Nut Free Policy
We are very fortunate to be able to control food at school because the children are fed in our dining room. From time to time we have events, such as the “World’s Biggest Morning tea” and children’s birthday parties, where food is brought to school and parents need to be aware of the school’s Nut Free policy. Please do not send foods to school that contain Nuts as a listed ingredient.

Junior Swimming Carnival
Parent vs Teacher Relay
There will be a Parent Vs Teacher swimming relay at the Junior School Swimming Carnival on Friday. I am encouraging all willing and able parents to don their swimmers and take on the teachers. What a spectacular opportunity this will be for the parents. GO PARENTS!!!!

TRANSITION NEWS

This week in Transition we are happy to announce that the children are settling in extremely well. They are getting to know their new routine and friendships are already forming. Our class work this week has been associated with two nursery rhymes, Jack and Jill and Hickory, Dickory Dock. We have painted Jack and Jill’s pail and have made a clock with a mouse running up it. We have explored the colour blue and investigated squares. We have found squares in our environment and have collaged our own blue square towers. The children have been telling their classmates all about themselves and their family during news this week. It is pleasing to witness so many confident children. This week in T3 we also had a practice evacuation drill and assembled on the oval for a speedy roll call. Regards, Deb, Liz, Eva and Sally

News from the P&F

My name is John Morris, and I am the president of the School P&F committee. Our School P&F meeting last Tuesday evening saw good discussion from the tremendous attendance, but in particular the allocation of funds for the purchase of two document readers to facilitate information delivery to (especially) our younger students. We also approved purchase of new keyboards and aids to help the very young students in the Junior School develop their computer skills. Soon the school P&F executive will be attending the Junior School after a request to support the installation of vegetable gardens. P&F support I consider very important for our kids at All Saint’s College, together we work hard to help them with the best.

We have only just been afforded an excellent fund raising opportunity as a result of a cancellation running the BBQ at the Mitchell Conservatorium’s Open Day, on Saturday 27 February between 11 am and 2 pm. I have asked for help from the Senior School and Mel Geyer and I also seek your assistance. Please let us know, or use the school P&F email: ascpnf@gmail.com if you can lend a hand. Together we can achieve so much, and it will go a long way towards the Junior School Vegetable Gardens!

I attended your P&F meeting last week and have addressed the training issue raised there, for those interested in using the School P&F coffee machine. There will be more information about this at your next meeting so as always, I encourage you to get involved and take an active part in your P&F.
