Hello! Welcome to the 2013 school year. It is both an honour and a privilege to serve you as your chaplain, and I look forward to getting to know you all as the year progresses.

What an eventful summer we have had! The worst forecasts for bush fires have been fulfilled with many communities within our school catchment being directly impacted by fire. If that wasn’t enough the rains came and created massive floods throughout northern NSW and south east QLD. Events like these challenge us to respond - to help out then please let me know. Please also pray for all of the communities impacted by fire and flood as the rebuild their lives.

What is the exact location at the moment due to major work on the Chapel and its environs.

**HEAD OF COLLEGE FUNCTION**

Dr Miller will be holding a function in the Kemmis Building on Friday, 8th February for staff new and new parents to the school. Hopefully you have already received your invitation and we would appreciate a prompt RSVP.

**PARENTS AND FRIENDS**

The P&F will be holding their first meeting for the year on Tuesday, 12th February at 6:00pm in the Agriculture room. New parents are more than welcome (don’t be scared to attend as all executive positions have been filled). They will also be holding a function at Abercrombie House on Saturday, 9th February starting at 7:00pm. It should be a great night.

**FAST FACT**

I think everyone is looking for the shortcut and looking for that quick fix, and there is never going to be a shortcut or a quick fix in education. It’s always going to come down to hard work, trying to be smart, and trying to do what’s best for kids. Mike Kerr

**Thought : Life is a pure flame, and we live by an invisible sun within us.**

Thomas Browne

**Weekly Revelations**

**HEAD OF SENIOR SCHOOL**

Mr Stewart Ross

**WELCOME BACK**

Welcome to the 2013 school year and especially our new students and their families. We are pleased to have you as part of our community. We believe that one thing that sets us apart is our friendliness. As I stressed on Orientation Day, when in doubt, please ask someone if you are not sure. I would like to welcome back Mrs Bickford Sturgess who has been on Maternity Leave. She will be job sharing with a new member of staff, Mrs Sarah Matthews. Mrs LP is on LSL for this term and Mrs Sarah O’Neill will be “manning” the ILC.

Unfortunately Mr Gibson has had to resign his position here as D&T teacher. He made a great impact in just a short time. We welcome Mrs Natalie Sutton who has commenced with us this week to fill that position. We also welcome back two staff members in slightly different roles – Mrs Meg Hitchick will be doing some teaching in the Science Department and Ms Liz Lawless will be Science Lab Assistant.

**SCHOOL PHOTOS**

Photos will be held in week 3 – Friday, 15th February. A spick and span summer uniform is particularly needed on that day.

**COMMENCEMENT DAY SERVICE**

The Commencement Day Service will be held Wednesday, February 6th here at school. Parents are most welcome. The service should start at 9.00am however we are uncertain of the exact location at the moment due to major work on the Chapel and its environs.

**FRIDAY, 1ST FEBRUARY**

Colossians 3:23

A thought for the week, “Whatever you do, work at it with all your heart, as working for the Lord.”

God bless you, Rev. Tony Card

Limited number of seats still available to Europe

A limited number of seats are still available for the All Saints’ History and Geography Study Tour to Europe in the September school holidays. So far 20 students from Years 9, 10 and 11 are participating in this unique and exciting opportunity. The tour starts in London before moving on to the WWI Australian battlefields in France and Belgium. After three days in Paris the tour group flies to the Bay of Naples in Italy for guided tours of the Roman ruins at Pompeii and Herculaneum. The trip finishes in Rome with tours of all the classical sites.

The History and Geography staff would love to hear from new students in Years 9, 10 and 11 who would be interested in learning more about the tour. Further information contact Mr Goddard and Mr Feebrey they would be only too happy to discuss this trip with parents or students and can be contacted at the school on:
Phone: 63327334 or Email: w.feebrey@ saints.nsw.edu.au
