**Registrar’s Rave**

One week left of this term! I cannot believe it! This year has passed far too quickly for me. Many of you will know that my family and I will be joining my husband in Abu Dhabi in December and I am excited for my successor as they will be joining the College at a great time. I cannot begin to tell you how much we will miss everyone here.

- - -

We will be inviting our new local students coming into the College in 2010 to join us for Term 4 sport. A letter will be going to them all shortly giving them more detail. It is not compulsory, but will provide a good opportunity to take part and get to know us before they start next year.

- - -

For your diaries:
- Orientation Day for all Senior School students Years 7 – 12 for 2010 is Friday, 6th November.
- Transition T3 and T5 Orientation Day: Friday, 13th November (a lucky date).
- Transition T2 Orientation Day: Thursday, 12th November.
- Kindergarten 2010 Information Evening: Monday, 16th November
- Activities Week (30th Nov – 2 December): Our new students will be invited as part of extending our Orientation Day. With all of these events more information is already on the way with more to follow.

- - -

NOTES again:
- We will be commencing interviews for Transition 2011 shortly. So if you know anyone not already part of the All Saints’ community to let them know too.

- - -

Don’t forget any CHANGE to your family details please go to the website and complete the CHANGE OF DETAILS form. Great to see that it is already being used and working!

- - -

Equestrian meeting will be Thursday, 1 October at 1pm at the equestrian area.

- - -

What a great game of netball my Reds had on Saturday! Going in as the underdogs they played brilliantly. Thank you to my fabulous team - they played hard and remained focused through the season. Fiona Alamyar, Jo Bell, Tara Chan, Maddie Jones, Amy Phillips, Kate Porter, Emma Pullinen, Miriam Randall, Phoebe Sutor and Lucy Thompson - you should all be proud of what you have achieved this year.

Till next week ... Jane
