10’s cricket team played on their home ground this week against St Pats team. All Saints’ decided to field first and did an excellent job with bowling closer to the wicket. A large score was put on the board by St Pats and our boys chased it well. An excellent game for all the boys, however special mention to James Burgess our wicket keeper and James Edwards for some excellent batting. Mrs Walsh

Player of the match Charlie Rendall.
