Swimming Carnival
The Junior School Inter-House Swimming Carnival is on Friday 12 February at the college pool. The first race will begin at 9.15am. Could any parents who are available to assist on the day please see Mrs Kay Nelson before the first event begins.

Drinks in Head of College Garden for Staff and New Parents
I encourage all new parents to the school to attend the drinks in the Head of College’s garden on Friday 12th February at 7.00pm.

Nut Free Policy
We are very fortunate to be able to control food at school because the children are fed in our dining room. From time to time we have events, such as the “World’s Biggest Morning tea” and children’s birthday parties, where food is brought to school and parents need to be aware of the school’s Nut Free policy. Please do not send foods to school that contain Nuts as a listed ingredient.

Junior Swimming Carnival
Parent vs Teacher Relay
There will be a Parent Vs Teacher swimming relay at the Junior School Swimming Carnival on Friday. I am encouraging all willing and able parents to don their swimmers and take on the teachers. What a spectacular opportunity this will be for the parents. GO PARENTS!!!!

P&F Food Stall
The Junior School P&F will be holding a food stall at the In2Cricket on Saturday. They will be selling the following:
- Mixed bags of lollies: 0.50c
- Giant pythons: $1.00
- Chips: $1.00
- Drinks: $1.00

FROM THE REGISTRAR
Mrs Roslyn Cox

Each year All Saints’ College provides an opportunity for prospective and existing All Saints’ students to sit the ACER exams for Academic, Music and ICPA (Isolated Children’s Parents’ Association) scholarships.

Information on the scholarships, and how to register, is available from the All Saints’ website. Alternatively, you can contact the school and we can send out a package of information to you. All applications must be received by Friday 9 April 2010 – so please get in touch with us now if you are considering this opportunity.

The examination date is set by ACER and will be held this year on Saturday 8 May, from 9am until 12pm. Candidates for all three scholarships will be required to sit the ACER exam. After a lunch break, Music scholars will then sit a separate music paper and must also audition with our Director of Music, Mrs Robyn Crowley. Appointment times for the auditions and music exam will be notified to the registered families in due course.

The College will be advertising the scholarship opportunity in local media and also through the Western Magazine supplement (which will appear in 27 regional newspapers throughout NSW) – but please pass on the details to any friends or family you know who may be interested.

For further information, please contact me or Belinda Thompson on 6331 3911.

TRANSITION NEWS

This week in Transition we are happy to announce that the children are settling in extremely well. They are getting to know their new routine and friendships are already forming. Our class work this week has been associated with two nursery rhymes, Jack and Jill and Hickory, Dickory Dock. We have painted Jack and Jill’s pail and have made a clock with a mouse running up it. We have explored the colour blue and investigated squares. We have found squares in our environment and have collaged our own blue square towers. The children have been telling their classmates all about themselves and their family during news this week. It is pleasing to witness so many confident children.

We are seeking expressions of interest from Students and Parents regarding the All Saints’ Equestrian Team. If you currently compete for the school or are interested in competing at various interschool events this year, please notify Belinda Thompson at the front desk or make enquiries to Nicki Stockman on 0417324870.

FROM THE CHAPLAIN
Father Paul Woodhart

At our first Chapels for the year we explained to the students what Baptism is, in anticipation of Lydia’s Baptism this Saturday at 11am in our Chapel. Lydia is the daughter to Sam and Sally Alcorn, and Sally is famously on our Infants staff. She has asked me to extend an invitation to any who might like to come.

News from the P&F

My name is John Morris, and I am the president of the School P&F committee. Our School P&F meeting last Tuesday evening saw good discussion from the tremendous attendance, but in particular the allocation of funds for the purchase of two document readers to facilitate information delivery to (especially) our younger students. We also approved purchase of new keyboards and aids to help the very young students in the Junior School develop their computer skills. Soon the school P&F executive will be attending the Junior School after a request to support the installation of vegetable gardens. P&F support I consider very important for our kids at All Saint’s College, together we work hard to help provide them with the best.

We have only just been afforded an excellent fund raising opportunity as a result of a cancellation running the BBQ at the Mitchell Conservatorium’s Open Day, on Saturday 27 February between 11am and 2pm. I have asked for help from the Senior School and Mel Geyer and I also seek your assistance. Please let us know, or use the school P&F email: ascpnf@gmail.com if you can lend a hand. Together we can achieve so much, and it will go a long way towards the Junior School Vegetable Gardens!

I attended your P&F meeting last week and have addressed the training issue raised there, for those interested in using the School P&F coffee machine. There will be more information about this at your next meeting so as always, I encourage you to get involved and take an active part in your P&F.

Thank You, John Morris.

This week in T3 we also had a practice evacuation drill and assembled on the oval for a speedy roll call. Regards, Deb, Liz, Eva and Sally
