Infants Thanksgiving Service
On Friday 25 November all of our Infants students will be celebrating the end of the school year by participating in the annual Infants Thanksgiving Service. The Service will be on the Chapel lawn and will begin at 9.15 am. All parents are most welcome to attend.

Year 6 Chapel and Valedictory Dinner
Our Valedictory Chapel Service and Dinner for our Year 6 students will be held on Friday 25 November. The service will be held at the College Chapel and will begin at 6.00 pm. The Valedictory Dinner will be held at The Carrington in Keppel Street and begin at 7.15 pm.

Pre-Kindergarten Christmas Concerts
Our Pre-Kindergarten classes will have their Christmas Concerts next week. These concerts are always a wonderful celebration for the students and will take place on the following dates: Pre-K 3 - 30 November, Pre-K 2 - 1 December and Pre-K 5 - 2 December.

Inter-House Competitions
Congratulations to Bradwardine House for winning the Public Speaking and Debating Competitions.

Both events displayed the wonderful oratory skills of the students in both houses.

Congratulations to Esrom House for winning the Ball Games Carnival. The competition was close for much of the Carnival until Esrom nudged in front in the last few games.

Hats
Please ensure that your child has their school hat with them every day. Students must wear their hats during recess and lunch play. It is also advisable for your child to apply sunscreen before they come to school.

Junior School Assemblies
We had our last Junior School assembly for the year last Friday. Our final formal gathering for 2016 will be Junior School Presentation Day on Thursday 8 December at 9:00 am

PRE-KINDERGARTEN NEWS

Even though we have finished our phonemes and Maths for the year there is still so much to do and enjoy. It is amazing to see how much the children have grown, developed and changed over these last 10 months. It has been a joy and a privilege to share this journey together. We have been preparing for our concert and practicing lots of different songs, actions, props, instruments etc and can’t wait for the concert. The children enjoyed watching some of the ball games carnival last Friday and as we had been practicing our own version of Captain Ball, we joined in too. The Christmas craft is in full swing and we are really enjoying our ‘elf.’ We have made stars, reindeers, Christmas trees and multiple decorations for our Christmas tree. Pre-K 5 look forward to you joining us in our room next Friday 2 December at 9:30 am sharp for an experience to remember. The Pre-K 3 concert is on next Wednesday at 9:30 am and the Pre-K 2 concert next Thursday at 9:30am.

Mrs Sally Parsons

Guitars galore! The children are doing a wonderful job practicing for our big Christmas concert.

Everyone enjoyed the dress ups. Harrison is really enjoying his ‘elf.

Amelia displaying roses and candy cane plasticine. Amelia and Leila built many amazing structures!

Pre K5 had been practicing captain ball and joined in at the Ball Games carnival.

Striking a balance ... Elisabeth and Amelia on the seesaw.

Gabe’s furry friend Mr Bunnington was a very popular visitor.

All abuzz ... Ethan brought a collection of insects from his garden.

Princesses Maya and Lily.

QUARRY DUST
Reverend Paul Woodhart

Through Sale and Fire.

Marsden Church of England Girls School was the Bathurst Diocesan Girls School which was ‘across the river’ from the All Saints’ boys establishment. Marsden School continued from 1925-1977 when it was amalgamated with All Saints. The buildings, including the Chapel were sold and are now part of the Holy Family School in Kelso. The Marsden Chapel had the title of ‘The Chapel of the Annunciation’, referring to the passage in Luke’s Gospel chapter 2, verses 26 to 56. The Chapel shell still stands. Here is a photo from the Marsden Handbook.

The Chapel was on the top floor of the building at the right of the picture. Inside it was a model of a loved place of worship.

Some time after, the pews were moved to St Barnabas church, South Bathurst. They were well and truly in use when I was posted there in 1992.

However the front bookrests were not used and stored under the stage in St Barnabas hall. As I was there for 12 years, every Fete day we would take out the tables on which to put the produce and I would notice these bookrests.

At the dedication of the new altar, pieces Kauri Pine were given to the Marsden Ladies who attended. However in February 2013 the Marden pews were burnt and lost in the St Barnabas fire. Here is the same view of the inside.

The ‘new’ altar and the lectern from Marsden remain in our Chapel. Long may they be in use.

They were made from stained Kauri Pine, an easily workable wood. When I moved to All Saints’ in 2004 we decided to make these into a new ‘Altar’ or Communion Table for the Chapel. This was done and ceremoniously the new altar was carried into the Chapel by Marsden Boarders. It is the centre piece of the Chapel.

**Charlie in charge**

**Under 11s**

ORC’s decision to send ASC into bat appeared to have backfired on Saturday with openers Lachlan and James determined to set a good platform.

James was the first to fall followed by Lachlan who was out in the 11th over. Charlie and Noah followed up in style with Charlie even smashing a six! He ended up scoring 34 not out to help ASC to a total of 91.

ASC defended their total well with Isaac taking a great catch off Lachlan’s bowling.

Quick as lightning, Noah threw the ball to Charlie who pushed the ball to the stumps to run out the second batsman!

Lucas also bowled very well and ASC’s fielding was tight but unfortunately it wasn’t enough to stop ORC from taking the victory.

Charlie was Player of the Match for his batting, bowling and keeping.

**ASC Under 7s shine with both bat and ball**

**Kanga 7s**

The Kanga 7s put in a great all-round performance against Scots at the Scots School on Saturday.

All Saints bowled first and did a good job of restricting Scots’ scoring. They also did a good job with the bat.

A very big thank you to Mr Monico for coaching this week.

It was very hot at the game and everybody well and truly deserved a big drink at the end.

Player of the match went to Emily.

This Saturday 26 November is the Kanga 7s last game for the year!

There will be no more training this year and we will recommence in 2017!

**Sportsmanship the name of the game for Under 9s**

**Kanga 9s**

It was finally cricket weather as the ASC Kanga 9s assembled at Brooke Moore Oval.

Noah English from Year 1 bolstered the ranks for the game and was an integral member of the team.

After losing the toss ASC batted first and made a good score.

There were plenty of personal-best run scores and excellent running between wickets contributed to an imposing target for the opposition.

Isabel Randall played her first match this week while Aston Hornery and Lizzie Walsh gallantly offered to play for the other team.

It was great display of sportsmanship to assist the opposition who were low on numbers.

Player of the match was Banjo Goodlet, who once again impressed with his bowling, batting and fielding.
Each year All Saints’ College offers students who are Australian citizens a number of Scholarships. The following categories of scholarships will be awarded to students who will be entering Years 5, 7, 9, 10 and 11 in 2018:

• **Academic Scholarships (Years 5, 7, 9, 10 and 11)** are awarded essentially on the basis of the results obtained in the annual cooperative ACER scholarship examination. Applicants should have a commendable academic record supported by a personal resume showing academic and co-curricular achievements. Applicants who are new to the College will also be invited to an informal interview.

• **Head of College Awards (Years 7, 9, 10 and 11)** are made on the basis of the results obtained in the annual ACER examinations as well as on the applicant’s co-curricular achievements. Head of College Awards are by definition not scholarships but are a recognition by the College of the contribution to be made by a genuine all-rounder to the life of All Saints’ College through their participation in all aspects of school life. A comprehensive resume demonstrating the candidate’s achievements is required and applicants who are new to the College will also be invited to an informal interview.

• **Music Scholarships (Years 7, 9, 10 and 11)** are awarded to students who have attained a high level of instrumental performance achievement for their age level. Music scholarships are awarded on the basis of the results obtained in the annual ACER scholarship examinations. In addition, music scholarship candidates are required to prepare for a short audition and to sit a simple theory/aural test. A comprehensive resume demonstrating the candidate's background and musical achievements is required and applicants who are new to the College will also be invited to an informal interview. A confidential report from the current instrumental tutor is also required.

**2018 All Saints' Scholarship Applications Open Now**

Applying for Scholarships

All Saints’ College participates in the national ACER (Australian Council for Educational Research) Cooperative Scholarship Testing Program. Applicants sit the examinations (usually at All Saints’ College) in late February of the year prior to enrolment. For example, for those wishing to apply for a scholarship for Year 7, the candidate must sit the examination while currently in Year 6 – having registered for the examination towards the end of Year 5.

Nationally Consistent Collection of Data on School Students with Disability

Background to the Nationally Consistent Collection of Data on School Students with Disability

In May 2013, all Education Ministers from Commonwealth, state and territory governments endorsed the implementation of a nationally consistent collection of data on school students with disability in all Australian schools (government, independent and Catholic).

The nationally consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students with disability in schools and the adjustments they are provided to enable them to participate in education on the same basis as other students.

Authority for the collection of information for the purposes of the NCCD

The Australian Education Regulation 2013 (the Regulation) (www.comlaw.gov.au/Details/F2014L01723) requires the operators of government and non-government schools (approved authorities) to provide information to the Australian Government Department of Education and Training (the department) for the purposes of the NCCD.

The information that approved authorities must give to the department is set out at subsection 58A(2) of the Regulation. This includes, in relation to each student with a disability at a school operated by the approved authority:

- the student’s level of education (i.e. primary or secondary)
- the student’s category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student’s level of adjustment (i.e. support provided within quality differentiated teaching practice, supplementary, substantial or extensive adjustment).
The information will not identify individual students (subsection 58A(3) of the Regulation); no information that could reasonably enable the department to identify individual students will be provided by approved authorities to the department\(^1\).

Other details about the information to be collected and the format in which the information is to be provided to the department, will be contained in guidelines approved by the Education Council (the committee of the Council of Australian Governments comprising the Commonwealth and state and territory Ministers responsible for education). The NCCD guidelines are available on the department’s website at [www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines](http://www.education.gov.au/nationally-consistent-collection-data-students-disability-guidelines)

**Collection and disclosure of school level information**

The information collected by schools for the purposes of the 2016 national data collection will ultimately be provided to the department. In some cases this will involve the school passing the data directly to the department and in other cases the school will provide the data to its state and territory government agency or other relevant body, depending on the school’s particular arrangements. The state and territory government agency or other body will further de-identify school level data, and may aggregate the data at the state and territory level, before providing the data to the department.

The department, on behalf of the Joint Working Group\(^2\), will use the information collected for the purposes of preparing reports for and briefing the Australian Education Systems Officials Committee and the Education Council in relation to the NCCD. For the purposes of preparing these reports or briefing material, the department will ensure that the information is aggregated sufficiently so that no student’s identity could reasonably be ascertained.

The aggregated information held by the department may also be used as an input to policy development for future funding and other policy requirements as required by the Education Council.

---

\(^1\) In the event that NCCD information given by an approved authority to the department does indirectly enable the department to reasonably identify an individual, the disclosure of that information by the approved authority, and the collection of that information by the department, are both authorised by law for the purposes of the Privacy Act 1988 (Cth). Nevertheless, the department will seek to de-identify NCCD information that inadvertently contains identifying information.

The department’s Privacy Policy, including further information about how individuals can access and correct personal information the department may hold, or how to make a privacy complaint to the department, is available at [www.education.gov.au/privacy](http://www.education.gov.au/privacy).

\(^2\) The Joint Working Group to Provide Advice on Reform for Students with Disability is comprised of representative members from all state and territory government educational authorities, Independent Schools Council of Australia, the National Catholic Education Commission, the Australian Curriculum, Assessment and Reporting Authority, and the Australian Government.
The department will not otherwise disclose any personal information to third parties, including overseas recipients, without consent or unless authorised or required by law.
