TREESNAPS
In the recent Greening Bathurst Treesnaps Photographic Competition, All Saints’ students performed creditably with Alice Woodlock winning the Year 7 to 9 section of the competition and Arianne Gilany coming second in the Years 10 - 12 section of the competition. Mr Feebrey from Greening Bathurst presented the girls with certificates and prize money at assembly this week.

ATHLETICS CARNIVAL
The Athletics carnival is being held today with the event returning to Watson Oval after a hiatus of some years. We believe this is a much better venue to showcase this event and results will be posted shortly.

MEDIA VOILENCE
Dr Warburton from Macquarie Uni recent wrote that research consistently finds that excessive exposure to media violence can lead to increased aggressive behaviour, increased desensitisation to violence and less empathy for the suffering of others. Whilst it is important to view some violence as part of understanding and developing acceptable social behaviour, parents are encouraged to talk to their children about media issues just as you would other health issues. Like many other Psychologists, he also discourages having TVs and computers in children’s bedrooms.

FAST FACT
In Bangladesh, kids as young as 15 can be jailed for cheating on their yearly examinations.

FROM THE REGISTRAR
Mrs Roslyn Cox

There are a number of Information Nights on the agenda over the next few weeks, with one held in Lithgow last night, one to be held in Millthorpe on Wednesday, 23 June, and one organised for Mudgee on 29 July. We are promoting these events through newspaper and radio advertising, but nothing beats word of mouth. So please share the details with anyone you know who may be interested in finding out more about All Saints. We’d love to meet them.

***

Next week, we are heading to Goulburn for our final Boarding School Expo of the year – with 32 other schools from Sydney and NSW. This event is an important one and we will again be flying the All Saints’ flag and doing our best to promote the benefits of an All Saints’ education.

***

In general terms, the phones are busy with calls from lots of families looking at All Saints’ for Year 7 next year and for other year groups as people move into the Bathurst area, or move from other local schools.

A big welcome to Ben Healy (Year 10) and Andrew Healy (Year 7) who joined us last week.

Also (in the planning stage) is a special tour proposed for current Year 6 students and their parents – so that our existing Year 6 can have a good look around the high school area of the campus.

More details and an invitation will be sent out soon. Year 7 is an important step and we want our Year 6 students to be feeling familiar and excited about this next big milestone in their education.

FROM THE CHAPLAIN
Ft Paul Woodhart

Dear Friends,

I mention but one topic, that of Confirmation.

We have an information session this coming Wednesday from 4.30pm, or more practically, after sport in the Junior School Library, till 5.30pm.

We will be planning the 5 classes next term before the Confirmation Service on Sunday, August 22 at 3pm.

In the past we have joined with the three Bathurst Parishes, but I have especially asked Bishop Richard that he conduct one for the College. If you have any queries please be in touch.

My Chaplain’s House number is 6332 7370.

Confirmation is open to any student in Year 6 and above. Working with you, Father Paul Fr Paul Woodhart
