SCHOOL CERTIFICATE EXAMINATION
The School Certificate Examinations will commence Monday, 9th November, with English in the morning and Science in the afternoon. Tuesday will be Mathematics and History/Geography and Civics. These examinations are conducted by external supervisors from the Board of Studies as well as a representative from the school. Students are reminded not to take a mobile phone or iPod into the examination for security reasons. Pens and pencils must also be in a clear case/bag. Wednesday morning will be the computing skills test, but this will be conducted by our own staff in a similar format to the trial.

CARCOAR SHOW
Mrs Ferguson and a selection of agriculture students visited the Carcoar show last Saturday as a prelude to the Scone Show starting tomorrow. The steers and heifers were at their finest and we came away with a swag of ribbons – too many to mention. Some of the students were also successful in parading and leading the animals. We wish them well in the final show of this agricultural program.

MOVEMBER
There are some very lazy male staff members at the moment claiming to have lost their shavers. It is great to see the support for this worthwhile cause amongst the staff. Perhaps we may get the students to vote for the best “mo bro”. Bring on December!

Thought: I never think of the future - it comes soon enough. Albert Einstein

Lost Property Reminder
Parents and students are urged to check the lost property bins located in the Bickerdike Centre, the Bookshop and the laundry before the end of term. Unclaimed items will be sorted at the end of the year. Unclaimed uniform items will be returned to the Uniform Shop to be sold second-hand and casual clothing will be donated to charity.

FROM THE CHAPLAIN
Fr Paul Woodhart
I was thrilled with the turn out to the All Saints’ Day service last Sunday at the Cathedral. Over 80 of our students were there and their behaviour was exemplary.

My encouragement to all those who are preparing for exams. Our Boarders’ Chapel will be after dinner on Sunday evening.

Father Paul.

Representative cricket selection

Congratulations to All Saints’ College students Max Hope (Year 8), Michael Waldren (Year 7) and Bill Hurley (Year 9) for being selected for representative cricket teams for the 2009/10 season.

All three boys are members of the All Saints First Eleven. Max and Bill (Under 16 age division) and Michael (Under 14 age division) have been selected to represent Bathurst in the Mitchell Cricket Councils competition against Orange, Lithgow, Mudgee and the Blue Mountains. All three boys were team mates last season in the Bathurst under 14 team that took out the MCC grand final against Lithgow.

On top of that Max and Michael have taken the next step being selected in the Western Zone team for the 2009/10 season.

All three boys are members of the All Saints First Eleven.

Waldren (Year 7) and Bill Hurley (Year 9) for being selected for representative cricket teams for the 2009/10 season.

As always, there is a huge amount of activity whether at school or within the local community from both the Junior and Senior Schools. It always makes me feel proud (and I am sure you feel the same), when we receive positive and encouraging feedback regarding our students. A number of different people have actually commented on not only the appearance (in uniform) of our students, but in particular have mentioned the polite and courteous behaviour. Standing back not pushing in front of people and holding doors open, to mention just a couple, makes our girls and boys stand out from the crowd. Keep up the good work as it does take time and perseverance from all involved in the students’ lives.

Transition Orientation days are next week so please confirm ASAP with Leonie Keogh whether or not you are planning to attend.

As I have mentioned previously if you have had a change to any of your contact details then please complete the online change of details form and submit it to us so that we can ensure that all your details are correct. Additionally, if you are looking at any changes for next year then please advise Ros ASAP. Shortly you will also receive a letter from Peter Miller regarding day to day necessities for school. Again please take the time to read this and if there is anything you are uncertain about, then contact Ros or Belinda at Reception.

I look forward to seeing you all at the various activities between now and the end of term, as Lucy will continue to the end of the year while I can sit back and become a lady of leisure!! (I wish).

I would love to keep hearing your news so please keep in touch. My email address is kirbythompson001@hotmail.com. We would also love to see anyone on their way through Abu Dhabi there’s plenty of room at our new “compound”.

I wish you all every success and continued enjoyment at Saints’. I will miss everyone tremendously and as I travel around looking at schools for Lucy I can say with conviction that we are very lucky here in what we have at Saints’. The school really does care about the students!

Till I see you in Abu Dhabi.

A COMMENMEMATION OF REMEMBRANCE SUNDAY

8th NOVEMBER 2009 AT 8 AM

Remembrance Sunday will be commemorated at All Saints’ Anglican Cathedral, Bathurst this Sunday, 8th November 2009 at 8am. Dean Andrew Sempell will be the preacher. The service will include an act of remembrance to commemorate all those who have died in service of our nation during times of war and conflict. There will also be prayers for peace and the welfare of our nation.

At the end of the service the congregation will move to the Warriors’ Chapel to dedicate two flags carried by Lieutenant Colonel Clive Thompson AAMC, DSO, MC, VD, BSc, MB, MS at Gallipoli and on through to the Western Front during the Great War 1914-1918.

The flags were given to All Saints’ College and were later presented to the students’ Chapel to dedicate two flags carried by Lieutenant Colonel Clive Thompson AAMC, DSO, MC, VD, BSc, MB, MS at Gallipoli and on through to the Western Front during the Great War 1914-1918.

A special invitation is extended to all service and ex-service personnel as a memorial to all the former students of the College who served in the Great War 1914-1918.

Peru's diverse landscapes and colourful history are worthy of intimate exploration. This itinerary does just that combining the historical and natural attractions with a trek along the classic Inca Trail and a fascinating and worthwhile community project. The range of highlights begins in Lima where we gain a fascinating insight into Peru’s history with visits to the well adorned museums and galleries. Next, we cruise to the Ballestas Islands (Peru’s Galapagos) taking in the marine mammals and birdlife, then continue to the fascinating Nazca Lines. From Arequipa, the beautiful ‘white city’ where the 16th century Santa Catalina convent is located, our journey continues to the Colca Canyon, the deepest in the world, where significant numbers of butterflies and condor proliferate. The cultural section of our itinerary concludes with a homestay with the Uros Indians on Lake Titicaca, followed by our exploration of Cusco and the Sacred Valley where we are presented with a living day collection of the Inca legacies. It is in the Sacred Valley in a small village called Tastay where we spend 2 days working alongside the locals on a variety of tasks such as assisting in the construction of the small school library, helping out in their community run greenhouses or giving some lessons in the school. This time will be rewarding and fascinating, and maybe even a little hard work!
