Parents of senior high school students studying in the Central West will have an opportunity to discuss life after Year 12 with staff and current students at Charles Sturt University on Friday, 26 February. The Parent Information session will look at the options after Year 12 such as a gap year, graduate outcomes, pathways into university and costs associated with university study. Parents will find out about financial assistance such as scholarships, student support services, discuss regional universities versus metropolitan universities, other opportunities available to students and also offer an optional campus tour. Running from 9.30am to midday on Friday, 26 February, the session will take place at Charles Sturt University in Orange. To register, call Judy Walsh on 6338 6010.

FROM THE
REGISTRAR
Mrs Roslyn Cox

With all of our new students settling into life at All Saints’, the Registrar’s Office is now working on Transition applications for 2011. With the target of 60 new little ones needed to fill the two, three and five day programs, this will involve a large number of tours and family interviews for our Head of Junior School, Chris Jackman.

For the applications we have already received, family interviews and visits will be scheduled over the next few weeks. So if you have any friends or family thinking about Transition 2011, please ask them to complete an application form and submit it as soon as possible. Careers Information
Do you need a Tax File Number? The Tax office with the cooperation of the school, offers students aged 13 years or over the opportunity to apply for a Tax File Number (TFN) through the school. This is a voluntary program and makes it easier for students to obtain a TFN.
Applying for a Tax File Number through the school is easier because the students do not need to show identifying documentation to the Tax Office. The application form is available from the Careers Advisor, and students can complete it at home.

When do you need a TFN? Students need a tax file number for employment, applying for Centrelink benefits, opening a bank account or deferring university fees.

If you require further information log onto www.ato.gov.au/students.

Barton House Working Bee a big success

On Saturday, 13th February, amidst all the rain, a small band of Barton students and parents set to work to improve the Barton House areas.

Most of our volunteers worked at painting the Nissen Hut. Everyone worked tirelessly to get the first coat on the walls.

Pegs were set up for the boys to hang their hats and coats during the day, the fan was repaired and the lockers were set up in a new position and labels attached for quick identification.

Meanwhile, the girl’s section of Barton was cleaned from the windows to the kitchen sink. The locker bases were repaired and moved into their final position and labels were attached for easy identification.

We would like to thank all the parents and students for all their help on the day. We couldn’t have achieved all we did without your assistance.

Thanks again to all our volunteers your assistance was invaluable and much appreciated

Lesley Tinker (Head of Barton House)
