**HEAD OF SENIOR SCHOOL**

Mr Stewart Ross

**BLOOD DONATIONS**

All Saints’ have won the Blood Donation Shield for the most blood donations in the Central West for 2009. This is a fantastic achievement considering we are competing against 17 other schools, many much larger than ourselves. It is most gratifying that our students are so community spirited.

**PERU UPDATE**

We have the required numbers for our trip to Peru in June to go ahead – we can’t wait. If by chance anyone is still interested or you are new to our community, we can still take more travellers as permits to walk the Inca Trail are still available. Please see the flyer attached to Revelations for more details or contact me direct.

**KIDNEY HEALTH AUSTRALIA**

Kidney disease has become Australia’s silent killer with a new victim dying every 35 minutes. That is 41 people each day. One in 7 Australians have at least one clinical sign of existing chronic kidney disease. Consequently, I have been asked to assist Kidney Health Australia by promoting their fashion beauty pageant to be held at the Bathurst Bulldogs Rugby Club on Saturday, 20th March. Any girls interested should see Reception for more details.

**WAS SWIMMING CARNIVAL**

The Western Area Schools swimming carnival is to be held at St Stanislaus College next Friday, 19th February from 4pm – 7pm. This year we are not sending our school to be spectators following a similar decision by other schools.

News from the P&F
A big thank you for the great attendance of P&F Members at our meeting on Tuesday Night. A few new faces with some familiar ones made for great discussion. I am now very happy to report that the School P&F committee is complete, and as follows:
President: John Morris
Vice President: Heather Cozens
Secretary: Linda Fisher
Treasurer & Public Officer: Gavin Douglas
Council Representative: Kay Crawford
Foundation Representative: Jane Taylor

We have just been afforded a great fundraising opportunity as a result of a cancellation, so I encourage you to offer a hand cooking some snags at the Mitchell Conservatorium’s Open Day on Saturday, 27 February between 11am and 2pm. A really great day to offer your support to the School P&F (especially those involved in Music!). Please contact me concerning this or other matters at the school P&F email: ascpnf@gmail.com

Our next meeting is at 5.45pm on Tuesday, March 23 at the Junior School (Year 3 classroom) and encourage as many as are able to attend and support this great group of enthusiastic members. Everyone is welcome to attend, listen to what’s going on and feel as important as anyone else present. The P&F section of the College website will soon become active with updated information about what the P&F are up to, meeting agenda’s and meeting reports – so stay tuned. (Especially with our up coming Art Show!)

Thank You.

All Saints’ Equestrian Team
We are seeking expressions of interest from Students and Parents regarding the All Saints’ Equestrian Team. If you currently compete for the school or are interested in competing at various interschool events this year, please notify Belinda Thompson at Reception or make enquiries to Nicki Stockman on 0417 324 870.

Do you need a Tax File Number? The Tax office with the cooperation of the school, offers students aged 13 years or over the opportunity to apply for a tax file number (TFN) through the school. This is a voluntary program and makes it easier for students to obtain a TFN.

Applying for a Tax File Number through the school is easier because the students do not need to show identifying documentation to the Tax Office. The application form is available from the Careers Advisor, and students can complete it at home.

When do you need a TFN? Students need a tax file number for employment, applying for Centrelink benefits, opening a bank account or deferring university fees.

If you require further information log onto www.ato.gov.au/students.

Boarders’ Restricted Leave Activities

Waratahs vs Fiji

On Saturday, 30th January the boys’ boarding houses, Britten and Watson, travelled to Wade Park as part of the Restricted Leave Weekend activities, to watch the NSW Waratahs take on the might of the Fiji Warriors in a lead up match to the Super 14 Rugby competition commencing later in February.

It was an exciting, if fairly one sided affair with the ball being run by both teams at every opportunity and both teams running their bench players. We had the opportunity to watch the likes of Al Baxter, Berrick Barnes, Phil Waugh & Kurtley Beale up close on a beautiful sunny evening in Orange.

The Waratahs ran away with the game 83 points to 15. The highlight for many of the boys was meeting and having photographs taken with many of the players as they thanked the crowd after the game.

It was a fun evening and we enjoyed each others’ company as we cheered on the Waratahs in their victory.

All Saints
Peru Traverse & Community Project

Peru’s diverse landscapes and colourful history are worthy of intimate exploration. This itinerary does just that combining the historical and natural attractions with a trek along the ancient Inca Trail and a fascinating and worthwhile community project. The range of highlights begins in Lima where we gain a fascinating insight into Peru’s history with visits to the well adorned museums and galleries. Next, we cruise to the Ballestas Islands (Peru’s Galapagos), feeling in the marine mammals and birds, then continue to the fascinating Nazca Lines. From Arequipa, the beautiful white city where the 19th century Sainte Génévieve convent is located, our journey continues to the Colca Canyon, the deepest in the world, where significant numbers of butterflies and condor predate. The cultural section of our itinerary concludes with a homestay with the Uros Indians on Lake Titicaca, followed by our exploration of Cusco and the Sacred Valley where we are presented with a living day collection of the Inca legacies. It is in the Sacred Valley in a small village called Turuncuy where we spend 2 days working alongside the locals on a variety of tasks such as helping in the construction of a small school house, helping out in their community run greenhouse or giving some lessons in the school. This theme will be rewarding and fascinating, and maybe even a little hard work.
