**PREFECTS CAMP**

The Prefects are off to a camp Monday and Tuesday
2nd – 3rd November at Galston. Activities planned
include looking at what makes a good leader,
cooperation and team work, lateral thinking and
effective communications. I am sure they will find
the experience rewarding, but also fun.

**INCA TRAIL**

After our successful trip to Nepal this year, the
school would like to offer a trip to Peru incorporating
the Inca Trail in the June-July Holidays next year.
The planned itinerary includes sightseeing in Lima,
Nazca Lines, Colca Canyon and the floating Uros
islands in Lake Titicaca. We will visit Cusco, walk
the Inca Trail and visit Machu Picchu. An important
part will be visiting a remote Andean village and
assisting in a 2 day community project. Please see
the attached flyer to this document and note an
information evening is planned for November 18th.
More information can be obtained from me.

**FROM THE HEAD OF COLLEGE**

Dr Peter Miller

Welcome to the new Registrar

Due to the relocation overseas of our existing
Registrar, Mrs Jane Thompson, at the end of
November, I am very pleased to announce to the
College community the appointment of our new
Registrar.

Mrs Roslyn Cox will commence at All Saints’
College on Monday, 26 October. She will work
alongside Mrs Thompson in a hand-over for the
next week. Mrs Cox has a background in media and
marketing with her most recent role involving her working
very closely with Mayor Paul Toole at the Bathurst Regional
Council. Mrs Cox and her family relocated to Bathurst
twelve months ago and she has two children in the All
Saints’ Junior School.

While we warmly welcome Mrs Cox to this new role, we
are sad to see Mrs Thompson leave us. We are grateful for
the wonderful contribution she has made to the
College since she was appointed in July of last
year. The future is bright for our school with strong interest
in enrolments for next year and beyond. I look forward
toworking with Mrs Cox as we look to securing future
enrolments and serving our current community.

The busy calendar of final
weeks of the year includes a
number of events at which you
will see both Mrs Cox and Mrs
Thompson. Please make Mrs
Cox welcome and give your
best wishes to Mrs Thompson
for the adventure she and Lucy are about to
embark upon.

**FROM THE CHAPLAIN**

Fr Paul Woodhart

This is the first public occasion that I have to thank so
many of you for the help and support which was given
that service, such as the College cross, flags
and robes. My personal aim thought for all of us,
and through the College motto is: While always
acknowledging God, to look for and develop those seeds
of talents which God has planted in us. Father Paul.

Are you interested in the answers to these questions? What role does a forensic scientist have at a crime scene? How is evidence preserved? How does a forensic anatomist reconstruct a face?

You now have the opportunity to experience, learn and investigate a crime scene, then follow the clues…. The University of NSW offers a practical, hands on, 2 day workshop on location at a mock up crime scene and then a laboratory. It’s educational, practical entertaining and fun.

For more details, see your Science teacher or Mr Inglis.

Belltower Official Opening

SATURDAY, 31st OCTOBER, 2009 AT 11 AM

Anticipation is building as Bathurst prepares for the official opening of the All Saints’ Cathedral Belltower on Saturday, 31st October at 11am. The bells are in place and have been rung several times now since the inaugural ring on 26th June. Finishing touches are currently being made to the tower in preparation for the big event.

Governor to Open the Tower

We are delighted to have the Governor of NSW, Her Excellency Professor Marie Bashir, AC, CVO, to officially open the new belltower. Professor Bashir has always been a great supporter of life in regional NSW and we look forward to her participation in this historic event.

The ceremony will be conducted in Church Street at the entrance to the tower. Her Excellency, the Governor, will open the tower by the cutting of a ribbon and the unveiling of a plaque. This will be followed by the Dedication of the Tower by the Anglican Bishop of Bathurst, The Right Reverend Richard Hurford OAM, who will be assisted by other church leaders. The Dedication will include our local bellringers ‘sounding’ each bell as they are called forth to ring. Following the Dedication, a select team of bellringers from the Australian and New Zealand Association of Bellringers will ring the inaugural Quarter Peal, which will take around 50 minutes. This will be followed by teams of ringers from across Australia and overseas having the opportunity to ring the bells throughout the afternoon.

The day will be completed in the evening when the famous Australian a cappella ensemble, The Song Company, will conduct a recital of Spanish religious music in the Cathedral from 7:30pm.
