**HICES Athletics Carnival**

Our Junior School Athletics team will be travelling to Sydney Olympic Park, Homebush tomorrow to compete in the HICES Athletics Carnival. It is a privilege to be able to compete on the same track that the Sydney Olympians used for their warm up. I encourage all participants to put in their best efforts.

**Sudden Death Soccer**

The ASC Under 12s will play Bathurst 75 Cruisers in an elimination final at Proctor Park on Saturday. If they lose it is curtains for the season but if they win they will face the loser of the Eglinton vs Collegians Eagles major semi-final. Good luck team!

**Spring Spectacular**

This year the Spring Fair and the Art Show have been combined to form the Spring Spectacular. The Spring Fair will take place on Sunday 11th September which is only 10 days away! Thank you to all of the parents who have been busy organising stalls and activities for what will be a wonderful weekend of culture, fun and community spirit.

**Driving on ASC Grounds**

Please stick to the 20 km/h speed limit within College grounds. Don’t forget the new 40km/h school zone when dropping off and picking up either!

**Junior School Assemblies**

All parents are welcome to attend Junior School assemblies. In the warmer months they are conducted on the Outdoor Assembly area and during the colder months we move into the Kemmis Building. Assemblies begin at 9.00am.

Last week PK3 went to Bathurst City Library to celebrate Book Week. We enjoyed some stories and songs and had a special visit from, Peter Rabbit. Can you believe the Peter Rabbit stories by Beatrix Potter are 150 years old! This week Pre-Kinder have been exploring the letter ‘w’ and the sound it makes in words. We read the Wind Blew by Pat Hutchins and made windsocks and tested them out in the playground. In Maths we are learning about length, long and short. We are enjoying our Healthy Living Program and are learning more about pedestrian safety. For news the children have been talking about their dads leading up to Father’s day. I asked the children what they like doing with their Dad and have included some of the answers below. We would like to thank Mrs Rivett and Mrs Hornery for all their help in Pre-Kinder and look forward to sharing a yummy breakfast with our Dads.

What I like doing with my Dad!
Sadie (PK3): I like swimming with my Dad.
Elsie (PK3): I love planting with my Dad.
Aleki (PK3): I like playing, cricket, footy and soccer with my Dad.
Will (PK3): I like jumping in the excavator with my Dad.
Rowland (PK3): I like going to work with my Dad.
Sophie (PK2): I like to cook with Dad.
Mia (PK2): I like to do gymnastics with Dad.
Noah (PK2): I like to play Lego with my Dad.
Dylan (PK2): I like to ride the motorbike with my Dad.

Kind regards, Deb Porter
NETBALL

Way to go,
Three in a row!
ASC Under 10 Orangutans vs Out Of Touch Peacocks

Well the day had come
It was finally here
Our last netball game
For the 2016 year

We started out shaky
Was this the end of our run?
Then Mia shot a goal
Yipee... One from one

Next in was Sarah,
Shooting some hoops
Parents shouting from the sideline
Trying to rally the troops

Caitlin was running
All over the court
Lily intercepting passes
The opposition had naught!

Charlotte lined up a goal
And got it straight in
The game was so close now
We didn’t know who would win

Sophie took centre
And passed it out fast
Then Olivia rolled her ankle
Was our team going to last?

What was the score
Did anyone know?
So close we could taste it
Come on whistle BLOW!

“Lords of the Rings”
That could be our new name
No I’ve got one better
“Dames of the Game”!!!!

Well done to the ASC Orangutans, who have had a fantastic end to their season.
A huge thank you to the wonderful coaches; Sara Reynolds, Genevieve King and Zoe Lewis.
Plus a big cheer for all the parents who support the girls each and every week.

Gorillas battle Panthers for grand final spot
Under 12A Semi-Final Preview

ASC Gorillas will attempt to advance straight to the grand final when they take on Panthers Clewsy’s in the Under 12A major semi-final this Saturday.

The Gorillas go into the match in top form after a convincing 30-16 win over fellow finals contenders Bulldogs BGs last Saturday.

The win wasn’t enough to give ASC top spot on the ladder with Panthers Clewsy’s, who finished their regular season with an even more impressive 46-10 rout of OOT Toucans, just shading them on for and against.

Both teams have only lost once this season, to each other, with Panthers Clewsy’s defeating ASC 17-11 way back in round one and the Gorillas turning the tables in Round 7 to win 24-8.

This match should be a thriller so if you are able be there at 10:30am to support the Gorillas.

All Saints’ short circuit electric Eels
ASC Under 12s vs Eglinton Eels
All Saints’ prepared for next week’s semi finals in the best possible way with a 3-1 win over competition leaders Eglinton Eels at Proctor Park on Saturday.
The first half was tight with both teams making forays into the opposition’s half.
Josh, Fintan, Tom, Bella, and Callum were very strong across the backline with Will P and Hamish controlling play in the middle and James making some great loud calls and saves in goal.
Our attackers were having trouble penetrating the solid Eels defence, in no small part due to the strong performance of Mr and Mrs Anderson’s daughter, Joely.
The match was deadlocked 0-0 at half time but shortly after the break Will P scored a stunning goal from a corner that somehow managed to find the back of the net.
Will T, Justin, Issac, Joey and Will M came close to scoring before Hamish added another.
The Eels struck back with a goal, but Gus ended any thoughts of a comeback with ASC’s third.
While ASC were strong in front of goals it was their solid defensive play and accurate passing that laid the groundwork.

Marmosets fight to the last
ASC Marmosets vs Bathurst ’75
The mighty Marmosets put in one of their best performances of the season to keep a powerful Bathurst 75 team to a one all draw at Proctor Park on Saturday.
Although the Marmosets were flat out defending for the majority of the match, they never gave up and supported each other for the entire game.
The player of the week medal was shared by Evie Brown and her brother Felix.
Evie was magnificent at goal keeper in the first half and Felix played a full game to make up numbers due to players being away sick.
Well done Marmosets!

Hockey
Fiery Phoenix blazes his way to a goal
Under 9s Minkey Hockey
On a smashing Saturday morning at the Hockey fields, the ASC Under 9 Hockey team joined up with Souths to form the ‘Yellow Team’.
We played the ‘Blues’, which was made up of a combination of Pats and Souths.
In the first half, Phoenix was quick to score a goal, followed by Sienna.
Harry was strong on defence, backed up by Sam.
In the second half, Sienna scored again and Charlotte demonstrated some great attacking moves.
Phoenix kept the pressure on, pushing the ball through with style.
It was a good game and the ‘Blues’ came out on top.
Phoenix was named player of the match and took Hockey Bear home this week.
Big thanks to Imogen, Sienna and Leonard for joining our team.
Thanks also to the parents and grandparents who turned out to support the players, to Phoenix for Captaining the team, his Mum for the half time fruit, and especially to Deb for her dedicated coaching.

INCORPORATING SPRING FAIR & FESTIVAL OF ART
Nationally Consistent Collection of Data on School Students with Disability

Background to the Nationally Consistent Collection of Data on School Students with Disability

In May 2013, all Education Ministers from Commonwealth, state and territory governments endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they are provided to enable them to participate in education on the same basis as other students.

Authority for the collection of information for the purposes of the NCCD

The Australian Education Regulation 2013 (the Regulation) (www.comlaw.gov.au/Details/F2014L01723) requires the operators of government and non-government schools (approved authorities) to provide information to the Australian Government Department of Education and Training (the department) for the purposes of the NCCD.

The information that approved authorities must give to the department is set out at subsection 58A(2) of the Regulation. This includes, in relation to each student with a disability at a school operated by the approved authority:

- the student’s level of education (i.e. primary or secondary)
- the student’s category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student’s level of adjustment (i.e. support provided within quality differentiated teaching practice, supplementary, substantial or extensive adjustment).
The information **will not identify individual students** (subsection 58A(3) of the Regulation); no information that could reasonably enable the department to identify individual students will be provided by approved authorities to the department\(^1\).

Other details about the information to be collected and the format in which the information is to be provided to the department, will be contained in guidelines approved by the Education Council (the committee of the Council of Australian Governments comprising the Commonwealth and state and territory Ministers responsible for education). The NCCD guidelines are available on the department’s website at [www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines](http://www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines)

**Collection and disclosure of school level information**

The information collected by schools for the purposes of the 2016 national data collection will ultimately be provided to the department. In some cases this will involve the school passing the data directly to the department and in other cases the school will provide the data to its state and territory government agency or other relevant body, depending on the school’s particular arrangements. The state and territory government agency or other body will further de-identify school level data, and may aggregate the data at the state and territory level, before providing the data to the department.

The department, on behalf of the Joint Working Group\(^2\), will use the information collected for the purposes of preparing reports for and briefing the Australian Education Systems Officials Committee and the Education Council in relation to the NCCD. For the purposes of preparing these reports or briefing material, the department will ensure that the information is aggregated sufficiently so that no student’s identity could reasonably be ascertained.

The aggregated information held by the department may also be used as an input to policy development for future funding and other policy requirements as required by the Education Council.

---

\(^1\) In the event that NCCD information given by an approved authority to the department does indirectly enable the department to reasonably identify an individual, the disclosure of that information by the approved authority, and the collection of that information by the department, are both authorised by law for the purposes of the Privacy Act 1988 (Cth). Nevertheless, the department will seek to de-identify NCCD information that inadvertently contains identifying information.

The department’s Privacy Policy, including further information about how individuals can access and correct personal information the department may hold, or how to make a privacy complaint to the department, is available at [www.education.gov.au/privacy](http://www.education.gov.au/privacy).

\(^2\) The Joint Working Group to Provide Advice on Reform for Students with Disability is comprised of representative members from all state and territory government educational authorities, Independent Schools Council of Australia, the National Catholic Education Commission, the Australian Curriculum, Assessment and Reporting Authority, and the Australian Government.
The department will not otherwise disclose any personal information to third parties, including overseas recipients, without consent or unless authorised or required by law.

Contact

For further information about the collection, use or disclosure of information for the NCCD please contact: SWDPolicyTeam@education.gov.au.
