What an exciting week to be in PreKindergarten. Our ‘t’ sound this week gives us many opportunities for play and learning. Teddy bear play dough, tennis, trampolining, trains, songs, a hunt and of course a picnic. We have also had stories and activities featuring grandparents. We are collecting pictures to post to our grandparents. We are also learning about octagons, the colour brown and enjoyed mixing colours in many different ways to make brown. Play dough, painting and our colour fountains.

We had a great time joining with PK2 for the teddy bears picnic today and are really enjoying the extra friendships formed.
10 YEARS CRICKET

It was an enthusiastic ASC 10 Years team that turned up at Raglan to play St Pat’s White on Saturday. Captain Jonah Siede lost the toss and St Pat’s chose to field first, a brave decision on a very wet ground. The batters were all very steady. Runs were quite difficult to come by given the size of the field and long wet grass in the out-field that slowed the ball. All Saints’ were especially strong running between the wickets and keeping the ball down, with a huge improvement on the previous week. Hugo Goodlet had a wonderful batting session, with 9 runs and no wickets. All Saints’ finished 12/90. St Pat’s also batted solidly during their innings. Some impressive bowling spells were delivered by Tom Siede, Hamish Siegert and Mitch Nelson and Andy Jackman did a great job keeping. Player of the Match went to Dylan James for showing a big improvement in his bowling in both stability and length and St Pat’s White.

12 YEARS CRICKET

The 12 Years cricket team played the first week of their final at Paddy’s Oval. Captain Izac Chirgwin lost the toss and St Pat’s White elected to bowl first. Our opening batsmen, Nick O’Neill and Ben Cant repelled the opposition’s probing attack early and then started to score more freely as the morning went on. The boys rarely looked troubled and finished the first of our 25 overs unbeaten with the total at 61 which was a terrific effort on a wet, slow outfield. The St Pat’s innings started brilliantly for ASC with Sam Rendall clean bowling their opening batsman with his third ball. The game tightened a little after this but Sam struck again by clean bowling their key batsmen with another beautiful delivery. The Saints’ boys fielded and bowled beautifully and managed to restrict the opposition’s scoring significantly as the innings went on. A third wicket was taken off Kian Blackshaw’s bowling with a brilliant catch by Nick O’Neill at square leg. The day ended with some very tight bowling from Jerry Ovenden, Isaac Hope and Cameron James, as well as a wicket to Izac Chirgwin who was the man of the match.

9 YEARS KANGA CRICKET

The All Saint’s U9 Kanga boys had a terrific last game with St Pats Black at Police paddock on Saturday morning. The boys chose to bat first and with the wet field making batting difficult, still managed to make a good score for their innings given the conditions with some excellent running between the wickets and great shot selection. In the field there was some great enthusiasm with everyone keen to get to the ball and backup when necessary, combined with some good catching the boys restricted Saint Pats scoring. Everyone was awarded player of the week as all the skills displayed were a culmination of a year of good effort and practice. The boys can feel proud of how they played on Saturdays and how well they represented the school during the season.

FROM THE CHAPLAIN

Rev. Tony Card

Jesus said to her, ‘Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.’ (John 4:13, NRSV)

This Sunday’s Gospel reading (John 4:4-42) tells the story of the woman at the well, one of the more familiar stories from John’s Gospel. It is a long reading filled with learning for us, but I will focus only on three things. In this recount we find Jesus and his disciples travelling through the region of Samaria. They stop near a village and the disciples leave Jesus at the well while they go to buy lunch. A Samaritan woman comes to the well to collect water and a conversation takes place between the woman and Jesus in which Jesus reveals himself to her as the Messiah. The woman then tells others in the village about him, and Jesus and his disciples stay in the village for two days.

The first area of focus is what Jesus teaches us about who his message of forgiveness and relationship is for. The Samaritans had been in a long running dispute with the Jews that had lasted hundreds of years. They were essentially enemies. So Jesus spending time in this region is teaching us that the good news of Christ is for everyone. He breaks down the barriers of race and culture.

Second, we have the conversation between Jesus and the woman. In the male dominated culture of the time men and women only spoke to each other if they had an existing relationship. Men would not just speak to women to make conversation. So Jesus speaking with a woman (and a Samaritan woman at that) was scandalous. Again Jesus is teaching us that His message is not bound by social convention. He is also reminding us that there are no gender specific roles when it comes to matters of God’s kingdom. This woman was one of the first evangelists; she took the good news to those that she knew and shared it with them. This interaction challenges the church to reconsider the roles of women in ministry.

Third, we learn again of the transformation of lives that a relationship with Jesus brings about. The transformation in this woman was a bit like Jesus turning water into wine. He took what was ordinary and mundane and turned it into something special. He will do the same for us when we put our trust in him. With all the blessings of Christ, Rev. Tony Card.

Thought for the week: They said to the woman, ‘It is no longer because of what you said that we believe, for we have heard for ourselves, and we know that this is truly the Saviour of the world.’ (John 4:42, NRSV)

OPEN DAY AND EXPO 2014

The season of morning mists in Bathurst signifies once again that it’s time for the All Saints’ College Open Day. Last Friday afternoon (14th March), despite a threatening storm, a glorious autumn afternoon saw a large number of new parents and their children choosing to visit the College. A new format for this event featuring an “All Saints’ Expo” was well received by visiting families who found the 10 information stations most useful. Held in the Kemmis Building, for the first time it was possible for families to target specific aspects of College life and to seek relevant information from key members of staff. Visitors also enjoyed tours assisted by College Prefects and Junior School Captains exploring both the Junior and Senior School facilities. The afternoon was complete with ongoing music performances and afternoon tea on the lawn to the strains of jazz with Mr Jon Clipsham and vocalists Sarah Morris (Year 12) and Baden Sinclair (Year 11). A sincere thanks to all of the many students and staff from across the school (and especially to Mrs Parnell from this office), whose willing contributions made the

All Saints’ Open Day and Expo 2014 such a resounding success.
