NAPLAN
The National Assessment Program for Literacy and Numeracy results were handed to Year 7 and 9 students on Monday afternoon. Results were in an envelope and hopefully your son or daughter has handed them to you. The bottom of the school bag may be your starting point if this has not occurred. The overall school results will be published in our Annual Report.

SHAKESPEARE IS ALIVE
We are yet to fully publicize results from the Bathurst Eisteddfod, however, I can tell you that Kate Sempell and Niemah Hope from Yr 9 represented the school in the Shakespeare section. This was a combined open section where the girls presented solo items and a scene for two. Kate came first with her solo monologue and Niemah second. And both were awarded the Special Award for most outstanding work.

NAIDOC WEEK
Bathurst council in consultation with the Bathurst Local Aboriginal Consultative Committee is planning a host of activities on Saturday, 26th September. All activities are free and include a flag raising ceremony, BBQs, face painting, bungee trampoline, flying fox and entertainment. Celebrations will be held at Macquarie River Bicentennial Park starting at 11 am.

Stepping Through the HSC
Year 11 parents and students will notice an item on the calendar for the 29th September – “Surviving the HSC”. This evening will go ahead but under the title: “Stepping Through the HSC”. This evening will look at the HSC from the beginning of assessment, through trial exams, HSC exams, university applications, final scaling and results. Important issues such as planning, priorities and expectations will be explored along with the assessment booklets the students will receive to help plan their assessment programme throughout the HSC year. I would strongly urge all Year 11 students and their parents to attend this evening as it will answer many questions that will come up over the year. A copy of the presentation will be available to boarding parents after the evening. The evening will commence promptly at 7:30pm on Tuesday, 29th September in the Senior Library.

FROM THE CHAPLAIN
Fr Paul Woodhart

So far we have banked $2000 towards the 40 Hour Famine appeal. Thank you so much to those who made an effort - I heard that one student even went without make-up for 40 Hours!!

We have developed a good pattern for Boarders’ Chapels - after dinner on Sunday evenings. Thanks to these students who have helped prepare the powerpoints.

Father Paul

Another very full week and amazing achievements amongst our students, yet again. Congratulations to John Hughes and his hospitality students for fantastic results.

Thank you to a number of you that have contacted me with regard to suggestions and observations on how to improve what and how we do things around here. Communication has been raised from a few of you. This is always a challenge in any environment so if you have experienced it being done well elsewhere, I would love to hear about it. All your comments do get passed on with the objective of making improvements.

I know we are not yet through 2009 but we are already planning for 2010. Scholarships are looming again. More information will follow over the coming weeks but the date for the exams will be 8 May 2010. SO put it in your diary.

We will be commencing interviews for Transition 2011 shortly. So I encourage you to make sure your applications are in, and if you know anyone not already part of the All Saints’ community, to let them know too.

Don’t forget any CHANGE to your family details please go to the website and complete the CHANGE OF DETAILS form.

OBU update following the recent AGM. All details are on the website.

OBU: President James Pirie, Secretary Margaret Simmons, Assistant Secretary: Sarah O’Neill, Treasurer David Provost Committee members include: Helen Baber, Shirley Burrow, Tony Cable, John Canfield, Lynne Seaman, Ian Dive, Geoff Crossley, Chris FitzSimons, Memory Sanders, Wendy Bonnette, Eric Matheson.

Now over the past couple of days I have received maybe one or 2 emails regarding the CRICKET. Being a particularly good sport I would like to take this opportunity to CONGRATULATE you Aussie Cricket fans on finally winning some games. Hopefully you are all now feeling less dejected!!

Ther next Equestrian meeting will be for planning rather than working and will be at the end of term. I will confirm the date and time next week.

Finally a HUGE GOOD LUCK to my Netball team this weekend along with the 2nds. We are both in the Grand Finals. If you have time to spare on Saturday come and support us. U14s 11am and 2nds 3pm.

Till next week Jane

We would like to offer classes for ASC parents to help them navigate the world of computing and are asking for expressions of interest. It is envisaged that the course would run for 4-5 weeks, each class being 1½ hours each. It would be possible to attend any number of the classes. A certificate of attainment will be awarded for the full program. A small charge would apply for resource material.

If you are interested in the classes, which would be held at ASC, could you please indicate below and return the slip to the front office by Friday, 25th September. Alternatively email your response to maree.crofts@saints.nsw.edu.au

Thank you
Maree Crofts

ALL SAINTS COLLEGE ‘SCIENCE WEEK’ 2009

LUNAR LANDING CHALLENGE

This year marks 40 years since humans took their first steps on the moon... in July, 1969

But there have been some who dared to ask the question...

>>> WAS THE MOON LANDING FAKED??

IS IT EVEN POSSIBLE?!

Our competition: Fake the moon landing!

$100 PRIZE for the winning team

Enter your own original ‘Moon Landing’ Footage, up to three minutes in length. Must be animated or acted by students (Yr 7-10) of ASC. Groups no larger than 4, all technical and computer generated effects are permitted! Judging based on ‘entertainment factor’ and scientific accuracy.

CLOSES: 28th Sept, 2009

See Science Staff for Entry Form & Rules

Senior School

Lunar Landing Challenge

Astronomy is the theme for Science Week this year in celebration of the first steps taken by humans on the moon 40 years ago. As part of Science Week, students are invited to participate in the Lunar Landing Challenge and a chance, for the winning team, to win a $100 cash prize. This competition is open to all All Saints’ College students in Years 7-10. To enter you need to submit a short (less than 3 minute) film of a simulated moon landing by astronauts. The footage may be acted, or animated, but it must be original. The footage should depict one or more of the astronauts experiencing the lunar surface and interacting with the lunar environment in a realistic manner. Entries must be submitted by September 28th. Posters advertising the competition have been placed around the College. Entry forms, containing the competition rules and judging criteria, are available from your friendly Science teacher. Will you accept the challenge??

Reminder for students in Years 7 to 10, that entries in the “Lunar Landing Challenge” are to be submitted by the 28th of September to a Science teacher.
