Internet Bullying Play
• A play organised by CSU Communications students was held for our Yr. 7 – 11 students on the topic of Cyber-bullying. This was part of a series of events the school has held on this very important topic. It was informative and entertaining.

House Athletics
• The House Athletics Carnival was held on our alternative “rain day” with Long the victors. Heats are held with each year group prior to the day and I would like to thank Mr Gardner and Mrs Nelson for their organisation.

House Music Festival
• Often described as one of the major events to be held in the Senior School, this student driven activity was again a popular event. Thanks must go to the music department for their assistance and Mr Jones for MC’ing the night. The results can bring on many emotions for our Year 12s who put much effort into each Houses performance. Barton the best Musical House in 2011.

Big Night Out
• Another music night run by the Year 12s as a fundraiser for their present to the school. Students perform musical items and we were surprised by some of the talent on show. A special thankyou to Mr Garry Anderson and Mr Simon Morris for providing sound and lighting equipment.

Parent teacher Interviews
• We have finished all interviews which were this year available for parents to book on-line. We had frustrations with each year group and “glitches” with the software program but hope these have been solved for future years. Feedback from parents has been positive.

Subject Selections Forms
• Following on from our Cyber- Parent teacher interview, we have sent out some of our subject selection forms (Yrs. 8/9) via email. These are to be returned via email which will aid in their compilation. Students will have a good idea about their subjects by the end of term.

Leadership Seminars
• We made the decision to change part of the process of Leadership selection for Yr 11’s by holding Leadership Seminars (camp) prior to selection. These were held last Sunday and yesterday evening. Our reasoning was to make this available to the bulk of Yr 11s rather than a select few after they had gained a position of leadership at school. All senior students play an important role in Leadership whether they are a Prefect or House Captain.
