### Subject Selection for 2010

**Attention parents of Years 7-10**

The process of selecting subjects for 2010 is now beginning. This is the start of a lengthy process that will culminate in the 2010 timetable. It is necessary to begin this early to give appropriate time for deliberations in relation to which subjects will run and the staffing of same. Please note the dates below carefully. In particular, I would encourage all Year 10 students and their parents to come along to the subject selection information evening on Monday, 27th July. There will be a brief presentation, limited to less than thirty minutes, with the opportunity for questions. Beginning at 7pm, we will be on our way home before 8pm. The main purposes of the evening is to explain the mechanics of subject selection, give advice on the basis for wise subject selection, and to dispel some myths regarding scaling and the UAI (now ATAR). I look forward to seeing you there.

**Yachiyo Shoin IGS group visit postponed**

The Yachiyo Shoin IGS group visit has had to be postponed because of Swine flu. However, they are considering coming in October. This has not yet been definitely decided, but it seems highly likely that they will come.

Our College is very grateful for the support we received from school parents and friends who were intending to participate in this event. We greatly regret that we had to disappoint them at a very late stage. However, we sincerely hope that our parents and friends will continue to support us in these visits in a more fortunate future. 2009 SPRING FAIR GARDEN STALL

Last year’s Garden and Produce Stall run by year 4 Parents and Students was a huge success. This year can be even bigger and better with your help. If you are a bit of a “green thumb” it would be greatly appreciated if you could pot up any seeds, seedlings or cuttings from your garden now for us to sell at the Spring Fair. If you have anything that you would like to discuss or any more ideas for this stall, please give me a call. Thanks in advance Ruth Crampton 0427 373 990 and Dion Reynolds – Class Parents
