Spring Fair Success

Thank you to all the parents, staff, teachers, students and friends who braved the cold and unpredictable weather on Saturday and Sunday to ensure the success of the Spring Fair 2010 - from setting up, manning stalls, selling tickets to clean up. It was a fantastic effort by all.

Also a special thank you to the Year Parents and helpers who put in a lot of time and effort organising their stalls leading up to the Fair.

Gavin Carter and his team - thank you for all your hard work.

Another special mention to everyone who helped in the Treasury, especially Lindsay and Gavin. The results have already been tallied and it is exciting to report that the profit for the day was only marginally down on last year.

This is an amazing achievement considering the weather and was largely due to the fantastic support of our sponsors organised by Ruth and Mel

I would like to thank Rosie Bayliss, Catriona Roach, Naomi Miller, Ruth Crampton and Mel Coote Geyer for working so hard to make it all happen.

Great teamwork girls!!!

For the Registrar
Mrs Roslyn Cox

Congratulations to Lesley Bland, her team of organisers and all the many, many parents who gave their time and worked so hard at the Spring Fair on Sunday. As always there was a wonderful spirit on the day, despite the slightly dodgy weather, and the happy result is that the weather did not seem to affect the numbers of people attending – at least from my perspective! I am happy to say that I took some great family friends on tours, which was terrific. I also met some OBU’s who had returned to Bathurst for Saturday night’s dinner and took the opportunity to have a good look around the College.

(Somewhat peripherally, well done to the hard-working boarding and day students who did a terrific job at the OBU dinner on Saturday night. They did a great job and the dinner was a real success.)

Thank you to all the stallholders, students and organisers who chatted on the radio to Dominic and Jacqui - our friends from 2Rock and 2BS. Radio is a wonderful medium to spread the message in Bathurst and I’m certain this kind of publicity and promotion benefits our school.

Stewart Ross returns from “walking the All Saints’ flag” at the West Wyalong Show today, so hopefully we’ll have some more leads from this neck of the woods. On Friday this week we are heading to Cowra for our next Information Night. Thank you to our local Cowra families including the Watts and the Grants who have helped us spread the message and encouraged people they know to come along on Friday. These promotional evenings are proving to be very positive.

Good luck to Eliot Sanger who will be at Forbes Show until Saturday. The next events are Cowra Show (14 – 15 September), Young Show (26-28 September) and Information Nights at Oberon (24 October) and in Sydney (30 October).

Please remind anyone you know in these areas to visit us at our stands or come along to the Info evenings. They would be very welcome.

Sister School Exchange and Assistant Teacher

There exist two opportunities for All Saints’ College students. One is as an exchange student. The other is an opportunity to work as an assistant teacher at our sister school.

Our sister school, Yachiyo Shoin, is situated in Chiba-prefecture which is adjacent to Tokyo. It is also close to the International Airport (30 minutes by car). The school has a history of 33 years. It was rebuilt four years ago and has brand new, modern buildings. There is a Junior High School (our Years 7 to 9) with 732 students and a Senior High School (our Years 10 to 12) with 2021 students. It is a private co-educational school with a considerable reputation in academic and sporting achievement.

The proposed student exchange period is from October 2011 to January 2012 (Term 4, including holidays). Any student from any Year can apply whether they are doing Japanese or not.

The cost is your return airfare and personal insurance. ASC tuition fee will continue to be paid (this covers the cost of the exchange student at ASC). The student will be home-hosted.

The second opportunity (as an assistant teacher) is only available to students who are finishing Year 12 this year. They don’t have to be doing Japanese at Year 12. The term is January 2011 to January 2012. It is an excellent opportunity for those who are thinking of taking a year off before going to University. Interested students should apply as soon as possible.

The cost will be a return airfare and personal insurance. 50,000 yen will be paid to the assistant each month if home-hosted. This is equivalent to about AU$700. On top of this, 30,000 yen ($400) will be paid as a living allowance if living in an apartment or house.

The job will be assisting English teachers and sometime teaching English conversation classes. At the moment Morgan Barnes and Robert Armitage are there as assistant teachers.

Interested parents and students should email Mrs Reekie (fudeko@ix.net.au) or send a letter via ASC.
