Tree Planting

The P & F are planning a working bee to replace some of the trees which have died at the front of the school. We will hold a working bee on Saturday, 30th May at 9am. Please bring your own fork and spade for digging. All volunteers welcomed.

**Year 7 in 2010 Information Night**

All Saints’ College Bathurst is staging an Introduction to the Year 7 Stepping Programme to assist parents and students in their decision-making on future education.

Students planning for Year 7 in 2010 are invited to attend in the College Chapel on Tuesday, 2nd June 2009 at 7.30pm - 8.30pm. A light supper will be served.

It’s all part of our extended caring support.

**SPORTING ACHIEVEMENTS**

Congratulations to Charlie Clifton who has been selected in the ISA Rugby Union squad. Similarly to Cameron Picker for selection in the CIS Rugby League team. Both boys will be competing soon for these organisations. Danielle Plummer has earned a spot in the Girls’ AICES football team with a strong display at the trials last week as too have Amelia Burke and Anna Feebrey in the CIS Hockey team. We certainly do have a wealth of sporting talent at the school.

**RED SHIELD APPEAL**

Next Sunday 24th May, is the Salvation Army’s Red Shield Appeal. Captain Daniel Ross from our local branch spoke to our assembly on the 12th about the work of the Salvos and their need for funds for their many projects. We are still seeking assistance from any students that can spare a few hours on Sunday morning for this worthwhile cause. If interested please see Reception for more detail. Parents, perhaps a little coaxing from your would help.

**BIG NIGHT OUT**

Tomorrow night is the Big Night Out. This is a fundraising event for the Year 12s and showcases the musical talent (!!!) of many of our students. It is an enjoyable night where the money raised is used by the Year 12 students for their gift to the school. Tickets are only $5 which is very reasonable for a night’s entertainment.

**THOUGHT:** Along with success comes a reputation for wisdom. Euripides
Registrars’ Rave

Fantastic weekend at Dubbo Boarding Expo. Elliot and I met many very interested families for the next few years from all over NSW. As always very exciting to see the active and genuine interest from these prospective families. The message coming across to us was that families are looking for schools closer to home that still have that regional/country feel. As most of you know I have no qualms about extolling the virtues of our College.

Reminder again that Transition applications and Kindergarten enrolments for next year close next week. Kindergarten places are becoming very limited already, so please email me or call to confirm your plan. Absence of a response will indicate that you will not be requiring a place for next year.

Another reminder too Year 7 information evening: 19:30 – 20:30. Please RSVP for catering purposes (as detailed on your recent letter from Dr Peter Miller). If you know anyone that is thinking of All Saints’ as an option for their child please bring them along. It certainly will be a great night with relevant information for that next big step.

Coonabarabran Horse Expo. On another note which again demonstrates the level of commitment from our students and parents (without whose support none of this would be achievable) is our pending Coonabarabran Horse Expo. We again have another strong team entered. Competing from Saturday, 30 May concluding with the Grand Parade Tuesday 2 June 2009. This includes all equestrian disciplines. The girls and boys entered show real dedication as this is over and above their normal school sporting commitments. This is another event in which it is great to show off the school community so a huge thank you to Annie Phillips as Team Manager and all the other parents that have rallied around to make sure that both horse and rider make it there.

PRIZE TO BE WON - bottle of Elliot Rocke wine (red or white. Just as a little piece of fun (and serious) market research we—the Hotel needs numbers for catering!!!

IMPORTANT ASTHMA INFORMATION FOR TEENAGERS

Whilst parents and family are there to help, teenagers should be aware that they too can successfully and responsibly manage their own asthma. Tips to help teenagers manage their asthma include:

1. Remind them to always carry a blue reliever puffer with them and use when asthma symptoms occur.
2. To educate their family and friends about their asthma, and how to deal with an emergency.
3. Reminding them that having asthma doesn’t make them different from others and encourage them to participate in sport and social events.
4. Understanding what triggers their asthma and avoid exposure where possible.
5. To avoid smoking and smoky areas.
6. To use their reliever medication before exercise, this includes dancing, according to their doctors recommendations.
7. To work with their doctor to formulate a written Asthma Action Plan and have it reviewed every six months or more often if they have a severe attack.
8. Include them in all discussions and the decision-making process about the management and monitoring of their asthma.
9. Many teenagers rely on their reliever medication rather than continuing to take preventer medications. Remind them that this can be dangerous and that preventer medications, if prescribed, are important as they help stop the inflammation inside the airways.
10. If they are reluctant to take their medications, encourage them to monitor their asthma with a peak flow meter and to adjust their medications according to their Asthma Action Plan.
