CRICKET

Michael Waldren and Max Hope have made the Country and City Schools Cricket team to represent the regional NSW and ISA schools at the Lord Tavernors week. This week the best schoolboys of all school sectors in the State play an intense competition. It is very prestigious and the boys and our school should be very proud of their selection. They have both had a stellar season for our school and for Bathurst.

MOCK TRIAL

The first of the regional Mock Trials commences Monday with our school versing Dennison College in the Bathurst Court House. What better way to learn about the law and judicial system than by running a court case in a true-to-life adversarial setting? This is exactly what students participating in the Law Society’s Mock Trial competition do. This competition has been running since 1981 and is open to teams in Years 10 or 11 and up to the age of 21. It’s not only lots of fun – students also learn invaluable advocacy and debating skills at the same time.

SPECIAL PROVISIONS

Special examinations provisions (now term Disability provisions) in the HSC are practical arrangements designed to help students who couldn’t otherwise make a fair attempt to show in an examination room what they know. The provisions granted are solely determined by how the student’s examination performance is affected. Provisions may include braille papers, large print papers, use of a reader and/or writer, extra time or rest breaks. Any Year 12 students who wish to apply for these provisions will need to see Mr Ross as soon as possible and by the latest Friday, 15th March.

FAST FACT

People love to talk but hate to listen. Listening is not merely not talking, though even that is beyond most of our powers; it means taking a vigorous, human interest in what is being told to us. You can listen like a blank wall or like a splendid auditorium where every sound comes back fuller and richer. Alice Duer Miller

Jesus said, “...unless you repent, you will all perish...” (Luke 13:3)

We may well be surprised at such a harsh statement coming from the lips of Jesus, after all, isn’t he all about love, forgiveness, and acceptance? The answer is a resounding “yes” but we need to realise that we all have a decision to make; a life and death decision with eternal consequences. Jesus isn’t being harsh - he is just telling it how it is! In many ways he is like a fireman entering a burning building and waking the residents, “Get up, leave now or you will die!” None of us would be critical of the fireman, so none of us should be critical of Jesus.

So what does Jesus mean when he tells us to repent? To repent means to turn away from something, usually something that we have done wrong, and has the understanding that in doing so we are genuinely sorry for what we have done. So what are we to repent of? The Bible constantly calls us to repent of our sins - those actions, behaviours, and attitudes that keep us away from God. There are of course the ‘biggies’, things like murder, theft, adultery and so on. Most of us don’t do these things, and so we think that we are okay, but we forget about the other things we do that keep us from God. When Jesus was asked about the most important thing that God asks of us he said that there was not one, but two things; Love God with all that you have and are, and love your neighbour as yourself. When we focus our energy on these two areas we can’t help but repent of our sins, put our faith in Christ, and receive the gift of eternal life.

As we journey through Lent, let us all examine ourselves, see the ways in which we do not love God and our neighbour, and repent. It is a matter of life and death.

God bless you, Rev. Tony Card.

Thought for the week: “God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.” (John 3:16)
