**FROM THE CHAPLAIN**

Fr Paul Woodhart

It is good to be back for Term 4. May I acknowledge the many who made the Benefactors’ Service flow so well. This Saturday at the Bickerdike Centre we have many from the Diocese coming to celebrate the 140th anniversary of its beginnings. We meet from 10 till 3 and would invite any who would like to make the effort to come. This Sunday I have the Boarders’ Chapel after dinner. I look forward to working with the new Prefects in Chapel presentations.

**Community invited to join Senior Choir**

The All Saints’ College Music Department is inviting members of the school community to join the Senior Choir as they prepare for the upcoming Carol Service. A number of staff and parents already sing in the group and members of the school community are encouraged to join as well. Rehearsals take place on Thursday morning from 8am - 8.45am. Come and join in and have a great time.

**Interested in the 2011 All Saints’ Art Show?**

**Do you have some fresh ideas?**

Whether you want to help organize or not, we want to hear from you!

**Come along to a P&F Art Show meeting on Monday, 25 October 2010 at 5 pm in the Senior School Staff common room (follow directions up past the old book store/ Student Liaison Office - parking in main car park)**

**HEAD OF SENIOR SCHOOL**

Mr Stewart Ross

**HSC**

Best wishes are extended to our Year 12 students as the Higher School Certificate commences today. First up is Business Studies and Agriculture with all of our school cohort sitting the first English paper tomorrow.

**SENIOR PRIVILEGES**

As Year 11 enters into their HSC course this term, we have extended some of the Year 12 privileges to them. They can work on the Senior Lawn in a Study period (as well as their House area and Library) only after they have signed in at the library. The late arrival/early departure privilege may be granted at a later stage depending on their application toward school work and demeanour at school.

**SPORTS SCIENCE SUMMER CAMP**

Due to a number of factors we have had to postpone the camp for Years 9 & 10 doing Sports Science next week. We are hoping that we may be able to hold an abridged camp after their examinations. Stay tuned.

**FAST NEWS**

Canberra has the smallest proportion of male teachers in the country and their numbers are in decline, with less than a quarter of educators in government schools now men. Parents’ groups say the disparity is worrying because children may be missing out on the benefits of having male role models in the classroom and losing out on the teaching styles men bring to the profession.

A warm welcome to Daniel Lambert (Year 9, Boarding), Rachael Hogan (Year 9), Katie Hogan (Year 7), Kate Dowd (Year 1) and their families who have joined All Saints this term. I’m confident that students, teachers and the parent community will join together to help our new students settle in and enjoy their first term at our school.

Steering Ross and I waved the All Saints flag at Young Show during the first week of the holidays and we met some interesting families and OBUs. Young Show is the last of our “show-based” events. We have a function organised for Oberon next Sunday, 23rd October, a presence at Orange Field Days and another function organised for Sydney on 30th October later this month – which will be the last of our official marketing events for the year. It’s been a full program, resulting in many leads and enquiries which is a great result. Thank you to all the staff who have helped out, given their time and support throughout the year. I really appreciate it.

The next important event on the calendar for the Registrar’s Office is Orientation Day for our new Senior School students for 2011 (including our new crop of Year 7s). A program for the day will be sent out shortly and we have a great day of activities planned. Again, organising Orientation Day is a team event – and so thank you in advance to the many staff I will be speaking to over the next few days to get everything organised!

A special hello to one of our boarding parents, Jo Marlan, from Cobar – who is a keen reader of Revs and VIM and a great supporter of our school. Jo, as you relax and read our newsletter we are thinking of you!

On Tuesday evening, 19th October, there will be a presentation to Year 11 students and their parents. The focus of the presentation will be on assessment (requirements and procedures), how the HSC and ATAR work, university entry, planning, setting priorities and managing expectations. The presentation will take place in the Senior (temporary) Library and will begin at 7:30pm and is intended to take no longer than an hour, including any questions. For those unable to attend, particularly boarding parents, please send me an email and I will send a copy of the PowerPoint presentation which provides a skeleton of the key details.

I look forward to seeing as many students and parents as possible. Greg Jones
