This week in Pre-Kindergarten we are happy to announce that the children are settling in extremely well and are getting to know their new routine very quickly. We enjoyed watching some races at the swimming carnival last week and had a special visit from Harry Allen, Imogen’s new brother on Monday. We have enjoyed many books including, Room on the Broom by Julia Donaldson and Milly and Molly’s Monday by Gill Pittar. These books have sparked conversations and activities about differences and friendships. We have been looking at and listening to many rhyming words and focused on the nursery rhyme, Hickory, Dickory Dock. We have explored the colour blue and investigated squares. During news, the children have been telling their classmates all about the things they like and have brought in their favourite toy to show. It is pleasing to witness so many confident children. We enjoy having Mrs Rivett as our Assistant, Father Tony for Christian Studies, Library with Mrs Wells, PE with Mr Jackman and music with Ms Seargent. I look forward to catching up with all the Pre-Kinder families at the Junior School picnic on Tuesday.

**9 YEARS KANGA CRICKET**

The U9 Kanga boys had a great game with City Colts at Brooke Moore Oval on Saturday in very warm conditions. All Saints’ batted first and piled on the runs despite some difficult bowling. In the field the boys were keen and well-disciplined with their bowling. Noah Siede was awarded player of the week with a great all round effort and in particular some excellent bowling just missing a hat-trick by centimetres. Well done boys.

**10 YEARS CRICKET**

After a long break from cricket over the summer holidays, it was a very keen ASC 10 Years cricket team that arrived to play an undefeated St Pat’s Red on the Junior School Oval on Saturday. St Pat’s won the toss and chose to field first. The All Saints’ openers started the innings enthusiastically and it was pleasing to see the whole team chasing every run. Their eagerness resulted in an overall total of 146, with high scores posted by Andy Jackman and Pat Walker. Our new players, Tom and Jonah Siede were great assets to the team batting, and Jack TribIolet made a confident return to the team. With the loss of 11 wickets in our batting innings, ASC knew they needed to bowl and field well to beat St Pat’s. Our bowling started steadily and managed to keep the run-rate slow. As Saturday morning increased in temperature, so did our accuracy and bowling and the St Pat’s wickets began to topple. Of particular note in bowling were the overs that resulted in two boys having a chance for a hat-trick; Andy Jackman and Jonah Siede. It didn’t happen on Saturday, but we have a few weeks left! By match end, ASC had 14 wickets and out-scored St Pat’s by over 40 runs – a wonderful team effort by a strong team. Andy Jackman did a great job as captain and Will Purvis was skilful as our wicket keeper. Player of the week went to Jonah Siede, whose enthusiasm in batting and great wicket-taking helped ASC continue their season undefeated.

**12 YEARS CRICKET**

The 12 Years team concluded their match against Blayney on Saturday with a fabulous win over the visiting Blayney side. We continued our innings first and the boys were able to add another 90 runs to give us a total score of 240. Top scorer on the morning was Izac Chrigwin who posted by Andy Jackman and Pat Walker. Our new players, Tom and Jonah Siede were great assets to the team batting, and Jack TribIolet made a confident return to the team. With the loss of 11 wickets in our batting innings, ASC knew they needed to bowl and field well to beat St Pat’s. Our bowling started steadily and managed to keep the run-rate slow. **FROM THE CHAPLAIN**

**Rev. Tony Card**

Jesus said, “Let your word be “Yes, Yes” or “No, No” (Matthew 5:37, NRSV)

Jesus continues his teaching on the mount. He has given us the beatitudes...the attitudes that we should have if we are to be his followers. In the Gospel reading set down for this week, Matthew 5:21-37, Jesus covers some controversial territory as he gives instructions on dealing with anger, adultery, divorce and oaths. The key to understanding these teachings is in the final verse quoted above. Jesus is telling us that if we are to truly follow him then we need to be fair dinkum in what we do.

Our actions are to reflect our words. There is no “Do as I say, not as I do” in the Christian life. If anything it is the reverse...our actions should speak for us, regardless of what we say. I recall one of my mentors quoting an old American preacher, “Preach the gospel at all times...if necessary, use words.”

So whether we are dealing with anger, or the temptation or after effects of adultery or divorce, or if we are going to make a promise, our actions will tell people what we really think. If we talk about doing the right thing then we should do it. If we make a promise then we must keep it. If we claim to be Christian then we must ensure that we live the life that we have been called to.

This can be a challenge and a struggle for us. I know in the early years of my Christian walk that I struggled with anger, but I found that as I came into a deeper relationship with Jesus that my anger started to reduce. I still get angry but not in the way that I used to. We can all find strength in Jesus if we spend time with him.

With all the blessings of Christ, 

**Rev. Tony Card.**

*Thought for the week: “He will also strengthen you to the end, so that you may be blameless on the day of our Lord Jesus Christ. God is faithful” (1 Corinthians 3:8-9 NRSV)*
From the Registrar

Mr Michael Hissey

With the 2014 school year now well under way, a rare quiet moment in the office of the Registrar affords the opportunity to write a few words. The school year has begun on a very positive note with a total school enrolment of 525 students. It has been with great pleasure that we have welcomed so many wonderful new families to our community. With around 80 students new to the High School, this has ensured that so many new friendships have been forming over these past weeks. It is marvellous to see the delightful spirit of welcome and ‘inclusion’ which permeates All Saints’ as we observe our students getting to know their new classmates. The various orientation programmes and many social functions organised by the College over the summer and during the commencement weeks have supported the inclusion of new students and their families.

Looking ahead, a record number of families from across the state have again applied for the coming All Saints’ ACER scholarship selection testing on Saturday March 1. If you have applied for your child to sit for the round of tests, please ensure that you have submitted to this office a resume (photocopies only) of your child’s academic, cultural and sporting successes, as well as copies of Naplan test results and recent school reports.

On Saturday March 1, the day of the tests, please ensure that the applicant is at the College by 8.30am with pens and pencils at the ready. Morning tea will be provided for the girls and boys. Music applicants will then sit a theory/aural test followed by scheduled auditions throughout the afternoon. A tour of the College for families will be conducted by Mr Ross at the conclusion of the tests. Our best wishes go to all scholarship applicants.
