You may have been wondering what the unusual Overbelly/PON vs WILD poster is all about! The solution to the mystery is this....

It’s the major Staff fundraiser to raise the money needed for us to award the Staff Scholarship to a worthy Year 12 Student at the end of the year.

For the last five weeks staff have been leaping around developing their studies. Light refreshments will be offered and it will be a hilarious evening. Tickets are available by contacting Reception; ten Dollars per person or Twenty five for a family. Please support the evening – you never know, it may be your child receiving the scholarship one year.

CROSS COUNTRY

Congratulations to the following students who were age champions at our recent Cross Country carnival.

- Madison George and Matthew Jackman (12 years), Neive Roebuck and Jack Schumacher (13s), Gabby Elias and Nick Peterson (14s), Lucy Hobson and Kouch Akot (15s), Lily Douglas and Jack Ison (16s), Caitlin Sharp and Will McAloney (17s) and in the Opens, Claire Watt and Austin Meulman. The overall winning House was Bean.

FAST FACT

“Today students are studying just to get good marks so that they can shine in their career and lead a prosperous life and not out of any urge to learn. They don’t have any passion or interest to enrich their knowledge; they are only concerned about getting good marks in exams.” Samlyn Josfyn

A warm welcome to Juan Kritzinger (Year 9), Alan Mayhew (Year 11) and a welcome back to Asha Premus (Year 1), who join us this term. I’m sure the All Saints’ school community will join me in making these students and their families very welcome.

We had a terrific Information Night at Nyngan at the end of last Term. Thank you to our lovely Nyngan families who came along to support the evening and helped us in speaking to prospective families. It was a great night and we had a terrific roll-up which was excellent.

We also had a great night at Lithgow, with a couple of excellent families coming to meet with us and talk about the school.

Our next major event is the Bathurst Show - coming up in two weeks on Friday 6, Saturday 7 and Sunday 8 May. If you are at the Show with your family over the weekend, please swing by, say hello and join us for a cold drink or coffee. As always, we will be having a small function on the Saturday afternoon at 5pm and all our families are welcome to attend.

The 2012 Year 7 Information Night will be held on Wednesday, 11 May at 7pm in the new Library. Invitations have gone out this week and we are hoping that our current Year 6 students and parents, and many of our new families, will be able to attend. We have an exciting night planned with some special activities for the students.

Scholarship Examination Day is fast approaching and letters confirming all arrangements have been sent out this week. Please give us a call if anything is unclear or you have any questions. The Scholarship Exam will be held in the Kemmis Building (Performing Arts Centre). Students are expected to arrive at 8.30am on Saturday, 14 May.

We are also heading to Dubbo for the Boarding School Expo on Friday 13 and Saturday 14 May. Paula Elbourne and Eliot Sanger will be joining me to support the stand there. It will be great to get back to this area and wave the All Saints’ flag.
