background in media and

very closely with Mayor Paul

While we warmly welcome
Mrs Cox to this new role, we
are sad to see Mrs Thompson
leave us. We are grateful for
the wonderful contribution she has made to the
College since she was appointed in July of last
year. The future is bright for
our school with strong interest
in enrolments for next year

to working with Mrs Cox as
we look to securing future
enrolments and serving our

The busy calendar of final

number of events at which you
will see both Mrs Cox and Mrs
Thompson. Please make Mrs
Cox welcome and give your
best wishes to Mrs Thompson
for the adventure she and Lucy are about to
embark upon.

**FROM THE CHAPLAIN**

**Fr Paul Woodhart**

This is the first public occasion that I have to thank so
many of you for the help and support which was given
for the Benefactors’ Service at the end of last term
such a moving time.

During Chapels I made reference to the many symbols
used at that service, such as the College cross, flags
and robes. My personal aim thought for all of us,
and through the College motto is: While always
acknowledging God, to look for and develop those seeds
of talents which God has planted in us. Father Paul.

CSI WORKSHOPS
Are you interested in the answers to these questions? What role does a forensic scientist have at a crime scene? How is evidence preserved? How does a forensic anatomist reconstruct a face?

You now have the opportunity to experience, learn and investigate a crime scene, then follow the clues….. The University of NSW offers a practical, hands on, 2 day workshop on location at a mock up crime scene and then a laboratory. It’s educational, practical entertaining and fun.

For more details, see your Science teacher or Mr Inglis.

ASC Boarders’ P&F change of meeting
The Boarders’ P&F AGM and General meeting will now be held Saturday, November 21. Further details with meeting time and place TBA. Look forward to seeing you there.
